Preaching Eyes for Listening Ears J. Will Ormond, 1999 This outstanding collection of

sermons by one of the century's master preachers combines Will Ormond's distinctive style with commentary by noted scholar and former Academy of Homiletics president Lucy Rose. It's a classic text for students of preaching. **A Passion Rising** Rachel Vanderwood, 2023-08-04 For as long as he can remember Father Julien has been unable to settle his restless spirit. His passion for Christ allows him the intuition to know that he will one day be called to act, but when and under what circumstance? Through his journey he is surrounded by signs, people and places he feels compelled to protect, yet still he is unable to see the answers that await him. In his struggle to learn his purpose he desperately calls for a message to be sent to lead him on his way in search of the only being on earth who will bring light to the man he is supposed to be. **Unveiling Final Jesus** Dean Knudsen, 2009-07 In terms of the written canon of Scripture the Book of Revelation is God's last word. Common logic would seem to dictate that a God who is intelligent, reasonable and articulate would speak last words that would be easily understood by the vast majority of His audience. Unfortunately in the case of The Revelation the reality is quite different. For most of the last two millennia of Church history Christians have fussed and fought metaphorically if not physically over the intent, intelligibility and interpretation of The Revelation. What was given as a source of encouragement, unity and hope has become a cause of discouragement, division and fear. In this book the author presents a series of portraits of Jesus Christ which are revealed in the successive apocalyptic visions contained in the Book of Revelation. These visions were not given to stir fear or confusion but to inspire hope and to give courage to a young Church, a Church that was struggling with the harsh realities of living according to the teachings of Christ in the midst of a decidedly non-Christian world. The author claims that Jesus is the focal point and central figure of this mysterious and final book of the Bible. In this manner he seeks to make the message of Revelation relevant and reasonable to every reader. **Changed Lives** Jody Eldred, 2004 Mel Gibson's film *The Passion of the Christ* and its powerful portrayal of Jesus' sacrifice are profoundly changing lives. This book captures some of the thousands of incredible stories recounted by the people who experienced them in their own words. **The North American Magazine**, 1833 **The Independent**, 1900 **Lyrical Iowa**, 1989 **Year with American Saints**, Here in a single volume G. Scott Cady and Christopher L. Webber have profiled a broad and inclusive cross section of American pilgrims of the faith, some very famous, others less well known, men and women from all periods of America's history and all major Christian faith traditions. From the pre-revolutionary era to the twentieth century their accomplishments and spiritual journeys are examples of perseverance, courage and holiness. From Robert Hunt, first chaplain of the Jamestown colony in Virginia who gave pastoral care and support to settlers who were far from home and struggling with disease and hardship to Rosa Parks whose quiet, dignified resistance to segregation signaled a dramatic change in the Civil Rights movement. *A Year with American Saints* encompasses the joy and drama of the Christian story in America. While entries have been arranged to provide historical and chronological variety, a handy calendar guide allows the reader to remember individuals on their birthdays or death dates. With one profile and related writing or saying for every day of the

year A Year with American Saints is destined to become a classic an ideal volume for individual use as part of a daily reading and prayer regimen and a rich source of sermon material for preachers The Independent Leonard Bacon, Joseph Parrish Thompson, Richard Salter Storrs, Joshua Leavitt, Henry Ward Beecher, Theodore Tilton, Henry Chandler Bowen, William Hayes Ward, Hamilton Holt, Fabian Franklin, Harold de Wolf Fuller, Christian Archibald Herter, 1900 *Goetheanum Series* Rudolf Steiner, 1927 **Portraits of Devotion** Beth Moore, 2014-10-01 From Beth Moore's Personal Reflection Series on the lives of Jesus David John and Paul comes 366 devotional readings to draw you closer to God Experience the life changing bondage breaking power of God's Word each day as you journey through some of the most amazing stories of devotion found in the Bible **Demon Spirit "Persons" Are in Our Children!** Donald R. Evans, 2025-08-05 Demon spirit persons are in our children I know this from my childhood experiences which neither I nor my parents knew because I was possessed by concealed and camouflaged invisible real live demons in my body What the world sees today and what I saw as a child is that children today throughout the entire world are more demonized or demon possessed than ever before performing all kinds of hideous heinous sinister vile and horrific acts that are all demonically controlled more than ever before even against themselves which they have no control over This book relates how children of all ages and genders how demon spirits enter their bodies without their knowledge or the world's knowledge of being demonically controlled nor their parents Some parents are in a similar condition beginning in their childhood and are still demonically controlled today This book Demons Are in Our Children also relates to spiritual revelations about how these invisible spirit persons operate internally and externally through humans of all ages and genders without discrimination This means all humans are vulnerable and susceptible to becoming demonized or demon possessed regardless of a person's Christian values or religious views It's imperative that children at young ages acknowledge that we coexist and cohabit with real live spirit persons who are smarter and highly intelligent and have the ability to enter human bodies to possess them as their own Demon spirits access avenues of entering human bodies through habits of any kind regardless of how small or large which become uncontrollable and allow them to live and perform through those they have entered to harm steal kill or destroy by any means Remember there aren't friendly demons in the world Demons are evil wicked spirit persons who want to possess human bodies to use as their own for their will and purposes and to harm steal kill or destroy lives and families **Without Denomination: A Critique of Church Doctrines** Roy D. Perkins, 2016-01-20 As the subtitle says the book is a critique of denominational church doctrines It is an objective writing as I the author have made every attempt to keep personal biases and subjective thinking out of the writing It deals with denominational churches as to what's right in their doctrines and what's wrong As mentioned 100% of all church doctrines do not line up with the scriptures Some churches come close but no cigar Others are so far out that I cannot fathom why they are called Christian Churches The book discusses a host of contemporary topics which the Bible mentions in detail In addition to man made traditions of all the churches the book tackles taboo topics in the church world

such as abortion alcoholism smoking drugs gambling homosexuality infant baptism Jehovah s Witnesses Mormons Islam Agnosticism Atheism Women in the Church Divorce Interfaith Services The Tribulation Tithing 666 Welfare Social Security Disability and paid salaries for the clergy The book has mostly scriptural references but some non scriptural references too All statements are supported with a Biblical verse s or occasionally with an article or a personal reference The Biblical references are from the King James Version the New International Version or sometimes paraphrased The book flows easily as I used 1 98 words rather than 100 00 words It is written so that the average 12 year old will understand it Although I mention particular denominations I never mention the names of churches or the names of people who were involved in the various scenes of the book The book is an educational and enlightening tool for pastors sermons Bible studies and Sunday School Classes The book s one endeavor is to reveal the truth about Christianity I don t understand why someone else didn t write this book decades ago This book reveals to the readers that their churches and church leaders are not what they claim to be In the book there are some interesting and humorous anecdotes about situations which help to get a point across They are lessons learned This book is meant for Christian readers as well as non believers and for those who are on the fence This book will cause one to think and perhaps reevaluate his or her position on God salvation and what is next after he or she departs this world
