

HEADING WEST

A man with light brown hair, wearing sunglasses, a blue and white checkered jacket, and blue jeans, stands with a large black backpack on his back. He is smiling and looking towards the camera. He is positioned in the lower-left foreground. Behind him is a vast, rugged mountain range with significant snow cover under a clear blue sky. The foreground shows a dark, possibly wet or muddy, ground surface.

Heading West:

Heading West Doris Betts,1995-07 The author of *Souls Raised from the Dead* offers a gripping novel that combines the suspense of a thriller with the exhilarating story of a woman's bumpy journey toward liberation A small town librarian with big dreams is resigned to a dull vacation with her sister and brother in law until a thief accosts the group and kidnaps her

Heading West Pat McCarthy,2009-08 *Heading West* traces the vivid saga of Native American and pioneer men women and children from the colonial beginnings of the westward expansion to the last of the homesteaders in late 20th century Alaska In many respects life in the backwoods and on the prairie was similar to modern life children attended school and had daily chores parents worked hard to provide for their families and communities gathered for church and social events But unlike today pioneers lived against a backdrop of isolation harsh weather disease and even plagues of locust And for Native Americans the westward expansion of settlers posed the most direct threat to their centuriesold cultures But pioneer life was not all hardship Settlers were able to build lives and communities and experience a freedom brought on by new possibilities Author Pat McCarthy has woven dozens of firsthand accounts from journals and autobiographies of the era to form a rich and detailed story Readers will find more than 20 activities to help them better understand their pioneering ancestors Children will churn butter dip candles track animals play Blind Man's Bluff create a homestead diorama and more And before they finish readers won't have just headed west but back in time as well
