Gunluk Notlar 19221925:

Narratives of the History of the Ottoman-Kurdish Bedirhani Family in Imperial and Post-Imperial Contexts

Barbara Henning,2018-04-03 **Kurdish Identity, Islamism, and Ottomanism** Deniz Ekici,2021-03-23 A major common misconception in scholarship on Kurdish journalistic discourses is that Kurdish intellectuals of the late Ottoman period cannot be portrayed as Kurdish nationalists This theory prevails because of the belief that they not only endorsed and promoted Pan Islamism and Ottoman nationalism instead of Kurdish ethnic nationalism but also because they allegedly eschewed political demands and instead concerned themselves with ethno cultural issues to articulate forms of Kurdistan rather than Kurdish nationalism Refuting this underlying misconstruction of the nexus between Pan Islamism Ottomanism and Kurdish nationalism this book argues based on empirical findings that the Kurdish periodicals of the late Ottoman period served as a communicative space in which Kurdish intellectuals negotiated and disseminated an unmistakable form of Kurdish nationalism It claims that hegemonic Ottomanist and Pan Islamist political thought were used in pragmatic ways in the service of burgeoning Kurdish nationalism but were rejected altogether when they were no longer useful to fostering Kurdish nationalism

Kurdish Notables and the Ottoman State Hakan Ozoglu,2012-02-01 Kurdish nationalism remains one of the most critical and explosive problems of the Middle East Despite its importance the topic remains on the margins of Middle East Studies Bringing the study of Kurdish nationalism into the mainstream of Middle East scholarship Hakan zog lu examines the issue in the context of the Ottoman Empire Using a wealth of primary sources including Ottoman and British archives Ottoman Parliamentary minutes memoirs and interviews he focuses on revealing the social political and historical forces behind the emergence and development of Kurdish nationalism Contrary to the assumption that nationalist movements contribute to the collapse of empires the book argues that Kurdish leaders remained loyal to the Ottoman state and only after it became certain that the empire would not recover did Kurdish nationalism emerge and clash with the Kemalist brand of Turkish nationalism
