Gun Gospel William Dawson Hoffman,1926 **Guns and the Gospel** Ron Crow,2019-07-28 It is interesting to think about how you can take some seemingly ordinary activities that one enjoys and discover some life lessons that will make you think ponder and evaluate your priorities Sometimes these lessons come to us in some very unexpected ways and some unexpected places Who would ever think that guns shooting and reloading spent casings would have any kind of life lesson especially spiritual life lessons It seems very out of the ordinary or maybe even extraordinary However a man with two passions that came together under the nudging and leading of the Holy Spirt opened Jerry s eyes to some deeper spiritual truths some truths that were out of the ordinary and yes even extraordinary Truths and lesson that seemed to grow and broaden his understanding of a supernatural God His passion for guns and his passion for the Gospel collided to reveal some amazing parallels of our relationship with Jesus Christ and our eternal destiny This was shared in a style that seems like Jerry just sat down with you with a cup of hot coffee and shared his heart so that maybe you will see what God revealed to him A very thought provoking and challenging comparison in an unexpected way
