Guns Of The Lawless:

Guns of the Lawless Todhunter Ballard,1956 **Guns of the Lawless** Jack Borg,1962 **Diabolos Darkness** Aaron Ziegler,2020-01-21 Zen van Nihil and the Shadow Society of Shadow Knights Chaos Magi Nightwatch Deathwatch and Keepers of Secret wage war against an Multiversal Great Old One known as Diabolos Darkness which through it eldritch entropy is devouring worlds into the desperation of darkness where aberrations and monsters roam and lawless anarchy reigns among the sentient individuals as all of creation depends on the Shadow Society **Cumulative Paperback Index, 1939-1959** R. Reginald,2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin **Firepower** Matthew J. Lacombe,2023-05-09 Firepower explores how the NRA gradually transformed itself from a relatively small organization with close ties to the federal government and a mission dedicated to marksmanship competitive shooting and military preparedness to what it is today A political juggernaut that pushes a right wing populist world view and enjoys a prominent position in the Republican Party coalition As Lacombe shows NRA members and supporters participate in politics at unusually high rates and have for decades successful opposing gun regulations despite the shockingly high rates of gun violence in the U S relative to other countries and deep durable public support for stricter rules on gun ownership Understanding how and why this came to be can not only teach us about the evolution of one of the most influential interest groups operating today but can also shed light on how interest groups more generally can marshal the political behavior of their supporters over time in order to build and exercise power Most of the work done on interest group influence focuses on behind the scenes tactics such as lobbying and campaign support Yet this is not the source of the NRA s power Instead it is the group s ability to shape the political outlooks of its supporters on behalf of its agenda The NRA has done this by creating a gun owner culture and social identity that mobilizes individuals to engage in various forms of political participation and by linking gun rights to other political issues generating a broader political ideology Drawing on almost a century of archival data Lacombe illuminates the NRA s identity and ideology building efforts in fine grained historical detail ultimately showing how the group came to align with the Republican Party and considering the causes and consequences of the NRA s increasingly deep relationship with the GOP in the age of Donald Trump [The World of Horrotica](#) David Edward Collier,2013-09-05 THE APOCALYPSE CODEX PROPHEZIES THE COMING OF THE APOCALYPSE UNLESS OF COURSE THE UNDERGROUND APOCALYPSE RESISTANCE CAN PREVENT THE APOCALYPSE FROM HAPPENING HOWEVER IN THE TRICKY PROCESS OF TRYING TO PREVENT THE APOCALYPSE THE APOCALYPSE RESISTANCE INSTEAD CAUSES THE APOCALYPSE TO BEGIN IS THE ZOMBIE DOOMSDAY UPON US IN SHADOW OF
