## Gumbys Supporting Cast:

*Arthurian Legends on Film and Television* Bert Olton, 2008-10-23 The Arthurian legends are a crucial part of Western culture. With their enduring themes, archetypal characters, and complex plots, it is not surprising that the stories of Camelot should find their way into films and television programs. From the moody *Excalibur* to the looney *Knighty Knight Bugs*, more than 250 entries give complete credits, synopses, and analyses. Included are works based solely on Arthur and his literary origins and works that feature other figures like Galahad, Percival, and the operatic favorites Tristan and Isolde. Also included are animated films, parodies like Monty Python's films like *Indiana Jones* and *The Last Crusade* with Arthurian themes, and television series with Arthurian episodes such as *Babylon 5* and *MacGyver*. Operatic and dramatic works recorded for film and television like *Camelot* are also covered. Appendices, bibliography, and index. **Videohound's Family Video Retriever** Martin Kohn, Visible Ink Press Staff, 1996-09 Loads of listings, indexes, and categories for cross referencing, and a very useful distributor guide. *Virginian Pilot* Parent's Magazine contributing editor and family entertainment reviewer Martin Kohn makes it fun and easy to select videos the whole family can enjoy from *The Hunchback of Notre Dame* to *The Phantom*. This fully updated and enhanced new edition presents 1,000 new reviews, including 500 new kidvids, plus warnings about drugs, violence, and sexual content. With a total of more than 4,000 films for children or the whole family, this is by far the biggest and most comprehensive family guide on the market. *Scattered and Fugitive Things* Laura Helton, 2024-04-16 Winner 2025 Merle Curti Intellectual History Award, Organization of American Historians; Winner 2024 Arline Custer Memorial Book Award, Mid-Atlantic Regional Archives Conference; Winner 2025 Eliza Atkins Gleason Book Award, Library History Round Table of The American Library Association; Honorable Mention 2025 Lawrence W. Levine Award, Organization of American Historians; Honorable Mention 2025 S. USIH Annual Book Prize, Society for U.S. Intellectual History; Finalist 2025 ASALH Book Prize for Best New Book in African American History and Culture Association for the Study of African American Life and History. ASALH: During the first half of the twentieth century, a group of collectors and creators dedicated themselves to documenting the history of African American life. At a time when dominant institutions cast doubt on the value or even the idea of Black history, these bibliophiles, scrapbookers, and librarians created an enduring set of African diasporic archives. In building these institutions and amassing abundant archival material, they also reshaped Black public culture, animating inquiry into the nature and meaning of Black history. *Scattered and Fugitive Things* tells the stories of these Black collectors traveling from the parlors of the urban north to HBCU reading rooms and branch libraries in the Jim Crow south. Laura E. Helton chronicles the work of six key figures: bibliophile Arturo Schomburg, scrapbook maker Alexander Gumby, librarians Virginia Lee and Vivian Harsh, curator Dorothy Porter, and historian L. D. Reddick. Drawing on overlooked sources such as book lists and card catalogs, she reveals the risks collectors took to create Black archives. This book also explores the social life of collecting, highlighting the communities that used these collections from the South Side of Chicago to Roanoke, Virginia. In

each case Helton argues archiving was alive in the present a site of intellectual experiment creative abundance and political possibility Offering new ways to understand Black intellectual and literary history Scattered and Fugitive Things reveals Black collecting as a radical critical tradition that reimagines past present and future *Gumby Imagined* Joan Rock Clokey, Joe Clokey, 2017-11-15 Clay animated superstar Gumby has made an indelible impact on our culture and continues to enchant and entertain generations Filmmaker Art Clokey's personal story is one of mystical adventure tragedy triumph art and most of all love This lavish career spanning retrospective explores the legendary creator's life and complete works All of his many creations including Gumby and Davey Goliath are interwoven with a rich tapestry of rare photos and stories the ingredients for a fascinating tale **The SNL Companion** Stephen Tropiano, Steven Ginsberg, 2024-09-17 This is a
