Guide To World Cinema:

Guide to the Cinema(s) of Canada Peter Rist, 2001-07-30 This new volume in the Greenwood Press series Reference Guides to the World's Cinema discusses the films and personalities of the Canadian cinema This guide encompasses the diverse output of both the English and French Canadian communities and includes 175 films and 125 filmmakers and actors Alphabetically arranged entries discuss important films actors directors shorts and a number of experimental films With few exceptions films are included only if their production company was incorporated in Canada Similarly filmmakers and actors represent people who have worked primarily in Canada This guide will interest scholars students and film buffs Brief bibliographies after each entry provide sources for further reading Three appendixes provide additional information regarding Canadian born filmmakers and actors excluded from the main text winners of Canadian film awards and a listing of the top ten Canadian films

Guide to the Cinema of Spain Marvin D'Lugo, 1997-11-25 This guide to Spanish film documents the film industry's interpretation of the isolating effects of the cultural traditionalism of the early twentieth century to the expanding international popularity of such films as Trueba's Belle Epoque Aranda's Amantes and Bigas Luna's Jam n Jam n and such actors as Victoria Abril Carmen Maura and Antonio Banderas This is the first volume in a new Greenwood series that discusses historically and critically films directors and actors in film industries throughout the world Each volume will include a detailed historical introduction and will provide an in depth treatment of the most important films and individuals involved in the industry End of entry bibliographies provide sources for further reading and appendixes provide additional useful information The Guides will be valuable to scholars students and film buffs Spanish cinema is in many ways a microcosm of the tensions and conflicts that have shaped the evolution of the nation over the course of this century Spanish film as a cultural institution is rarely divorced from the political and social currents that have shaped the larger Spanish culture torn as it was between tendencies of localism and internationalism It languished in industrial and artistic underdevelopment for many years under Franco it is now however experiencing international recognition while remaining rooted in the specificity of its own popular cultural styles

World Cinema Shekhar Deshpande, Meta Mazaj, 2018-01-17 World Cinema A Critical Introduction is a comprehensive yet accessible guide to film industries across the globe From the 1980s onwards new technologies and increased globalization have radically altered the landscape in which films are distributed and exhibited Films are made from the large scale industries of India Hollywood and Asia to the small productions in Bhutan and Morocco They are seen in multiplexes palatial art cinemas in Cannes traveling theatres in rural India and on millions of hand held mobile screens Authors Deshpande and Mazaj have developed a method of charting this new world cinema that makes room for divergent perspectives traditions and positions while also revealing their interconnectedness and relationships of meaning In doing so they bring together a broad range of issues and examples theoretical concepts viewing and production practices film festivals large industries such as Nollywood and Bollywood and

smaller and emerging film cultures into a systemic yet flexible map of world cinema The multi layered approach of this book aims to do justice to the depth dynamism and complexity of the phenomenon of world cinema For students looking to films outside of their immediate context this book offers a blueprint that will enable them to transform a casual encounter with a film into a systematic inquiry into world cinema *The Off-Hollywood Film Guide* Tom Wiener,2002-08-13 The Off Hollywood Film Guide cuts through the clutter of the thousands of films currently available on video and DVD by specifically catering to independent and foreign film enthusiasts In addition to a list of essential must see films this guide includes hundreds of entries each with brief commentary and a list of pertinent details such as release date cast director awards garnered special DVD features and double feature suggestions The listings are also cross referenced by genre director actors and country of origin **Guide to African Cinema** Sharon A. Russell,1998-02-18 Intended as a guide to the filmmakers and films of the African cinema this reference book also provides the framework for understanding the history and development of African film with respect to its situation in world cinema The goals and achievements of African film are studied with respect to the forces that impact it such as colonialism and racism The importance of the creative efforts of African filmmakers and the diversity of their approaches to cinema are explored Examined as well are the views of Africa presented by European colonial filmmakers views often contested in contemporary African film The listings include critical analysis bio bibliography and filmographies Both Saharan and sub Saharan films are included As an important reference to African film the information outlined is valuable due to the current lack of researched data on African cinema in part as a result of postcolonial attitudes on production and distribution The book concentrates on films and directors who work toward defining a unique African perspective without compromising thematic concerns due to commercial considerations The research detailed in this text should encourage a wider appreciation of the film work being done in Africa especially to those without the benefit of access to specialized libraries and collections Guide to the Silent Years of American Cinema Christophe P. Jacobs,Donald McCaffrey,1999-09-30 The latest offering from the Reference Guides to the World s Cinema series this critical survey of key films actors directors and screenwriters during the silent era of the American cinema offers a broad ranging portrait of the motion picture production of silent film Detailed but concise alphabetical entries include over 100 film titles and 150 personnel An introductory chapter explores the early growth of the new silent medium while the final chapter of this encyclopedic study examines the sophistication of the silent cinema These two chapters outline film history from its beginnings until the perfection of synchronized sound and reflect upon the themes and techniques established with the silent cinema that continued into the sound era through modern times The annotated entries alphabetically arranged by film title or personnel include brief bibliographies and filmographies An appendix lists secondary but important movies and their creators Film and popular culture scholars will appreciate the vast amount of information that has been culled from various sources and that builds upon the increased studies and research of the past ten years *The Rough Guide to Film* Rough
