**Dying to Tell You** Michael Hunter, 2021-11-19 Jesus tells us that if one desires to be his disciple they must deny himself and take up his cross and follow me Mark 8:34 But what does it mean to take up your cross and how can we do this The apostle Paul said that he desired to know nothing except Jesus Christ and him crucified 1 Corinthians 2:2 and elsewhere even claimed to have been crucified with Christ Galatians 2:20 How can one join Paul and know Jesus in his Crucifixion The

answer is to take Jesus at his word From the cross Jesus spoke seven times These sayings summarize the gospel and explain how we can know him in his Crucifixion On the cross Jesus was literally Dying to Tell You how his death fulfilled God's eternal plan for our redemption Unlike other studies of the last sayings of Jesus from the cross Dying to Tell You takes a new approach and views the sayings together as a whole revealing how together they form the foundation to understanding the gospel of Jesus Originally motivated to seek a resolution to the dilemma of which saying is the last both Luke and John appear to report the last saying Dying to Tell You establishes a new order for the sayings based on a detailed examination and integration of the four Crucifixion narratives contained in the Gospels While each saying is individually examined rather than handling them as isolated statements Dying to Tell You demonstrates how these sayings comprise the final message of Jesus his sermon on the cross Along the way Dying to Tell You also provides assurance that the Bible can be trusted and is a historically accurate resource demonstrates that the cross is the centerpiece of redemptive history and illustrates how Jesus and the Crucifixion serve to fulfill the scriptures and provide for the salvation of mankind Dying to Tell You is nothing less than one disciple's spiritual awakening and quest to know Jesus Christ and him crucified through the sayings he made from the cross and gospel they proclaim

*The Controversial Jesus and the Critics* Arthur Paterson Lee, 2001 Written as a response to the recent proliferation of historical Jesus books and TV documentaries *The Controversial Jesus and the Critics* interacts with some of the most vocal and media savvy skeptics of the historic and biblical portrait of Jesus Christ Alleged challenges to the church such as the discovery of Dead Sea Scrolls and theories about the place of Paul in the early church are evaluated and critiqued from an informed evangelical perspective with fairness and accuracy This book is a helpful resource for thoughtful Christians attempting to discern what is fact and what is fiction in the debates over the origins of Christianity and its relationship to ancient and modern Judaism *The Controversial Jesus and the Critics* combines scholarly response with a pastor's appeal It focuses on the narrow issue of history but also ranges more widely to broader issues facing the churches It is an apologetic of a holistic sort It engages a broader sweep of human concerns Clark H Pinnock

Arthur Paterson Lee is a graduate of the University of Edinburgh and of New College He has pastored churches on both sides of the Atlantic During his ten years of Ministry at Tremont Baptist Church in Boston Massachusetts he received a honorary doctorate from Gordon Conwell Theological Seminary Most recently he has served as interim minister at Yorkminster Park Baptist Church in Toronto Canada He has been described as a scholar with a pastor's heart

**The Debaters of This Age** Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well

supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time

**The Uniqueness of the Bible** Larry Siekawitch,2015-12-09 How do we know what is true about God and religion Ultimately this question boils down to whether we consider our supreme authority to be tradition or revelation In The Uniqueness of the Bible author Dr Larry Siekawitch explains that self and tradition fail as final arbiters of truth because humans are both finite and sinful incapable of supplying truth without error But if God has revealed His truth by revelation in such a way that is completely trustworthy and without error then that revelation is the obvious candidate for supreme authority because it is God Himself speaking God has revealed Himself and His ways in the Bible but how can we convince Jews Muslims Catholics and Mormons of this wonderful fact We do so by simply showing them the uniqueness of the Bible and convincing them of Gods ultimate authority This study deals with the Hebrew Scriptures and demonstrates how reliable and miraculous they are It then compares the Bible to the Koran particularly focusing on the New Testament and its amazing supernatural nature Finally The Uniqueness of the Bible examines Roman Catholicisms exaltation of tradition to equality with Scripture and the Mormon addition of the Book of Mormon This study seeks to present convincing evidence in order to help people see the superiority of the Bible to all other means of discovering spiritual truth
