Richly detailed full color photographs of submerged wrecks and their lost cargoes and treasures offer a unique eyewitness view of ships and the lives of those who sailed them. See the beautifully preserved figurehead of the Hamilton wreck, the five hundred year old elephant's tusk recovered from the bottom of the ocean and scissors that still cut paper and cloth after two hundred years beneath the sea. Learn how the wreck of the Mary Rose was raised from the seabed, why Grace Darling became a hero, how a deck seat converts into a lifeboat, how shipwrecks are located and different preservation techniques used by underwater archaeologists. Discover what caused the unsinkable Titanic to sink, the use of the giant light bulb harmonicas that still play after one hundred years underwater, the hazards faced by ships at sea and much much more. Discover the world of shipwrecks and an amazing wealth of undersea treasures and secrets with Eyewitness Shipwreck.      **The Sailor's**

**Sea-book** James Greenwood, 1850      **Resonance** Kenton Kephart, 2020-05-07 In the not too distant future Scott Vause and his diving team run a nonprofit organization called the Meso American Reef Restoration Initiative and Surveillance Association MARRISA. Scott Vause is excited about the newest addition to their fleet, a 16 meter 52ft catamaran of his own design. Unfortunately, he's not the only one who wants his new yacht. And he's afraid it might have something to do with his past that's been haunting him in his nightmares.      **China Sailor** Charles Giezantanner, 2012-06-19 Times are tough in 1938 during the Great Depression when eighteen year old Leslie Charles hears that the navy shipyard in Norfolk Virginia is hiring college students. A talented musician endowed with exceptional math skills, Leslie believes he's a good candidate for work now that he has one year of college under his belt at Mars Hill College in Marsh County Virginia. Leaving his parents, siblings and the rest of his family behind in Asheville North Carolina, Leslie becomes a welder's helper at the yard and soon the lure of the navy snags him. He becomes an enlisted man, endures basic training and begins his journey both as a sailor and as a man. A novel of military fiction, China Sailor narrates the story of Leslie's coming of age, including his life as a sailor, his experiences in China during its civil war and its war with Japan, and his personal relationships with women. It provides a glimpse into this exciting time in history leading up to the start of World War II.      **A Sailor's Tale** E.G. 'Lusko, 2019-05-03 In 1888 a US Navy sailor begins writing letters to his niece. The letters tell her where he is and what ventures he has gotten himself into. His sailor letters are retrospective, written after things happen. He also must tell her how he got to the place in time he started writing. He is educated for the time, trained as a naval navigator, lighthouse repairman and watch repairman. His language is as he would speak to his fellow crew, clipped, as sailors use few G sounds and an apostrophe is used to indicate the word is shortened as they do. He is honest and kind. He is well trained in sword fighting. His enlistment contract is not the standard form. His mother's attorney wrote it. The fleet admiral approved it as he had served with the sailor's uncle. His uncle was a

noted ship navigator shipmaster an author of navy lore and now provided ocean metrological data to the naval observatory He has carried this on His early experiences involve train travel to San Francisco The ship charts the then Northwest Territory and the Alaskan coast His group verifies charts of the Missouri River Mostly his ship supplies food provisions to navy frigates in the Mediterranean and the Caribbean *The boy's own sea stories; the adventures of a sailor, narrated by himself* Boy,1880 **The Sailor's Magazine, and Naval Journal** ,1835 **The Sailor's Horn-book for the Law of Storms ...** Henry Piddington,1860 *A Sailor's Story.
