## He Is Coming:

**Jesus - When Is He Coming?** Robert Y. Jackson, 2011-09-21 For many years its been taught almost without contradiction that no one can know when Jesus will return for His church Thats because He spoke of His return saying But of the day and hour no one knows not even the angels in heaven NOR THE SON but only the Father Mark 13 32 That indeed was true at the time Jesus said it however shortly after His resurrection He said something else that changed the situation concerning the knowledge of His return He then said ALL AUTHORITY has been given to Me in heaven and on earth Matthew 28 18 Since Jesus now has ALL AUTHORITY in heaven and earth its inconceivable that He Himself no longer knows when He will come for His church That means Mark 13 32 above was true for ONLY a short time after He said it In I Thessalonians 4 15 17 we have a description of Jesuss return for His church Then Chapter 5 follows acknowledging that unbelievers will indeed have no idea when its about to happen however Verse 4 says But YOU brethren are NOT IN DARKNESS that this day should overtake you as a thief BELIEVERS ARE NOT IN DARKNESS ABOUT WHEN JESUS IS COMING His return doesnt have to be a surprise to His Church Therefore this book examines both Bible prophecies and examples to see when Scripture indicates Jesus will return The first chapter of this book shows from Scripture that also contrary to general teaching there is at least one major prophecy that must still be fulfilled BEFORE Jesus can come **He's Coming Like a Thief** Diane Hastings, 2021-05-18 This book is written to encourage believers and nonbelievers It is to enlighten inspire and bring awareness as well as hope It is a wakeup call to let people everywhere know that Christ is coming soon It is to remind us that we have to prepare ourselves and be ready for his return It is a warning for us to set our spiritual house in order John 14 1 2 says 1 Let not your heart be troubled You believe in God believe also in me 2 In my Father s house are many mansions if it we re not so I would have told you I go to prepare a place for you The Lord is coming back to get his own Be ready when he comes **Citizen Airman** ,1991 *Tales of the Windships* Donald K. Pendleton, 2009-02-05 In the midst of a technological age a strange and menacing phenomenon rains upon the Earth changing people into mindless savages While governments around the globe unite to combat this spreading infection airships of the 1930 s are redesigned and reintroduced to the world Because of the vessel s size and its capability to stay airborne for weeks at a time it is regarded as the next innovation for cruise ship vacation travel industries while environmentalists envision it as a solution to the world s overpopulation problem The windship proves its worth when the stricken become organized and rise up against the world It is then the windship becomes a reckoning force and Earth s only hope for survival **Lust** Victoria Christopher Murray, 2017-02-07 The 7 Deadly Sins series that inspired four Lifetime original movies begins with this unputdownable novel about a woman caught between an entertainment mogul with a shady past and his childhood friend who is out for revenge from the NAACP Image award winner and national bestselling author of The Personal Librarian Is lust a sin Tiffanie has lived a sheltered life in a very strict household with her pastor grandfather and her grandmother in Washington D C But

Comprising six interrelated novels including *Can You Forgive Her?* and *The Prime Minister*, Trollope employs an engaging third-person omniscient narrative style that seamlessly integrates political themes with character introspection. The novels reflect the complexities of the British class system, the evolving role of women, and the tension between personal ambition and social duty, showcasing Trollope's keen observational skills and his understanding of human motivation. Trollope himself was deeply enmeshed in the world of politics and literature, having served in the Post Office while simultaneously crafting his works. His firsthand experience with the political machinations of the time undoubtedly influenced the portrayal of powerful and flawed characters such as Plantagenet Palliser and Glencora. The author's unique perspective allows him to delve into the ethical dilemmas and societal constraints that shape individual destinies, revealing the deeper currents of human experience. *The Palliser Novels* is highly recommended for readers seeking a profound exploration of political intrigue and personal relationships set against a richly detailed historical backdrop. Trollope's sharp wit, complex characters, and insightful social commentary make this series an essential read for both literary enthusiasts and historians alike.
