Pitofsky,2022-10-17 American Boarding School Fiction 1981 2021 Inclusion and Scandal is a study of contemporary American boarding school narratives Before the 1980s writers of American boarding school fiction tended to concentrate on mournful teenagers When teachers parents and other adults appeared they were usually placed far from the center of the action The center was filled with white male Protestant students at boarding schools In this book Alexander H Pitofsky discusses a new generation of writers including Richard A Hawley Anita Shreve Curtis Sittenfeld and Tobias Wolff that has transformed school fiction by highlighting issues relating to gender race scandal sexuality education and social class in unprecedented ways By turning their attention away from the bruised feelings of teenagers Pitofsky argues these authors have reinvented American boarding school fiction writing vividly about a host of subjects the genre overlooked in the past **Youth Cultures in America** Simon J. Bronner,Cindy Dell Clark,2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to

the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems *American Boarding School Fiction, 1928-1981* Alexander H.

Pitofsky, 2014-07-18 When boarding school fiction became popular in the 19th century it tended to be warm and nostalgic filled with sporting events practical jokes and schemes to get even with campus bullies All of that changed in the era discussed in this book Holden Caulfield the narrator of J D Salinger's *The Catcher in the Rye* drops out of one prep school and is expelled from two others The conflicts between students in John Knowles's *Devon School* novels become so heated that two young men die And in the controversial novel *Good Times Bad Times* James Kirkwood portrays the headmaster of a private academy as closeted deeply neurotic and infatuated with an 18 year old who has recently enrolled at his school In spite of their unsettling images of anguish and cruelty these and other American boarding school novels have attracted large audiences and influenced countless school narratives in fiction drama television and film Many books have been written about British school stories This is the first study that explores the history of boarding school fiction in the United States

**OE [publication] , Muscle and Manliness** Axel Bundgaard, 2005-07-11 Axel Bundgaard has produced a meaningful work on the important but little told history of interschool athletics exploring the introduction and nature of sport in the controlled environment of the American boarding school Beginning in the late eighteenth century American educators looked to the English public school as the educational archetype for producing good men good Christians and good leaders The British incorporation of sport into the process of education however took root only slowly in the United States where it seemed alien to Puritan values extolling hard work and deploring play as wasted time Only when educators were convinced that sport was an essential tool in the process of raising the next generation by building character team spirit and leadership did the informal physical play initiated by students in early schools begin to evolve toward the highly organized school sponsored sports of today Using archival material from several eastern boarding schools founded in the eighteenth and nineteenth centuries Bundgaard traces this process from its beginnings in the muscular Christianity prevailing in the boarding schools of Victorian England most notably Rugby There athletics and the prefect system older boys shaping the

manners and morals of younger ones were used to mold youth into Christian gentlemen and it was believed that the seeds of future military victories were planted on the school playing fields Bundgaard shows how this model of sport and character building was gradually absorbed into the classical curricula of private education in America and then continues to chronicle the dramatic changes in this model through the first decade of the twentieth century as educational philosophies evolved and an ideal of physical vigor and conduct befitting a gentleman emerged Drawing on archival sources at Groton Andover Exeter St Paul s Suffield Williston Woodberry Forest and Worcester Academy interviews personal communications school newspapers and histories of various institutions Bundgaard provides a new critical perspective on the evolution of play and sports for schoolboys This book will stimulate research on the broader subject of American secondary school athletics and pique the interest of sport historians educators and a general audience **Education-literature of the Profession** ,1966

Traces of J. B. Jackson Helen L. Horowitz,2020-01-21 J B Jackson transformed forever how Americans understand their landscape a concept he defined as land shaped by human presence In the first major biography of the greatest pioneer in landscape studies Helen Horowitz shares with us a man who focused on what he regarded as the essential American landscape the everyday places of the countryside and city exploring them as texts that reveal important truths about society and culture present and past In Jackson s words landscape is history made visible After a varied life of traveling writing sketching ranch labor and significant service in army intelligence in World War II Jackson moved to New Mexico and single handedly created the magazine Landscape As it grew under his direction throughout the 1950s and 1960s Landscape attracted a wide range of contributors Jackson became a man in demand as a lecturer and beginning in the late 1960s he established the field of landscape studies at Berkeley Harvard and elsewhere mentoring many who later became important architects planners and scholars Horowitz brings this singular person to life revealing how Jackson changed our perception of the landscape and through friendship as well as his writings profoundly influenced the lives of many including her own

**The Songs We Know Best** Karin Roffman,2017-06-13 The first biography of an American master The Songs We Know Best the first comprehensive biography of the early life of John Ashbery the winner of nearly every major American literary award reveals the unusual ways he drew on the details of his youth to populate the poems that made him one of the most original and unpredictable forces of the last century in arts and letters Drawing on unpublished correspondence juvenilia and childhood diaries as well as more than one hundred hours of conversation with the poet Karin Roffman offers an insightful portrayal of Ashbery during the twenty eight years that led up to his stunning debut Some Trees chosen by W H Auden for the 1955 Yale Younger Poets Prize Roffman shows how Ashbery s poetry arose from his early lessons both on the family farm and in 1950s New York City a bohemian existence that teemed with artistic fervor and radical innovations inspired by Dada and surrealism as well as lifelong friendships with painters and writers such as Frank O Hara Jane Freilicher Nell Blaine Kenneth Koch James Schuyler and Willem de Kooning Ashbery has a reputation for being enigmatic and playfully elusive but

Roffman s biography reveals his deft mining of his early life for the flint and tinder from which his provocative later poems grew producing a body of work that he calls the experience of experience an intertwining of life and art in extraordinarily intimate ways
