### **Vengeance Of The Mountain Man**

William W. Johnstone, 2016-02-23 Some people don't know when to leave bad enough alone. A gritty action-packed Western in the New York Times bestselling series, Smoke Jensen had all but forgotten the vicious young gunfighter who called himself Sundance. Smoke had hoped to teach that twisted kid a lesson by shooting off his ear. But the lesson didn't take. Now, after years on the run, Sundance's ravenous hunger for revenge has pushed him over the edge. He's gathered a gang of the worst robbing, pillaging, raping scum from the Texas-Mexico border and is heading for the Sugarloaf ranch with the fool idea of nailing Smoke Jensen's hide to the wall. The problem for him is that Smoke Jensen doesn't believe in second chances. **Iced**

Stephen Schneider, 2009-12-09 You're lucky he didn't have an ice pick in his hands. I know how this guy performs. Mobster Paul Volpe speaking about a Buffalo mafia enforcer named Cicci Canada, is lauded the world over as a law-abiding, peaceful country, a shining example to all nations. Such a view, also shared by most Canadians, is typically naive and misinformed. Throughout its history to present day and beyond, Canada has been and will continue to be home to criminals and crime organizations that are brilliant at finding ways to make money, a lot of money illegally. **Iced: The Story of Organized Crime in Canada** is a remarkable parallel history to the one generally accepted and taught in our schools. Organized crime has had a significant impact on the shaping of this country and the lives of its people. The most violent and thuggish outlaw motorcycle gangs like Hells Angels have been raised to mythic proportions. The families who owned distilleries during Prohibition, such as the Bronfmans, built vast fortunes that today are vested in corporate holdings. The mafia in Montreal created and controlled the largest heroin and cocaine smuggling empire in the world, feeding the insatiable appetite of our American neighbours. Today, gangs are laying waste to the streets of Vancouver and BC, bud flows into the U.S. as the marijuana of choice. Organized crime is as old as this nation's founding, with pirates ravaging the east coast even as hired guns by colonial governments. Since our nation's earliest times, government and crime groups have found that collusion can have its mutual benefits. Comprehensive, informative and entertaining as you will discover in the remarkable period pieces devised by the author and the illustrations commissioned specially for this book, **Iced** is a romp across the nation and across the centuries. In these pages, you will meet crime groups that are at once sordid and inept yet resourceful entrepreneurs and self-proclaimed champions of the underdog who operate in full sight of their communities and the law. This is the definitive book on organized crime in Canada and a unique contribution to our understanding of Canadian history. **Gunslick Mountain** Nelson Coral Nye, 1943

**Pride of the Mountain Man** William W. Johnstone, 1998 A seemingly easy job turns into a deadly battle when Smoke Jensen arrives in a town under siege by the ruthless Bloody Bill Anderson and his gang of sadistic killers, but the outlaws are no match for Smoke's twin Colts.
