HELLBOX Bryan J. Kinnaird,2004-08-13 Listen to radio interview with author Bryan J Kinnaird Sean Delaney explains The KISS show is my show In 1966 a young

hippie named Sean Delaney arrived in New York City and checked into the YMCA with only 2 98 in his pocket Sean became one of the top ten record producers in the music industry and was in part responsible for signing a little known band to their first six month contract The band was KISS and the rest became history that has forgotten his presence This is the story KISS doesn't want you to know After years of exile Sean Delaney the self proclaimed creator of theatrical KISS comes forth thirty years after KISS first exploded onto the music scene and changed the face of rock a journey versed in the trials of lucid mayhem that epitomized a radical lifestyle and spanned over a broad spectrum of events that led to the creation of KISS Through revelations of a fractured upbringing gut wrenching hardships and big dreams fulfilled then lost in the irony of success he survived it all and became the man that nurtured an uncontrollable rock roll monster HELLBOX tells of formidable betrayals and gives unique insight into a secret alliance that was quite possibly a conspiracy that corrupted the partnerships of the powers that originally guided KISS to superstardom This is a story that dares to defy the myths that have been passed off as popularized truths in the history of the legendary band Silenced no longer the first Director of Rock Roll delivers previously untold tales from behind the mystical veil that shrouds KISS painting a fascinating and candid portrait that depicts the band's creation while it follows the life of Sean Delaney one of the most enigmatic and best forgotten legendary songwriters and record producers ever to work in the music industry Littered with intimate trysts explicit scenes from his own unabashed lifestyle and destructive relationships Sean's story is an exposition for KISS fans and connoisseurs of biographies alike HELLBOX chronicles the soul of a rebellious young man with a career filled with achievements He spent the better part of his life searching for a sense of home and an ideal relationship The story of Sean Delaney mends damaging and apocryphal untruths that he claims have been published over the years for the consumption of devoted KISS fans It finally gives voice to a collection of facts that have never been accounted for and rewrites an erased volume of missing history which was the void responsible for sending Sean into his self imposed exile from the music industry for nearly fifteen years Sean exposes his roller coaster ride through life a life that traveled through a band called KISS Sean's riveting account of a tragedy marred by deception proposes a theory that conspiracy may have rocked the behind the scenes business behind the business that became the most lucrative rock roll dynasty in the history of music Sean gives an uncustomary keen look into his past and delves into the history of KISS a history that has forgotten his presence Now let history reflect that Sean Delaney was there This is Sean Delaney's HELLBOX his last and only authorized testament And Party Every Day Larry Alan Harris, 2009 Now it can be told The true behind the scenes story of Casablanca Records from an eyewitness to the excess and insanity Casablanca was not a product of the 1970s it was the 1970s From 1974 to 1980 the landscape of American culture was a banquet of hedonism and self indulgence and no person or company in that era of narcissism and druggy gluttony was more emblematic of the times than Casablanca Records and its magnetic founder Neil Bogart And Party Every Day is a frontline look at the record label that exploded onto the 1970s music scene rising faster burning brighter and

crashing in a more spectacular fashion than any other label in history From Bogart s daring first signing the positively pyrotechnic Kiss through the discovery and superstardom of Donna Summer and the Village People not to mention extraterrestrial funk master George Clinton and his circus of freaks Parliament Funkadelic to the descent into the manic world of disco and its attendant vices this book charts Bogart s meteoric success and eventual collapse under the weight of uncontrolled ego and hype A compelling tale of ambition greed excess and some of the era s most biggest music acts Written with great candour and humour by Larry Harris Casablanca s co founder and former senior vice president and managing director And Party Every Day is the only definitive and firsthand look at Casablanca s remarkable story and a breathtaking view of that great American era of extravagance It includes dozens of never before seen photos and a complete discography

Headliners Kiss Introduction

In the digital age, access to information has become easier than ever before. The ability to download Headliners Kiss has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Headliners Kiss has opened up a world of possibilities. Downloading Headliners Kiss provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Headliners Kiss has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Headliners Kiss. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Headliners Kiss. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Headliners Kiss, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Headliners Kiss has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
