**Samuel Pepys and the Strange Wrecking of the Gloucester** Nigel Pickford,2023-02-07 A true story of royal intrigue with famed diarist Samuel Pepys as the main protagonist as a fatal shipwreck on the shores of Restoration Britain sparks a mystery that now may finally be solved In 1682 Charles II invited his scandalous younger brother James Duke of York to return from exile and take his rightful place as heir to the throne To celebrate the future king set sail in a fleet of eight ships destined for Edinburgh where he would reunite with his young pregnant wife Yet disaster struck en route somewhere off the Norfolk coast The royal frigate carrying James and his entourage sank causing some two hundred sailors and courtiers to

perish The diarist Samuel Pepys had been asked to sail with James but refused the invitation preferring to travel in one of the other ships Why What did he know that others did not Religious and political tensions were rife in the years leading up to the wreck of the Gloucester James was a Catholic as was his wife and there was a large constituency who wished them dead Plots and conspiracies abounded The Royal Navy was itself in disarray badly equipped and poorly organised Could someone on board be to blame for the sinking either from malice or incompetence Nigel Pickford s compelling account of the catastrophe draws on a richness of historical material including letters diaries and ships logs revealing for the first time the full drama and tragic consequences of a shipwreck that shook Restoration Britain

**Columbine, 20 Years Later and Beyond** Jaclyn Schildkraut, Glenn W. Muschert, 2019-01-17 This powerful retrospective analysis of the 1999 Columbine High School shooting aftermath considers society s response to the attack long term implications of the shooting and the ways in which research and related policy must continue to move forward An indispensable resource for anyone interested in learning about the long term impact of the 1999 Columbine High School shooting Columbine 20 Years Later and Beyond provides a comprehensive look at how the event unfolded what has changed since the attack and how this information can be used to prevent future mass shootings Authors Jaclyn Schildkraut and Glenn Muschert both experts on mass shootings share their broad understanding of this tragedy and its aftermath Columbine became the measuring stick against which all other mass shootings would be compared and this book details with great sensitivity the ensuing changes to school security law enforcement s response to active shooter situations threat assessment practices legislative efforts and media coverage of unfolding situations With delicacy and tact Schildkraut and Muschert help to answer the painful question raised by a stone on the wall of the Columbine Memorial What have we learned

*Terror Post 9/11 and the Media* David L. Altheide, 2009 Throughout the world the mass media are responsible for shaping the form and content of experiences In this book David L. Altheide examines how the mass media including news and popular culture have cast terrorism propaganda and social control post 9 11 Altheide shows how fear works with terrorism to alter discourse social meanings and our sense of being in the world Emphasis is placed on the different institutional interventions and how these particular stories become framed and inform the wider media narratives of terror The author argues that post 9 11 we are witnessing the emergence of new communication formats that not only constitute counter narratives but also shape future communicative experience The text is suitable for scholars and students interested in the ongoing relationship between the media and terror post 9 11

**The River Queen** Stephenia H. McGee, 2023-10-10 River pirates a stolen steamboat and a deadly chase down the Mississippi but falling in love might be the real adventure When river pirates attack and steal his steamboat Emmett Carter barely escapes Rescued and transported to a magnificent world of glitz and showbiz aboard a flashy showboat Emmett is immediately captivated by something more than recovering his lost inheritance The River Queen s beautiful but quirky songbird Anola Flynn the star singer on The River Queen is struggling to keep the business running as attendance dwindles during the 1923

season With her dreams of saving the family legacy and the only life she's ever known slipping away she forges an alliance with Emmett to keep her family afloat Now to outsmart the gangsters chasing them Anola and Emmett must wade through a dark current of deception and betrayal to save not only their dreams but everyone they care about from sinking deeper into the Mississippi River

*Extreme Overvalued Beliefs* Tahir Rahman, 2024 *Extreme Overvalued Beliefs* makes a profound argument that most violent targeted attacks are incorrectly classified as motivated by delusions or obsessions Drawing on exceptionally clear and vivid details of crimes such as the JFK assassination and the January 6th US Capitol attack the monograph illuminates three easily understood cognitive drivers of targeted attacks arguing that we must embrace these in order to thwart future incendiary acts

*The Mass Killer* Gerald Schoenewolf, 2023-08-01 In *The Mass Killer* psychoanalyst Dr Gerald Schoenewolf delivers a groundbreaking exploration of the psychological familial and cultural factors that create mass murderers Through meticulous examination of six notorious cases including Adam Lanza Stephen Paddock and Seung Hui Cho Schoenewolf reveals the hidden patterns and commonalities that connect these individuals beyond their tragic acts Unlike many books on this subject Schoenewolf digs deep into the killers early childhood experiences uncovering how family dysfunction parental neglect and societal forces converged to create individuals who would eventually lash out in devastating violence The author examines the psychological concept of rage stages and how unprocessed trauma and anger evolve into homicidal intent Schoenewolf challenges conventional wisdom about mass shootings arguing that gun access is merely a means not the cause Instead he points to broader cultural deterioration including political polarization shifting family structures and the psychological impact of media violence on vulnerable individuals The book culminates with a thoughtful if challenging discussion of potential preventive measures that address the root causes of these tragedies measures that would require significant social reform but could ultimately stem the rising tide of mass violence in America If you enjoyed *The Anatomy of Violence* *Why Kids Kill* *Inside the Minds of School Shooters* and *The Evil That Men Do* you'll love *The Mass Killer*
