# Health And The Millennium Development Goals

**World Health Organization**

## **Health And The Millennium Development Goals:**

**Health and the Millennium Development Goals** World Health Organization, 2005 The report Health and the Millennium Development Goals presents data on progress on the health goals and targets and looks beyond the numbers to analyze why improvements in health have been slow and to suggest what must be done to change this The report points to weak and inequitable health systems as a key obstacle including particularly a crisis in health personnel and the urgent need for sustainable health financing Building up and strengthening health systems is vital if more progress is to be made towards the Millennium Development Goals MDGs the World Health Organization WHO said in a new report Unless urgent investments are made in health systems current rates of progress will not be sufficient to meet most of the Goals Key Recommendations of Health in the Millennium Development Goals To strengthen health systems and ensure they are equitable to ensure that health is prioritized within overall development and economic policies to develop health strategies that respond to the diverse and evolving needs of countries to mobilize needed resources for health in poor countries and to improve the quality of health data

**The Millennium Development Goals for Health** Adam Wagstaff, 2004-01-01 Annotation Provides information on progress and trends including poor/nonpoor disparities health systems reform as a means of laying building blocks for the efficient and equitable delivery of effective interventions the financing of health spending through domestic resources and aid and improving the effectiveness of development assistance in health Linking the health Millennium Development Goals agenda with the broader poverty reduction agenda this book is a valuable resource for policymakers in developing countries and development practitioners working in the health nutrition and population sector as well as students and scholars of public health

**The Millennium Development Goals for Health** Adam Wagstaff, 2004  
**Health and the Millennium Development Goals**, 2005 [The Millennium Development Goals and Human Rights](#) Malcolm Langford, Andy Sumner, Alicia Ely Yamin, 2013-09-16 The Millennium Development Goals MDGs have generated tremendous discussion in global policy and academic circles On the one hand they have been hailed as the most important initiative ever in international development On the other hand they have been described as a great betrayal of human rights and universal values that has contributed to a depoliticization of development With contributions from scholars from the fields of economics law politics medicine and architecture this volume sets out to disentangle this debate in both theory and practice It critically examines the trajectory of the MDGs the role of human rights in theory and practice and what criteria might guide the framing of the post 2015 development agenda The book is essential reading for anyone interested in global agreements on poverty and development  
**Achieving the Health Related Millennium Development Goals (MDGs)** South Africa. Department of Health, 2007  
**Millennium Development Goals For Health In Europe And Central Asia** World Bank, 2004 *Health in 2015* World Health Organization, 2015-12-14 In 2015 the Millennium Development Goals MDGs come to the end of their term and a post 2015 agenda comprising 17 Sustainable Development Goals SDGs takes their

place This WHO report looks back 15 years at the trends and positive forces during the MDG era and assesses the main challenges that will affect health in the coming 15 years Snapshots on 34 different health topics outline trends achievements made reasons for success challenges and strategic priorities for improving health in the different areas *Millennium Development Goals* Matthew Clarke, Simon Feeny, 2013-09-13 In the year 2000 the international community agreed to a framework to address global poverty This framework known as the Millennium Development Goals was time bound with an end date of 2015 With this end now in sight the international community is focusing on the achievement of these goals However it is also very important that consideration now turns to what will follow the MDGs after 2015 Millennium Development Goals Looking Beyond 2015 provides a critical analysis of the MDGs and discusses a range of issues that must be considered by the international community in determining what poverty alleviation framework might replace the MDGs This reflection is made even more imperative as the poverty landscape has shifted considerably since these original goals were made This book was originally published as a special issue of the Journal of the Asia Pacific Economy The Millennium Development Goals in Latin America and the Caribbean ,2005 His report presents a brief summary of Latin America and the Caribbean progress in attaining the Millennium Development Goals MDGs some suggestions to adapt the MDG agenda to the realities and stages of development of the countries of the region a summary of recent Inter American Development Bank activities to support the MDGs and some reflections on priorities for the period to 2015 and beyond

ICTs and the Millennium Development Goals Harleen Kaur, Xiaohui Tao, 2014-05-06 This book attempts to create awareness about the UN MDGs and how various ICT can be harnessed to appeal to different demographics Current empirical evidence suggests that MDG awareness is relatively low particularly in developed countries and that the levels of MDG awareness vary considerable across socioeconomic variables or demographics from United Nations perspective It also examines how ICT can be used to bring about technical and social innovations strengthen livelihoods support economic development water and climate resilience and improve the education and health sectors and enhance development opportunities Several studies are highlighted that reinforce the view that government support and private sector expertise and funding are important factors in ICT based e government solutions in developing countries The book also builds on the thesis that a strong connection between competencies in mathematics science and information communication technology is required to build logical concepts and critical thinking skills It also examines the opportunities and barriers of promoting students learning skills including communication cooperation collaboration and connection using the Wiki tool under the blackboard platform Finally the book also highlights the challenges involved in application of ICT in education This is significant for educators in order to surmount these obstacles and consequently successfully incorporate ICT into the educational system The chapters present the relevant literature on ICTs and the perceived barriers to ICT integration in basic education They also focus on the implications of incorporating ICT in the basic educational system The challenges

confronting the integration of ICT in education are equally identified with a view to ensuring a more efficient application of ICT in attaining education for all      NGOs and the Millennium Development Goals J. Brinkerhoff, S. Smith, H.

Teegen, 2007-06-25 This book examines general Nongovernmental organizations NGOs roles and comparative advantages in the broad fight to end global poverty as well as roles and opportunities specific to particular Millennium Development Goals sectors      **Achieving the Health Millennium Development Goals in Asia and the Pacific**, 2007 The report tracks the

progress made towards achieving the health related Millennium Development Goals MDGs in Asia and the Pacific It also analyses the barriers the region faces in making sustainable progress towards achieving the MDGs and the reasons for large scale intra country and inter country disparities in their achievement It also presents a number of strategies for removing such barriers including a range of action and policy options at the national and regional levels      **Millennium**

**Development Goals (MDGs) in Retrospect** Nathan Andrews, Nene Ernest Khalema, N'Dri T. Assié-Lumumba, 2015-06-10 This volume examines the impact of the Millennium Development Goals MDGs on Africa's development post 2015 It assesses the current state of the MDGs in Africa by outlining the successes gaps and failures of the state goals including lessons learned A unique feature of the book is the exposition on post MDG's agenda for Africa's development Chapters on poverty south south partnership aid gender empowerment health as well as governance and development explore what feasible alternative lie ahead for Africa beyond the expiry date of the MDGs      **Gender and the Millennium Development Goals**

Caroline Sweetman, 2005 This collection focuses on the Millennium Development Goals from a gender perspective It examines the strengths and weaknesses of this way of understanding and addressing poverty and suggests ways of strengthening the approach by using key insights and approaches associated with the struggle to establish and uphold the rights of women      **Financial Sector Development and the Millennium Development Goals** Stijn Claessens, Erik

Feijen, 2007 This study investigates the relationship between financial sector development and progress in reaching the Millennium Development Goals MDGs It assesses the contribution of countries financial sector development to achieving the MDGs The focus is on the relationships between financial development and economic welfare and growth and the following four MDG themes Poverty Education Health and Gender Equality In doing so the book reviews the theoretical channels surveys existing empirical evidence both cross country and case study evidence and provides new evidence Financial Sector Development and the Millennium Development Goals finds that financial development is an important driver for economic welfare in that it reduces the prevalence of income poverty and undernourishment In addition new evidence is provided of a positive association between financial development and health education and gender equality      **Implementation of the**

**Millennium Development Goals** Awortwi, Nicholas, Musahara, Herman, 2016-06-13 This book brings together results of studies on progresses and challenges in the implementation of the Millennium Development Goals MDGs in Lesotho Kenya Botswana Madagascar Tanzania Ghana Uganda and Nigeria The authors focus on selected goals as cases and the book

presents resulting lessons that can inform the post 2015 development agenda The studies are against the background that in September 2000 world leaders from 189 countries including 147 Heads of State gathered at the United Nations General Assembly to consider the challenges of the new millennium They adopted the Millennium Declaration which set out a vision for inclusive and sustainable globalization UN 2000 A RES 55 2 The leaders pledged to work towards ensuring that conditions of extreme poverty are eradicated wherever they existed To realise this declaration the UN established eight MDGs to be achieved by 2015 The goals were broken down into 18 concrete targets and 48 indicators to track progress in implementation For the years lost 2000 countries in sub Saharan Africa have been striving to achieve the goals So far some have achieved some of the goals and the results toward the rest of the goals are also by and large positive though off target

Millennium Development Goals Sakiko Fukuda-Parr, 2017-07-14 Heralded as a success that mobilized support for development the Millennium Development Goals MDGs ushered in an era of setting development agendas by setting global goals This book critically evaluates the MDG experience from the capabilities and human rights perspectives and questions the use of quantitative targets as an instrument of global governance It provides an account of their origins trajectory and influence in shaping the policy agenda and ideas about international development during the first 15 years of the 21st century The chapters explore whether the goals are adequate as benchmarks for the transformative vision of the Millennium Declaration how the goals came to be formulated the way they were drawing on interviews with key actors who were involved in the process how the goals exercised influence through framing to shape policy agendas on the part of both developing countries and the international community the political economy that drove the formulation of the goals and their consequences on the agendas of the South and the North the effects of quantification and indicators on ideas and action and the lessons to be drawn for using numeric goals to promote global priorities Representing a significant body of work on the MDGs in its multiple dimensions compiled here for the first time as a single collection that tells the whole definitive story this book provides a comprehensive resource It will be of great interest to students researchers and policymakers in the fields of development human rights international political economy and governance by numeric indicators Globalization and the Millennium Development Goals Manmohan Agarwal, Amit Shovon Ray, 2007 Contributed articles with reference to India

**Gender, Health and the Millennium Development Goals : a Briefing Document and Resource Guide** Lesley Doyal, 2005
