Head Of State:

Head of State Immunity United States. Congress. House. Committee on Banking, Finance, and Urban Affairs, 1994

Head of State Immunity under the Malabo Protocol Kobina Egyir Daniel, 2021-09-20 In Head of State Immunity under the Malabo Protocol Triumph of Impunity over Accountability Kobina Egyir Daniel engages the subject of Head of State Immunity in international law against the backdrop of the African Union AU's decision to create a Court with international criminal jurisdiction before which Heads of State or persons entitled to act in such capacity will have immunity during incumbency The AU asserts in justification not only that it is standing up for itself against neo colonialist imperialist forces which have perverted international criminal justice and target African States through the International Criminal Court ICC but also that it is preserving the very soul of international criminal justice as well as customary international law on immunities Beyond the analysis to determine whether the immunity that the AU's Malabo Protocol of 2014 confers represents a retrogression in international law norms that seek accountability for jus cogens crimes Daniel provides valuable insights into the status inspired dialectics and self serving hero villain polemics that fuel contestations of right between the AU and the ICC and the worldviews that respectively seek to overturn preserve the asymmetry of the international legal order Through a review of legal history case law from national and international tribunals state practice and academic expositions the book examines the evolution and practice of Head of State immunity as well as recent trends in the practice of the doctrine in light of the countervailing push to establish exceptions to immunity in order to ensure accountability under international human rights and international criminal law

2022 The Head of State's Newsletter, The Balance of Power V.4 MARCH 26 The Head of State's Newsletter, The Balance of Power®, 2022-03-04 Editor's opinion The pact of diplomatic silence The welfare of the majority of the population must be the objective of the entire Executive of the Government and of the private sector because when this is not the case the People suffer and live kidnapped and in the end will always be freed from all chains especially the chains imposed by the harshness of poverty bad decisions and bad social policies One cannot call a true leader an individual whose merit is the oppression and destruction of his own People or of the People he exploits with impunity that is why corruption impunity and violence are a scourge for the progress and economic development of any Country and those who call themselves leaders or pretend to be leaders should take a good look in the mirror and conclude with the truth and not deceive themselves or others It is a serious mistake to want to establish a culture of mediocrity in which the important thing is to participate

2022 The Head of State's Newsletter, The Balance of Power V.1 JANUARY 3 The Head of State's Newsletter, The Balance of Power ©, 2022-01-03 Let us also consider that every leader and ruler who rises from among the masses of citizens are people who wish to do good to the best of their ability as the main right to exercise in their task of deciding on the things that matter most to the masses This reasoning of consideration is the main line of thought and expression of this written remedy which are these lines Let us consider that the leaders of today's

governments are responsible people who are little appreciated considered and understood by the masses and yet elected by their groups and parties to represent them before the world and of course to govern them Let s definitely consider that the true history of the world will be told with the evidence of truthfulness and not the constant lies and this Newsletter is for the leaders of today and tomorrow **2022 The Head of State´s Newsletter, The Balance of Power V.2 JANUARY 6** The

Head of State´s Newsletter, The Balance of Power©,2022-01-06 The miracle of honey and other businesses of the future today From the use of beehive and honey extracts for new treatments for skin recovery and rejuvenation to the most daring anti cancer proposals the truth is that honey is not only sweet and appetizing in all its forms and derivatives First of all we are talking about the only natural product that does not expire wear out or oxidize with the passage of time or contact with the elements in the atmosphere or in the air something very important to take into account in new areas of research and development as in the case of space travel Honey does not need refrigeration never spoils and can also be stored unopened at room temperature in a dry place And except for allergy sufferers everyone likes honey and it is a business sector that is being encouraged by many countries motivated to develop their production in this interesting sector within the agri food industry Read more *Address by His Excellency Lt. Col. C. The Identity of Governments in International Law Niko Pavlopoulos,2024-03-13 The Identity of Governments in International Law provides a comprehensive account of the international legal regulation of governmental status It examines the fundamental conceptual aspects of the government of a state in international law before analysing the law concerning the recognition of governments and the criteria for governmental status under customary international law It also explores matters concerning the identity of governments in the context of international organizations Presenting the positive international legal framework concerning the regulation of governmental status the book engages extensively with historical and contemporary examples such as the rival governments of Cambodia 1970 75 1979 89 1997 98 the recognition of the Taliban 1996 2001 and again beginning in 2021 and the contested identity of Venezuela s president beginning in 2019 Given the pre eminence of states in international law and the importance of governments to the representation of states the systematic examination of practice grounded in solid conceptual foundations renders this book a useful reference point for scholars and practitioners in all fields of international law and beyond **Biographic Register of the Department of State** United States. Department of State,1948 **The United Nations Convention on Jurisdictional Immunities of States and Their Property** Roger O'Keefe,Christian J. Tams,Antonios Tzanakopoulos,2013-03-21 State immunity the idea that a state including its individual organs officials and other emanations may not be proceeded against in the courts of another state in certain instances has long been and remains a source of international controversy Although customary international law no longer recognizes the absolute immunity of states from foreign judicial process the evolution of the contemporary notion of restrictive state immunity over the past fifty years has been an uncoordinated and contested process leading to disputes between states The adoption in 2004 of the United Nations Convention on Jurisdictional Immunities of States and Their Property has significantly contributed to reaching consensus among states on this fundamental question of international law This book provides article by article commentary on the text of the Convention complemented by a small number of cross cutting chapters highlighting general issues beyond the scope of any single provision such as the theoretical underpinnings of state immunity the distinction between immunity from suit and immunity from execution the process leading to the adoption of the Convention and the general understanding that the Convention does not extend to criminal matters It presents a systematic analysis of the Convention taking into account its drafting history relevant state practice

including the considerable number of national statutes and judicial decisions on state immunity and any international judicial or arbitral decisions on point **Annual Report of the Board of State Auditors for the State of Michigan for the Year ...** Michigan.
