

Gun Violence

Sebastian Brünink

Gun Violence:

Handbook of Gun Violence Nicholas D Thomson, 2024-10-24 *Handbook of Gun Violence* provides a comprehensive review of the complex world of gun violence. From its roots in epidemiology and public health to the intricacies of biopsychosocial risk factors to criminological and forensic considerations, this book offers an interdisciplinary exploration of a pressing societal issue. Sections cover everything from the history of firearm injury prevention research to the social, political, and policy implications surrounding gun violence. This book focuses on evidence-based strategies and emerging research areas and equips readers with the knowledge needed to navigate the complexities of gun violence prevention, intervention, research, and policy. With contributions from leading experts across various fields, including scientists from the CDC and NIH, this handbook provides invaluable insights into understanding, preventing, and addressing gun violence. Provides an extensive review of gun violence statistics and trends. Examines the biopsychosocial risk and protective factors for violence in youth and adults. Reviews evidence-based intervention and prevention programs for gun violence. Assesses global policies for gun violence prevention and discusses the impact of funding and research on violence prevention.

Gun Violence in American Society Lisa A. Eargle, Ashraf Esmail, 2015-11-17 *Gun Violence in American Society: Crime, Justice, and Public Policy* provides an in-depth multidisciplinary investigation into one of society's major social, public health, and political concerns: death, injury, and destruction from the use of firearms. Contributors employ a variety of theoretical, methodological, and data analysis frameworks to address different gun violence issues. They explore how gun violence is created and perpetuated in society, as well as the various forms and social contexts in which it appears. The impacts of gun violence on different social groups, communities, and social institutions are also delineated. Moreover, possible solutions to gun violence are presented.

50 Debate Prompts for Kids Patrick Daley, Michael S. Dahlie, 2001 Should students get paid for attending school? Is year-round school a good thing? If you find 100, is it yours to keep? Fifty topics kids will want to talk and write about. Reproducible debate sheets include pro and con points to get kids thinking about both sides of the issue.

Gun Violence and Prevention - Connections, Cultures, and Consequences Jack Eller, 2024-06-05 People are dying or suffering all over the world from the plague of gun violence, and countries and entire regions are reeling from the damage, instability, and insecurity that gun violence causes. Taking a global perspective on the problem and identifying correlates such as drug trafficking, gun trafficking, state failure, ethnic and political conflict, terrorism, and war, and the consequent rise of personal fear and insecurity leading to more citizens arming themselves or hiring armed security forces, the chapters in this volume look far beyond the United States, which monopolizes public and scholarly attention, to include India, Latin America, and the Caribbean and Africa. The chapters explore and compare histories, causes, correlates, and responses to gun violence across this broad region, predominantly in the Global South, identifying commonalities and differences in the character, incidence, and attempted prevention of gun violence. The volume aims to inform readers about gun violence in these often

overlooked places and to encourage intensified quantitative and qualitative research into the geographical and historical diversity of such violence and the steps taken by various countries to curb it Only with a cross cultural and transhistorical perspective can we hope to lower the personal and social cost that gun violence inflicts on populations around the globe

Coping with Gun Violence Tiffanie Drayton, 2018-12-15 Every year millions of people in the United States are affected by the horrors of gun violence Thousands of lives are cut short and many more face life threatening injuries or are forced to bear witness to the frightening effects of gun related violence It s common to experience shock confusion and pain after being exposed to gun violence This comprehensive yet compassionate text offers an in depth look at how gun violence impacts different communities and provides advice for coping with the indelible mark it leaves It also empowers readers to make their communities safer by joining the fight to end gun violence

Why We Are Losing the War on Gun Violence in the United States Marie Crandall, Stephanie Bonne, Jennifer Bronson, Woodie Kessel, 2020-12-09 This edited collection of data and perspectives takes a fresh approach to gun violence prevention by addressing the question why are we losing the war on gun violence in America Although successes and failures in the prevention of gun violence are examined it is a war we are losing due to restrictions on research funding entrenched historical perspectives structural violence and perhaps differing priorities or views on what is right or wrong Gun violence is a public health crisis It remains politicized and has been paralyzed with inaction In the chapters the authors write candidly about the challenges that have thwarted gun violence prevention as well as highlight possible strategies for progress to save lives Critical areas explored among the chapters include Gun Violence Structural Violence and Social Justice School Shootings Creating Safer Schools Mental Illness and Gun Violence Understanding the Political Divide in Gun Policy Support The Second Amendment and the War on Guns The Impact of Policy and Law Enforcement Strategies on Reducing Gun Violence in America Youth Gun Violence Prevention Organizing Smart Guns Don t Kill People With this compendium the editors and authors hope to bridge the growing gap between groups or ideologies and create common ground to discuss workable solutions Why We Are Losing the War on Gun Violence in the United States is essential reading for a broad audience including practitioners academics researchers students policy makers and other professionals in public health behavioral sciences including social work and psychology social sciences health sciences public policy political science and law as well as any readers interested in the path to decreasing gun violence in America

Reducing Gun Violence in America Daniel W. Webster, Jon S. Vernick, 2013-01-28 Outstanding Academic Title Choice Magazine The staggering toll of gun violence which claims 31 000 U S lives each year is an urgent public health issue that demands an effective evidence based policy response The Johns Hopkins University convened more than 20 of the world s leading experts on gun violence and policy to summarize relevant research and recommend policies that are both constitutional and have broad public support Collected for the first time in one volume this reliable empirical research and legal analysis will help lawmakers opinion leaders and concerned citizens identify policy changes to address mass shootings

along with the less publicized gun violence that takes an average of 80 lives every day Selected recommendations include Background checks Establish a universal background check system for all persons purchasing a firearm from any seller High risk individuals Expand the set of conditions that disqualify an individual from legally purchasing a firearm Mental health Focus federal restrictions on gun purchases by persons with serious mental illness on the dangerousness of the individual Trafficking and dealer licensing Appoint a permanent director to ATF and provide the agency with the authority to develop a range of sanctions for gun dealers who violate gun sales or other laws Personalized guns Provide financial incentives to states to mandate childproof or personalized guns Assault weapons and high capacity magazines Ban the future sale of assault weapons and the future sale and possession of large capacity ammunition magazines Research funds Provide adequate federal funds to the Centers for Disease Control and Prevention National Institutes of Health and National Institute of Justice for research into the causes and solutions of gun violence The book includes an analysis of the constitutionality of many recommended policies and data from a national public opinion poll that reflects support among the majority of Americans including gun owners for stronger gun policies

Gun Violence in America Alexander DeConde, 2003 An in depth analysis of the folklore surrounding gun use and the state of the debate in today's political climate

Guns in American Society Gregg Lee Carter, 2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of *Guns in American Society: An Encyclopedia of History Politics Culture and the Law* was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of *Guns in American Society* is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters

Adolescent Gun Violence Prevention Nancy A. Dodson, 2021-10-29 Each year gun violence kills approximately 2 700 and injures approximately 14 500 children in the U S the overwhelming majority of child gun deaths are among teenagers who die by homicide or suicide Gun violence is the leading cause of death for Black teens A recent spate of high profile tragedies involving children such as the Newtown mass shooting in 2012 and the Parkland mass shooting in 2018 have reinvigorated a national debate about the role of guns in our private and public spaces Physicians and in particular pediatricians have become increasingly vocal about the need to address the epidemic of gun violence in the U S

This book serves as an in depth comprehensive guide to adolescent gun violence prevention It describes the epidemiology of teen gun violence in the U S by focusing on the parallel epidemics that claim the most lives gun suicide among rural white males and gun homicide among urban Black males It offers in depth reviews of key concepts that are crucial to reaching a meaningful understanding of gun violence The text also addresses specific methods of intervention at various levels of society from the individual to the local community and finally to the entire nation This first of its kind book is a valuable reference for physicians public health scientists policy makers gun reform advocates and anyone interested in working towards a safer future for young people

Analysis of the Second Amendment & the Crisis of Gun Violence: an Essay Tim I.

Peace,2018-03-01 THE SECOND IT WAS AMENDED IN 1791 Thomas Jefferson as Secretary of State certified the Bill of Rights But what were the events that culminated into that second it was incorporated into the constitution In other words what were the prevailing thoughts of that epoch that lead to the enactment of a law as contentious as the Second Amendment And furthermore what is the greater implication of this The then embryo nation was conceived in an era of vociferous noises of what it meant for a man to be free This movement is a peculiar one in the Enlightenment era However must we bear and keep arms to enjoy the liberties a liberal society has to offer At the heart of this book is the examination of the ideals of what rights are and the justified efforts to secure them Since the days of Socrates these have been debated Notwithstanding that was eons ago The most important element of all rights enumerated by law or intrinsically endowed is that one mans right must not encroach on anothers rights are not a zero sum game Therefore leaving the Enlightenment time behind and the classical era of Athens philosophy we must now be ready to challenge old assumptions while learning from them and establishing fitting ethos for this generation

Urban Gun Violence Melvin Delgado,2021 Urban Gun Violence

explains the abuse of automatic weapons and identifies way to mitigate this abuse

Gun Violence, Disability and Recovery Cate Buchanan, Editor,2014-01-24 Gun violence intentional self directed or accidental is a profoundly traumatic experience From physical injuries to unseen psychological scars and permanent impairments it irrevocably changes people s lives Gun violence does not just the individual shot or threatened Secondary victimisation also includes relatives friends colleagues caregivers and perhaps controversially perpetrators themselves Gun Violence Disability and Recovery provides the first overview of the rights and needs of survivors of gun violence The collection contains contributions from gun violence survivors trauma surgeons disability rights activists rehabilitation specialists violence prevention and reduction experts development practitioners and gender justice advocates From countries with low resource levels to those already equipped with state of the art rehabilitation centres this innovative publication provides policymakers practitioners government officials and donors with timely analysis on what could be done differently to meet the needs and rights of survivors of gun violence This volume speaks to me both as a government official and as a survivor of gun violence I know first hand how painful the aftermath of such a life changing event can be But I also know it is possible to recover and make a positive

difference in society I hope this book will inspire other survivors to follow this path

Len n Moreno Garc s Vice President Ecuador Little attention has been paid to the fact that for every person killed by gun violence as many as six victims will survive often with severe disabilities The long term physical and psychological damage social and economic impacts can no longer be overlooked Bringing together voices of survivors as well as health medical rehabilitation and legal concerns this book represents a significant step forward outlining key issues for policy practice and intervention It is a must read for anyone concerned about human rights and violence and that should mean all of us

Nora Ellen Groce Director Leonard Cheshire Disability Inclusive Development Centre University College London UK Every year hundreds of thousands of victims of gun violence together with their families experience the real costs of the availability and misuse of arms in our communities For these victims to attain their basic human rights so often denied them we need a better understanding of their predicament challenges and needs Gun Violence Disability and Recovery with its comprehensive overview and analysis will critically inform our efforts to develop and implement better policies and practices to enhance the realisation of the rights of survivors of armed violence including implementation of the Arms Trade Treaty

Espen Barth Eide former Minister of Foreign Affairs Norway The reality of survivors of gun violence my reality is so often lost in narrow political and economic interests This volume gives me hope that attention to life after gun violence will begin to receive long overdue attention and contribute to the long haul effort of improving services for survivors as well as working towards accountability about the arms trade

Shelley Barry filmmaker South Africa International development goals including the Millennium Development Goals will not be achieved if the rights of people with disabilities are not met Through a broad range of case studies and examples from low and middle income countries this book shows us how States could do better Let us hope that its message is heard

As a **An Ethnography of Gun Violence Prevention Activists** Teal Rothschild,2018-10-25 This work builds on established literature that is centered on how the activists see themselves their groups and the national movement promoting gun violence prevention This study focuses on two contemporary social organizations that are working on the state level who view themselves as gun violence prevention advocates Both of these groups are similar in their state focus of advocacy of gun violence prevention in a northeastern state in the United States However the two groups have two distinct memberships missions and hierarchies to carry out the activism Although each organization shares similar visions of long term goals of a reduction of gun violence each prioritizes the path to get there differently Additionally there are some explicit and implicit tensions between the movements that the activists both verbalize and act out at rallies and public events The focus on the conflict between activists within the larger movement of gun violence prevention activists is important but do not necessarily thwart all progress for the cause Rather tension between the groups creates a reassessment of individual group goals and strategies that may be the most essential to advance the cause

How Can Gun Violence be Reduced? Laura K. Egendorf,2002 Many Americans fear they will become the victims of gun violence In this anthology the contributors evaluate

the benefits and drawbacks of several approaches to reducing gun violence Among the topics considered are the Brady Bill personalized weapons and the overall impact of gun control *Dress Rehearsals for Gun Violence* Kjersti VanSlyke-Briggs,Elizabeth A. Bloom,2021-07-01 From voices in the field *Dress Rehearsals for Gun Violence* Confronting Trauma and Anxiety in America s Schools considers how damaging fear and anxiety are for those who are in our schools every day in the United States and living with both the ever present threat of a school shooting and the continuous preparations for one This book examines those impacted directly including not just students and teachers but preservice teachers considering teaching as a profession college professors support staff and librarians This follow up book to A Relentless Threat Scholars Respond to Teens on Weaponized School Violence goes in depth into the human cost of violence by exploring the fear of potential violence in our schools and what may be done to lessen that trauma and anxiety This book includes discussion on the very real impact of false alarms the trauma and anxiety experienced by teachers the risks and benefits of armed shooter training the unique challenges of non classroom spaces using young adult literature as a tool for processing emotions with students and the importance of teaching critical reading skills for evaluating how school shootings are portrayed in the media *Promising Strategies to Reduce Gun Violence* David I. Sheppard,1999 Culmination of a survey and review conducted by a U S Department of Justice Work Group and COSMOS Corporation **Guns in American Society** Jaclyn Schildkraut,Gregg Lee Carter,2022-12-01 The revised third edition of the landmark *Guns in American Society* provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States *Guns in American Society An Encyclopedia of History Politics Culture and the Law* is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in America past and present The encyclopedia draws on a vast array of research in criminology history law medicine politics and social science It covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns Many of these entries place the topics in both historical and cross cultural perspective **Promising strategies to reduce gun violence report** , Annual Report to Congress on Initiatives Funded by the Bureau of Justice Assistance United States. Bureau of Justice Assistance,

Decoding **Gun Violence**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Gun Violence**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
