*New Headway* Bill Bowler, 2002      **Headway** Bill Bowler, Sue Parminster, 1992 A complete course in English pronunciation      **New Headway Pronunciation Course Pre-Intermediate: Student's Practice Book** Bill Bowler, Sarah Cunningham, Peter Moor, Sue Parminster, 2002-01-03 This is a practical and imaginative addition to the New Headway It helps students to express themselves clearly and confidently by training them in the key areas of pronunciation There is practice of individual sounds with a guide to suitable exercises for speakers of particular languages There is a focus on lexical sets Training is given in stress and intonation patterns for accurate functional use Help is provided with the features of connected speech      New Headway Pronunciation, Intermediate Bill Bowler, Sue Parminster, 2005 A course in English pronunciation to complement New Headway      English Phonology and Pronunciation Teaching Pamela Rogerson-Revell, 2011-03-03 This book aims to provide a clear description of key aspects of English phonology in order to help teachers diagnose and prioritize problem areas in pronunciation It also aims to develop an awareness of current issues and relevant research in the field to inform teachers decisions not only about what to teach but how to teach pronunciation particularly in EIL contexts Specifically it aims to enable readers to Understand key terms and concepts in phonology and phonetics Become aware of current issues and debates in research and apply these to pronunciation teaching particularly in EIL contexts Conduct phonological analysis of learner language including phonemic transcription Diagnose and assess learner s pronunciation difficulties and needs Plan a structured pronunciation syllabus The book assumes no prior knowledge and is a key resource for both newcomers and experienced practitioners in the fields of English Language Teaching as well as students of applied linguistics      New Headway Pronunciation Course Bill Bowler, 2005 Helps students to express themselves clearly and confidently by training them in the key areas of pronunciation This title focusses on lexical sets and provides training in stress and intonation patterns for functional use It also provides help with the features of connected speech      **Extensive Reading, revised edition** Richard Day, Jennifer Bassett, 2016-02-28 Extensive Reading revised edition is the ideal companion for teachers who would like to add the substantial benefits of extensive reading to their language programmes It explains the research that shows how reading for pleasure helps learners to improve their English and guides teachers through the different approaches they can use focusing on The importance of extensive free reading How extensive reading materials are developed and how to choose the right graded readers for the class Introducing and exploiting class readers Developing class libraries Setting up and running reading circles In addition five extensive reading case studies describe projects in a range of learning environments Extra resources are available on the website [www.oup.com/elt/teacher/itc](http://www.oup.com/elt/teacher/itc)      **Establishing Self-Access** David Gardner, Lindsay Miller, 1999-03-11 Establishing Self Access examines establishing maintaining and developing self access language learning SALL While much of it presents practical ideas dealing with issues related to SALL they are supported by references to relevant literature and research This link between theory and practice makes the debate

about SALL accessible and makes this a useful resource for establishing and running self access learning facilities Its unique features include a typology of self access facilities a discussion about how to manage self access a step by step guide on evaluating self access a wide variety of practical suggestions for implementing self access in different contexts It is suitable for anyone concerned with self access from pre service teacher trainees to experienced teachers and from managers of dedicated self access centres to administrators concerned with financing self access facilities

**English Pronunciation Models** Katarzyna Dziubalska-Kołaczyk, Joanna Przedlacka, 2008 The choice of a pronunciation model for the 21st century learner has become a major issue of debate among applied linguists concerned with teaching English The standard pronunciation models Received Pronunciation and General American have recently been confronted with a new proposal of a Lingua Franca Core LFC or English as a Lingua Franca ELF put forward as a didactic priority in teaching English pronunciation to foreigners This volume which includes selected contributions from the Pozna Linguistic Meetings of 2003 and 2004 does not intend to present yet another model but sets out to place the teaching and learning of English pronunciation in the context of the 21st century As the needs of English users are clearly changing fast in the globalizing world the question is to what extent if at all models of pronunciation have been able to keep up with them and whether they in fact should do so Thus key issues in the integration of pronunciation into English as L2 curricula are explored

*About Language* Scott Thornbury, 1997-03-13 This book raises the issue of what a teacher needs to know about English in order to teach it effectively It leads teachers to awareness of the language through a wide range of tasks which involve them in analysing English to discover its underlying system

Pronunciation Christiane Dalton, Barbara Seidlhofer, 1994 The basic principles and terminology of this important but sometimes neglected area are explained in this book Pronunciation helps teachers to understand and evaluate the materials available to them and so approach the teaching of pronunciation with more confidence The book includes over 120 classroom projects which readers can use to develop their pronunciation teaching
