Contesting Identities Aaron Baker, 2003 Publisher s description Since the earliest days of the silent era American filmmakers have been drawn to the visual spectacles of sports and their compelling narratives of conflict triumph and individual achievement In *Contesting Identities* Aaron Baker examines how these cinematic representations of sports and athletes have evolved over time from *The Pinch Hitter* and *Buster Keaton s College* to *White Men Can t Jump* *Jerry Maguire* and *Girlfight* He focuses on how identities have been constructed and transcended in American society since the early twentieth century Whether depicting team or individual sports these films return to that most American of themes the master narrative of self reliance Baker shows that even as sports films tackle socially constructed identities such as class race ethnicity sexuality and gender they ultimately underscore transcendence of these identities through self reliance In addition to discussing the genre s recurring dramatic tropes from the populist prizefighter to the hot headed rebel to the manly female athlete Baker also looks at the social and cinematic impacts of real life sports figures from Jackie Robinson and Babe Didrikson Zaharias to Muhammad Ali and Michael Jordan **SPIN** , 1998-08 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks **James Tully** Alexander Livingston, 2022-05-30 James Tully s scholarship has profoundly transformed the study of political thought by reconstructing the practice of political theory as a democratising and diversifying dialogue between scholars and citizens Across his writings on topics ranging from the historical origins of property constitutionalism in diverse societies imperialism and globalisation and global citizenship in

an era of climate crisis Tully has developed a participatory mode of political theorising and political change called public philosophy This practice oriented approach to political thought and its active role in the struggles of citizens has posed fundamental challenges to modern political thought and launched new lines of inquiry in the study of constitutionalism democracy and citizenship settler colonialism comparative political theory nonviolence and ecological sustainability James Tully To Think and Act Differently collects classic contemporary and previously unpublished writings from across Tully s four decades of scholarship to shed new light on these dialogues of reciprocal elucidation with citizens scholars and the history of political thought and the ways Tully has enlarged our understanding of democracy diversity and the task of political theory

C. L. R. James and Creolization Nicole King, 2011-01-03 C L R James 1901 1989 one of the most important intellectuals of the twentieth century expressed his postcolonial and socialist philosophies in fiction speeches essays and book length scholarly discourses However the majority of academic attention given to James keeps the diverse mediums of James s writing separate focuses on his work as a political theorist and subordinates his role as a fiction writer This book however seeks to change such an approach to studying James Defining creolization as a process by which European African Amerindian Asian and American cultures are amalgamated to form new hybrid identities and cultures Nicole King uses this process as a means to understanding James s work and life She argues that throughout his career whether writing a short story or a political history James articulated his attempt to produce revolutionary radical discourses with a consistent methodology James a Trinidad born scholar who migrated to England and then to the United States and who described himself both as a black radical and a Victorian intellectual serves as a definitive model of creolization King argues that James s writings also fit the model of creolization for each is influenced by diverse types of discourses James rarely wrote from within the confines of a single discipline instead choosing to make the layers of history literature philosophy and political theory coalesce in order to make his point As his West Indian and Western European influences converge in his work and life he creates texts that are difficult to confine to a specific category or discipline No matter which writerly medium he uses James was preoccupied with how to represent the individual personality and at the same time represent the community The C L R James that emerges from King s study is a man made more compelling and more human because of his complicated multilayered and sometimes contradictory allegiances
