Bibliographie nationale française, 1990 *Threescore and Ten* Barry Blackstone, 2024-12-23 *Threescore and Ten* is a book of reflections and remembrances of a country boy turned city pastor compiled throughout his seventieth year of life. These are the observations and opinions of a man who has been a preacher of the gospel for over fifty years who became a widower during his seventieth year and who had to alter and adjust his ministry far beyond his comfort zone because of the COVID pandemic. Travel with this pastor from the coast of Maine as he takes the reader through the dramatic and difficult changes that have engulfed Christianity in his lifetime in ways not always to his liking. Within these pages the reader will discover that this old fashion man of the cloth believes that the philosophy of the Stranger of Galilee and the theology of Jesus of Nazareth are still relevant and could be prevalent again in the twenty first century just like they were in the first century if only Christianity would return to the tenets and truths of the faith established by its founder. The Christ Contained within this book is a lifetime of study service and supplications of a nobody who has tried to tell everybody about somebody that can save anybody. This is the prayer of this threescore and ten pastor heading for fourscore. The days of our years are threescore years and ten and if by reason of strength they be fourscore years yet is their strength labour and sorrow for it is soon cut off and we fly away Ps 90:10 **American Book Publishing Record**, 2006 **7 Keys to Spiritual Wellness** Joe Paprocki, 2012-02-01 In *7 Keys to Spiritual Wellness* best selling author Joe Paprocki provides a prescription for spiritual health based on the rich wisdom of Catholic Tradition. Through his nondogmatic downright inviting style of writing Paprocki makes this book eminently accessible to non Catholics and seekers as well. Recognizing that the spiritual immune system is weakened almost daily by toxic patterns and attitudes that negatively impact our ability to live in a harmonious relationship with God and others Paprocki offers seven enduring and reliable strategies for achieving spiritual wellness. After identifying practical ways to integrate each of these strategies into daily living he describes seven persistent dangers to our spiritual well being and how these dangers manifest themselves in our lives. At its core *7 Keys to Spiritual Wellness* helps us see the Christian faith not as a collection of rules and doctrine but as a spiritual path a path whose guideposts for spiritual wellness are sure to lead us to a more meaningful life and to a much richer experience of our faith **The Principles of Inner Success; How to Make Your Dreams Your Reality** Dr. Gene Orlowsky, 2013-11 Are you stuck in the doldrums of life?
