**Gunfight: The Battle Over the Right to Bear Arms in America** Adam Winkler, 2011-09-06 Gunfight is a timely work examining America's four centuries long political battle over gun control and the right to bear arms. In this definitive and provocative history Adam Winkler reveals how guns, not abortion, race, or religion are at the heart of America's cultural divide. Using the landmark 2008 case *District of Columbia v Heller* which invalidated a law banning handguns in the nation's capital as a springboard, Winkler brilliantly weaves together the dramatic stories of gun rights advocates and gun control lobbyists, providing often unexpected insights into the venomous debate that now cleaves our nation. **The Gun Fight** Richard Matheson, 2009

**Gunfight: The Battle over the Right to Bear Arms in America** Adam Winkler, 2011-09-19 A provocative history that reveals how guns, not abortion, race, or religion are at the heart of America's cultural divide. Gunfight is a timely work examining America's four centuries long political battle over gun control and the right to bear arms. In this definitive and provocative history Adam Winkler reveals how guns, not abortion, race, or religion are at the heart of America's cultural divide. Using the landmark 2008 case *District of Columbia v Heller* which invalidated a law banning handguns in the nation's capital as a springboard, Winkler brilliantly weaves together the dramatic stories of gun rights advocates and gun control lobbyists, providing often unexpected insights into the venomous debate that now cleaves our nation. *The Gunfight* Richard Matheson, 1993 Color illustration on front cover of holster set, one pistol and empty bottle of whiskey, gold coins. Wanted poster with knife laying over it, brown hat, pistol with bullets. [The Last Gunfight](#) Jeff Guinn, 2012-05-15 Originally published New York: Simon Schuster, 2011. **Gunfight** Ryan Busse, 2021-10-19 A former firearms executive pulls back the curtain on America's multibillion dollar gun industry, exposing how it fostered extremism and racism, radicalizing the nation and bringing cultural division to a boiling point. As an avid hunter, outdoorsman, and conservationist, all things that the firearms industry was built on, Ryan Busse chased a childhood dream and built a successful career selling millions of firearms for one of America's most popular gun companies. But blinded by the promise of massive profits, the gun industry abandoned its self-imposed decency in favor of hardline conservatism and McCarthyesque internal policing, sowing irreparable division in our politics and society. That drove Busse to do something few other gun executives have done: he's ending his 30-year career in the industry to show us how and why we got here. Gunfight is an insider's call out of a wild, secretive, and critically important industry. It shows us how America's gun industry shifted from prioritizing safety and ethics to one that is addicted to fear, conspiracy, intolerance, and secrecy. It recounts Busse's personal transformation and shows how authoritarianism spreads in the guise of freedom, how voicing one's conscience becomes an act of treason in a culture that demands sameness and loyalty. Gunfight offers a valuable perspective as the nation struggles to choose between armed violence or healing.

**Guns, Bullets, and Gunfights** Jim Cirillo, 2018-01-03 If you want to know what it really takes to prevail in a gunfight, you must go to a person who's been in them. Jim Cirillo is that person. As one of the top guns in the New York City Police

Department Stakeout Squad Cirillo participated in some of the most harrowing of the unit's 252 armed confrontations with the worst of New York's criminal element. He went on to become one of the most sought after combat shooting instructors in the country. This book is packed with practical information that can come only from someone who has experienced the fear and intensity of an actual shootout. Find out what Cirillo has to say about how to handle the stress of a gunfight, the qualities of a good gunfighter, how to aim a handgun in the heat of combat, which types of bullets offer the best stopping power, the most vital single element to develop in training to survive a gun battle, plus hair-raising and humorous tales of life in one of the most elite units in law enforcement history. There is no better way to learn practical defensive shooting tactics and techniques than from an experienced instructor who has been there. Jim Cirillo has been there from the foreword by Ray Chapman.
