

HE WALKED AMONG US

A pair of sandals, likely representing the sandals of Jesus, are shown on a dusty, textured path. The sandals are dark with light-colored straps. The path is made of small, light-colored stones or dust, and the overall background of the cover is a similar textured, brownish-gold color.

He Walked Among Us:

He Walked Among Us Josh McDowell, Bill Wilson, 1988 Josh McDowell a defender of the Christian faith meets the challenge with this authoritative volume which examines the issues and provides overwhelming evidence that Jesus is who the Bible says He was Your faith will be strengthened as Josh confronts the critics with the reality of Jesus He Walked Among Us draws on extra biblical sources including the writings of secular rabbis martyrs and early church leaders and New Testament evidence with reference to historical geography archaeology the miracles of Christ and more Discover how the historicity of Christ relates to evangelistic outreach Learn why historical events form the basis of faith in Christ Understand how the evidence for Christ and His Word will build your personal Christian faith As a believer you will find He Walked Among Us an invaluable resource for confronting today's skeptics and your faith will be strengthened as never before If you are considering Christianity this book provides careful documentation that will help you examine the incredible claims that Christ makes upon your life Back cover

He Walked Among Us Norman Spinrad, 2010-03-30 When hack agent Jimmy Tex Balaban discovers Ralf on a Borscht Belt stage his act appears to be a clever joke Ralf claims to be from the future shouting foul mouthed prophecies of where we went wrong And he delivers a harrowing message The world is in chaos Our biosphere has been devastated our air is unbreathable and the final stalwarts of mankind have taken refuge in pressurized shopping malls Humanity clings to the last mediocre vestiges of life on a dead planet that we did not know how to save But it might not be too late Has Ralf returned to the past to awaken our consciences Is he who he says he is or is he insane And if we have one last chance to save the world does any of this matter Then Dexter D Lampkin a fading science fiction writer and Amanda Robin a New Age guru wannabe magnificently transform Ralf into what the world really needs a messenger sent from the future to save us from ourselves Together with Tex they polish Ralf's television persona to captivate America The problem is that Ralf never goes out of character He truly believes he is a prophet

Thornton,2013-04-30 *He Walks with Dragons* takes place when what was what is and what shall be were one in the same Draig a boy on the verge of his manhood is summoned to the

majestic mountain by the Great Ones There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind Born into the naive innocence of ancient man Draig lives a simple pastoral existence in a quiet small village But one day he is flung on a magical journey into a forbidden new world There Draconos a dragon befriends the boy training him in the art of warfare From this day forward the young boy finds himself in awe at the wonders the world holds for him Not only has Draig become a man but he is living like a dragon and learning their mystical powers From the time Man first crawled upon this earth we found him worthy to take his rightful place among the creatures that walk upon the earth While hiding in the shadows we have protected him We have nurtured him all these many ages But now man grows in great numbers and makes war on everything he sees And when the time comes will Draig be willing to lay down his life for the sake of saving the dragons And when the dragons are gone where will he go He is no longer just a man Plays K. G. Bell, 2016-08-18 This volume of plays excites the mind with a smooth unveiling of dramatic tensions full of awesome rhythms The plots are intimate and realistic embracing much fury romance action and intrigue that blend to unfold the gripping stories The volume shows how fate and destiny are intertwined and how Man is helpless to control them The characters are vivid The language is heightened and the problems within the plots are clearly defined The plays are rich powerful and full of symbolism Readers will surely find delight in this volume of plays and be influenced by the playwrights dramatic style

Exiled Pilgrims Peng Deng, 2015-03-10 *Exiled Pilgrims* contains thirty two personal accounts by people who as teenagers went to rural China in 1964 and 1965 Barred from high school or college by political discrimination the authors left the cities for the countryside in hopes of redeeming their original sin while making a difference in rural China with their hard work only to find out that their idealism was futile in a mundane world and absurd time Thus their pilgrimage to an illusory utopia turned into a painful search for truth and a tough struggle to liberate themselves against enormous odds The book is the first and only collection of stories by members of a once marginalized and heretofore largely unheard of group in contemporary China The stories of these young exiled pilgrims bring the reader uplifting examples of the resilience of the human spirit Their stories are heart breaking but the voice is never cynical and hope is a constant *Exiled Pilgrims* is a treasure Carole Head High Point University The stories compiled here detail the daily life of a strange and fascinating period always with emotion often with humor showing that one can speak about serious things without being dry Reading this book is an excellent and pleasant way to understand the real China under Mao Michel Bonnin School for Advanced Studies in Social Sciences Paris These individualized accounts reflect the shining and somewhat sad lives of pre Cultural Revolution zhiqing In their stories the authors not only record their personal experiences but also provide insightful explanation for the origins evolution and impact of such phenomena as the implementation of the class line at schools and the utopian orientation among the Chinese youth in the early and mid 1960s Together with the valuable photos and rare documents stories in *Exiled Pilgrims* give us a fairly comprehensive portrayal of the collective journey of pre Cultural Revolution zhiqing Liu Xiaomeng
