Gunfire at Purgatory Gate Martin Ryerson,1976 **Purgatory's Shore** Taylor Anderson,2022-08-23 On their way to fight in the Mexican American War a group of American soldiers are swept away to a strange and deadly alternate Earth in this thrilling new adventure set in the world of the New York Times bestselling Destroyermen series The United States 1847 A disparate group of young American soldiers are bound to join General Winfield Scott's campaign against Santa Anna at Veracruz during the Mexican American War They never arrive Or rather they arrive somewhere else The untried idealistic soldiers are mostly replacements really a handful of infantry artillery dragoons and a few mounted riflemen with no unified command And they've been shipwrecked on a terrible different Earth full of monsters and unimaginable enemies Major Lewis Cayce late of the 3rd US Flying Artillery must unite these men to face their fears and myriad threats armed with little more than flintlock muskets a few pieces of artillery and a worldview that spiritually and culturally rebels against virtually everything they encounter It will take extraordinary leadership and a cadre of equally extraordinary men and women to mold frightened troops into an effective force make friends with other peoples the evil Holy Dominion would eradicate and reshape their manifest destiny into a cause they can all believe in and fight for For only together will they have any hope of survival

Purgatory Mount Adam Roberts,2021-02-04 An interstellar craft is decelerating after its century long voyage Its destination is V538 Aurigae a now empty planet dominated by one gigantic megastructure a conical mountain of such height that its summit is high above the atmosphere The ship's crew of five hope to discover how the long departed builders made such a colossal thing and why a space elevator a temple a work of art Its resemblance to the mountain of purgatory lead the crew to call this world Dante In our near future the United States is falling apart A neurotoxin has interfered with the memory function of many of the population leaving them reliant on their phones as makeshift memory prostheses But life goes on For Ottoline Barrag o a regular kid juggling school and her friends and her beehives in the back garden things are about to get very dangerous chased across the north east by competing groups each willing to do whatever it takes to get inside Ottoline's private network and recover the secret inside Purgatory Mount Adam Roberts's first SF novel for three years combines wry space opera and a fast paced thriller in equal measure It is a novel about memory and atonement about exploration and passion and like all of Roberts's novels it's not quite like anything else Shortlisted for the 2021 BSFA award for Best Novel

Purgatory Curve Ernest Francis Schanilec,2004 Two elderly hog farmers who lived close to New Dresden had accumulated substantial wealth They purchased a computer and hired Tom Hastings to help them learn how to use it One of the brothers was killed in a train pickup crash which Hastings witnessed from the sidewalk Some of the people in the area including Hastings didn t believe that the crash was an accident Jolene Hunt a friend of Hastings had emotional ties to the victim An elderly woman s memory divulged deadly information to her which led to gripping adventures The farmer s only known relative an antagonistic nephew used threats and the force of violence to impede Hunt s fight for justice Investigations by local law enforcement were unproductive because of corruption from within **Mexican Fire** Martha Hix,1991-10-01 HE DESPISED HIM As her beloved Mexico teetered on the brink of overthrow by the ruthless dictator Santa Anna beautiful Alejandra Sierra schemed with her countrymen to defeat him They needed a spy from his ranks and who better than Texas soldier of fortune Reece Montgomery It was Alejandra s job to charm the arrogant flaxen haired Reece into helping their cause a job she despised for he was an unscrupulous traitor loyal only to gold But when she felt the fire in his soul and the hunger in his kisses Alejandra found herself cursing her own seduction and her own burning need for his masterful touch HE

ADORED HER Reece Montgomery had his own private reasons for being on General Santa Anna's payroll. Still, he didn't trust the general, and he'd bet the raven-haired beauty who'd come to bribe and seduce him was part of some elaborate trap. Well, Reece didn't plan on falling for it, but then he didn't plan on Alejandra's lips being sweeter than a warm Gulf breeze or her green eyes promising more passion than an erupting volcano. He would not trust her motives, yet he could not deny his blazing desire to bury himself in her fiery Mexican passion.
