## Gunfights Ret:

**The Gunfighters** Bryan Burrough, 2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of *The Big Rich* and *Forget the Alamo* comes an epic reconsideration of the time and place that spawned America's most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there's much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It's never stopped *The Gunfighters* brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story *Gunfighters* Al Cimino, 2016-08-24 Delve into the world of the Wild West and the gunslingers that populated its dusty towns and saloons *Gunfights & Gunfighters* Gordon A. Hunsaker, 2010-03-02 Amid the backdrop of World War II race riots and police corruption a white police officer in Phoenix Arizona guns down an on duty black cop from his same department The community's residents pick sides and while the second trial ends in an acquittal the battle isn't over The detective Frenchy Navarre returns to duty but is shot dead when he encounters Officer Joe Davis the slain officer's partner This is just one of the fascinating tales told by Gordon A Hunsaker who also recalls Surviving his youth on the streets of Los Angeles Fighting in the jungles of Southeast Asia during the Vietnam War A series of stories that cops normally only tell each other Piloting helicopters and airplanes while on the job Battling his toughest opponent cancer And much more This compilation of musings observations and police lore is insightful thought

provoking and at times just darn spooky Any Arizona resident law enforcement officer or lover of history will be thrilled to enter the exciting world of Gunfights Gunfighters

**Brotherhood of the Gun** William W. Johnstone, 2018-06-26 The blood brothers take to the badlands in a gun blazing Western adventure from the New York Times bestselling author of the Preacher novels Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the warrior's life forging a bond no one could ever break And as years passed a legend grew of the Cheyenne and the white man who rode together and who could jerk killing iron with the best of them Brotherhood of the Gun The blood brothers ride into the blistering heat and wind of the Arizona badlands They're hard on a trail that leads deep into Apache territory toward the Mexican border where a gang of desperados are running guns to the Apache and white slaving kidnapped children Along the way Matt and Sam hook up with two companions a prideful mountain man who lost his granddaughter in a raid and a young woman in search of her brother Now with outlaws ahead of them and warring Apaches on every side it's time for some hard case frontier justice along a trail blazed by bullets and lined with bodies Live Free Read Hard Praise for the novels of William W Johnstone A rousing two fisted saga of the growing American frontier Publishers Weekly on Eyes of Eagles There's plenty of gunplay and fast paced action as this old time hero proves again that a steady eye and quick reflexes are the keys to survival on the Western frontier Curled Up with a Good Book on Dead Before Sundown

**Gunfighter** Mark Howard Medoff, 2003 THE STORY Based on the true life story of Lt Col Ralph Hayles U S Army retired GUNFIGHTER A GULF WAR CHRONICLE tells the story of an Apache attack helicopter pilot whose career and life are changed by a tragic friendly fire incident during

*Gunfighters Rule!* William Dunn, 2024-11-04 Gunfighters Rule tells the story of a boy destined to become a United States Marine After the death of his father he overcame multiple adversities to achieve his dream of becoming a pilot During his decades of service to our nation he would face additional challenges Following his life's story you will see the trials and tribulations of a family destroyed by tragedies disillusionment by the institution and a battle against an internal adversary Gunfighters Rule is about resilience and determination

**Encyclopedia of Western Gunfighters** Bill O'Neal, 1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who's who of the violent West

**Arizona** Capstone Press Geography Department, 2000-09 Provides an overview of the state of Arizona covering its history geography economy people and points of interest

*Untold Story of the Best Gunfighters in Deadwood* Dale R. Lincoln, 2023-04-29 This book is about two unknown gunfighters Herman John The Colorado Kid Tomlin and Howard Price The Utah Kid Tomlin who became the world's best and fastest gunfighters It tells about their adventures while traveling on a wagon train from Illinois to Colorado They both panned for gold on Clear Creek near Black Hawk Colorado In the 1st Colorado Cavalry Regiment they fought in Indian wars against the Chiricahua Apache Were gold guards on a stage from Deadwood South Dakota to First National Bank in Denver Colorado They were deputies in Deadwood South Dakota They were doing show performances in Buffalo Bill's Wild West Show When

they walked the streets or came to town they never looked for trouble but if you back them in a corner with their lightning speed of fast draw and fire you were dead before you could blink an eye      *Wild Bill Hickok, Gunfighter* Joseph G. Rosa, 2003

James Butler Hickok generally called Wild Bill epitomized the archetypal gunfighter that half man half myth that became the heir to the mystique of the duelist when that method of resolving differences waned Easy access to a gun and whiskey coupled with gambling was the cause of most gunfights few of which bore any resemblance to the gentlemanly duel of earlier times Hickok's gunfights were unusual in that most of them were fair fights not just killings resulting from rage jealousy over a woman or drunkenness And the majority of his encounters were in his role as lawman or as an individual upholding the law from Wild Bill Hickok Gunfighter Wild Bill Hickok 1837 1876 was a Civil War spy and scout Indian fighter gambler and peace officer He was also one of the greatest gunfighters in the West His peers referred to his reflexes as phenomenal and to his skill with a pistol as miraculous In Wild Bill Hickok Gunfighter Joseph G Rosa the world's foremost authority on Hickok provides an informative examination of Hickok's many gunfights Rosa describes the types of guns used by Hickok and illustrates his use of the plains style of quick draw as well as examining other elements of the Hickok legend He even reconsiders the infamous dead man's hand allegedly held by Hickok when he was shot to death at age thirty nine while playing poker Numerous photographs and drawings accompany Rosa's down to earth text      **Tombstone** Sean McLachlan, 2013-06-20

The Gunfight at the OK Corral on 26 October 1881 is one of the most enduring stories of the Old West It led to a series of violent incidents that culminated in the Vendetta Ride in which Wyatt Earp Doc Holliday and several other gunslingers went after their rivals the Cowboys Like most tales of the Wild West the facts are buried under layers of myth and the line between good guys and bad guys is blurry Wyatt Earp leader of the so called good guys was charged with stealing horses in the Indian Territory in 1870 and jumped bail Becoming a buffalo hunter and gambler he got into several scrapes and earned a reputation as a gunfighter Several times he helped lawmen arrest outlaws but usually his assistance came more because of a personal grudge against the criminal than any real respect for law and order He even got fired from a police job in Wichita for beating up a political rival      **No Duty to Retreat** Richard Maxwell Brown, 1994

In 1865 Wild Bill Hickok killed Dave Tutt in a Missouri public square in the West's first notable walkdown One hundred and twenty nine years later Bernard Goetz shot four threatening young men in a New York subway car Apart from gunfire what do the two events have in common Goetz writes Richard Maxwell Brown was acquitted of wrongdoing in the spirit of a uniquely American view of self defense a view forged in frontier gunfights like Hickok's When faced with a deadly threat we have the right to stand our ground and fight We have no duty to retreat      **John Lee Johnson and the Gunslingers** Conn Hamlett, 2013-08

John Lee Johnson has a way of getting things done but now he needs to get things done on his own 50 000 acre ranch in Texas Two gangs of rustlers have been slowly draining the cattle from his herd and that could spell the end of his livelihood He begins the journey from Ohio back to Texas outfitted with military holsters around his waist holding Navy Colts and two more

stuck in his belt He knows how to use them and use them well Before he can complete the trip however the Union government asks him to arrest two outlaws hiding in the badlands of the nation But Johnson faces more challenges Marilla Urmacher widow of an outland brigand called Indian Melvin concocts a scheme to destroy Johnson She plans to lead the big Texan and his federal deputies into an abandoned town where she has two gangs ready to take them all down Even worse Marilla has also hired two of the best gunslingers in the Southwest and set them waiting at his ranch ready and eager to send the big man to the Promised Land *The Encyclopedia of Lawmen, Outlaws, and Gunfighters* Leon Claire Metz,2002 Standoffs saloons and sunsets spring to mind when one envisions the rough and tumble early days of the American frontier

**Gun Justice** Jason Manning,1999-12-01 Texas John Slaughter was a legendary figure of the Old West indelibly etched into its history as one of the era s greatest heros a lawman and cattle rancher with bravery to burn and the smarts to come out on top even when the odds were stacked against him As lethal as he was with a gun Texas John never asked for any trouble but somehow trouble always had a way of finding him Grazing cattle is where the money is and Slaughter is determined to carve out his own piece of paradise on a San Bernardino ranch But along the way Slaughter will have to fight for what s rightfully his from his run ins with clans of greedy rustlers to his time as Tombstone s tin star and his deadly showdown with the notorious Apache Kid And in the end when the dust has settled they will all learn the same deadly lesson no one walks away from a shootout with Texas John Slaughter *Gunfighter Nation* Richard Slotkin,1998 Examines the ways in which the frontier myth influences American culture and politics drawing on fiction western films and political writing *Gambling Gunfighters of the OldWest* G. R. Williamson,2021-01-09 Most of the gamblers of the Old West got their start and reputations by working the circuit of the Mississippi River boats the railhead cattle towns of Kansas or the boomtowns that popped up around gold or silver mining The gunfighter Ben Thompson got his start by running the Bull s Head Saloon with partner Phil Coe in Ellsworth Kansas Ben s friend Bat Masterson also started his career in the cattle towns of Texas and Kansas In general these legendary gamblers were known as legitimate or that they played a fair game without cheating Truth be told all of them knew the methods employed by the sharps to clean the pockets of the other players at the table They had to know these tricks in order to spot a cheater at their table Did they ever use any of these advantages to increase their odds Probably so but the public s perception of these men was that they ran a square game Hip Pocket History of the Old West Series This compact book that gives concise accounts of odd or little known facets of the American West Historically accurate but told in an easy to read format with just a twist of humor Informative yet entertaining the Hip Pocket History series provides little nuggets without having to wade through a 400 page book of dry academic ostentatiousness

**Quick-Draw Gunfighters** Jeff Savage,2012-01-01 Examines gunfighters in the Wild West including the typical traits and tools of gunfighters infamous outlaws gangs important lawmen and how the gun often ruled the Wild West Provided by publisher *The Ghost of Friar Botod* Ignacio V. Illenberger,2012 **The Six-gun Mystique Sequel** John G. Cawelti,1999

To this structural analysis he adds a new account of the genre's history and its relationship to the myths of the West which have played such an influential role in American history BOOK JACKET
