

Eighth of January Preparatory Study Notes (cont.)

General Guidelines: The approach to this melody is very fiddle-like, in a melodic, banjo sort of way. To try and capture every note of the melody, while still having the sustain of open strings to support it, was the objective. This approach can be applied effectively to all fiddle tunes. (Experiment! Try adapting other fiddle tunes in the key of C and G, studying some of the scales and passages illustrated in "Eighth of January".)
