Healed Set Free A Bible Study For Women:

The One Year Wisdom for Women Devotional Debbi Bryson, 2022-12 We live in a foolish world with women making bad choices and suffering from the collateral damage of other's wrong choices. The One Year Wisdom for Women Devotional, based on the audio program of the same name, was birthed out of the great need for women to hear how God addresses every single facet of their lives through the powerful and practical book of Proverbs. For many, the Proverbs are hard to study because the topics jump around from verse to verse. The One Year Wisdom for Women Devotional is a practical tool that will help women in their daily walk with the Lord. It is a great companion to the One Year Bible because it directly follows that book's daily Proverbs reading. Each day not only follows the script of the Wisdom for Women audio program, it also references the One Year Bible reading schedule and ends with a powerful call to action.

Almost Wasn't - A Memoir of My Abortion and How God used me Sonya Howard, 2011-08-23 Have you had an abortion and want to be freed from the guilt and shame? Or have you considered having an abortion and want to know what's the big deal? In *Almost Wasn't: A memoir of my abortion and how God used me*, author Sonya C. Howard tells the story of her struggles and consequences after aborting her first baby. Although she regretted her decision after a lot of prayer and repentance, God used her experience to ultimately bring her closer to Himself. In today's pro-choice society, women are bombarded with the inconveniences of having their babies. What's missing is the devastating truth about the affects abortion causes to the woman emotionally, physically, and mentally. Howard's true story is just one which she hopes will give men and women the inside view and hopefully cause them to think deeper, research more, ask of God, and ultimately consider an alternative to abortion.

The Miracles of Jesus - Women's Bible Study Participant Workbook Jessica LaGrone, 2017-09-05 Jesus demonstrated the presence and power of God by performing miracles. He turned water into wine, healed the sick, calmed the storm, opened blind eyes, and raised the dead. While these beloved stories draw our attention to divine power, they also have something else in common: human desperation. Every time we see Jesus performing a miracle, we also get a glimpse into the gift of desperation, a gift that opens us to the dramatic power of God through our desperate need for him. In this six-week Bible study, Jessica LaGrone leads us in a captivating exploration of the miracles of Jesus, helping us to see that our weakness is an invitation for God to work powerfully in our lives and reminding us that we need God on our best days just as much as we do on our worst. Themes and miracle stories include the gift of desperation, turning water into wine, and other signs of God's response of fullness in our times of emptiness; the miracle of abundance, feeding the 5,000, and other abundance stories; miracles on the water, calming the storm, walking on water, the abundant catch; Jesus, our healer; 5 stories of healing, death, and resurrection; Lazarus, Jairus' daughter; the miracle we all receive: the Incarnation. The participant workbook includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer. Other components for the Bible study, available separately, include a Leader Guide, DVD with six 20-25 minute sessions, and boxed Leader Kit.
