### **Warships Associated with World War II in the Pacific** Harry A. Butowsky,1985      **Why It's OK to Own a Gun**

Ryan W. Davis,2023-09-29 Why It s OK to Own a Gun explores the right to self defense but also looks beyond it to what gun ownership fundamentally means in American life Guns can provide a source of meaning that doesn t depend on how much money you have or how important your job is Guns can offer a sense of shared identity that s not hung up on intellectual credentials or ideological orthodoxy For many responsible gun owners owning a gun is a way of positively reclaiming one s own agency in the world It s true that guns matter to only a minority of Americans but the same could be said for many important political liberties Like freedom of religion and freedom of expression guns should be on the list of basic rights In fact they are as some in America s founding generation anticipated gun rights have offered a bulwark for republican freedom Because there is nothing morally wrong with any of these values owning a gun is OK Key Features Discusses the grounds of the political rights of gun ownership Connects the debate over guns with the sociology of gun ownership Describes genuinely worthwhile features of a way of life that s unfamiliar to many readers Considers empirical and normative aspects of the gun debate Thinks about individual rights in the context of state power

**Gun Violence** Alan J. Reid,2022-08-20 This book uses a philosophy of technology to demonstrate that guns are predisposed for an intentional use making them inherently non neutral artifacts This argument rejects the often cited value neutral thesis and instrumentalist view that guns don t kill people people kill people and instead explains the lethality of the gun through the lenses of affordance theory behavioral design and choice architecture Ultimately this book proposes an ethical and value sensitive model for gun reform which embodies the perspective of French philosopher Bruno Latour who said You are different with a gun in your hand the gun is different with you holding it *Principles and Acts of the Revolution in America: Or, An Attempt to Collect and Preserve Some of the Speeches, Orations, & Proceedings, with Sketches and Remarks on Men and Things, and Other Fugitive Or Neglected Pieces, Belonging to the Men of the Revolutionary Period in the United States ...* Hezekiah Niles,1822 [History of Southwest Virginia, 1746-1786](#) Lewis Preston Summers,1903 [McCook Field Gun](#)
