Gallagher, 2007 What does God want for our lives How can we assess when feelings even pleasant ones are signs that God is calling us in a particular direction In Spiritual Consolation Timothy Gallagher a retreat leader and popular author of The Examen Prayer and The Discernment of Spirits introduces us to the teachings of Ignatius of Loyola on this crucial question Through the use of real life examples and the Ignatian principles from the Second Rule Fr Gallagher shows how all of us especially those with busy religious lives can learn to hear and follow God's leading This book is both the completion of Dr Gallagher's esteemed Ignatian trilogy and a provocative work in its own right The Discerning Life Stephen Macchia, 2022-03-15 Spiritual discernment is a key theme in the Scriptures From the Garden when Adam and Eve turned away from the simplest terms of a relationship with God to the Garden when John the Apostle wrote the book of Revelation to a distracted people anticipating eternity discerning God has been the heart of the matter In modern times however we have forgotten the basic premise of practicing a preference for God out of which we then are invited to live for God Instead we have implanted strategic planning head to head battling and will of God knowing in its place In The Discerning Life Stephen A Macchia seeks to upend the one eyed and limited Christian understandings of spiritual discernment and invite readers and leaders to reconsider how they prioritize the care of their souls the grace of their communities and the mission of their lives churches and organizations When we have a fuller understanding of how spiritual discernment matters to the whole of our lives we will in turn encourage others to follow likewise and then lean fully into the mission mandate and message of the whole counsel of God **Spiritual Discernment** Jader J S Pinto, 2025-02-14 Amid the challenges and uncertainties of the contemporary world finding divine guidance is a true balm for the soul In Spiritual

Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition s practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work s thesis Decision Making and Spiritual Discernment Nancy Bieber, 2010 Spiritual discernment is the traditional name for listening and responding to divine guidance In this book you will approach decision making as an active participant a co creator with God in shaping your life Drawing on twenty five years of experience as a psychologist and fifteen years as a spiritual director Nancy L Bieber presents three essential aspects of Spirit led decision making The Discipline of Spiritual Discernment (Foreword by John MacArthur) Tim Challies, 2007-12-19 Spiritual discernment is good for more than just making monumental decisions according to God's will It is an essential day to day activity that allows thoughtful Christians to separate the truth of God from error and to distinguish right from wrong in all kinds of settings and situations It is also a skill something that any person can develop and improve especially with the guidance in this book Written by a leading evangelical blogger The Discipline of Spiritual Discernment is an uplifting scripturally grounded work that explains the need for discernment its challenges and the steps that will cultivate it Author Tim Challies does not do the discerning for readers he simply shows them how to practically apply scriptural tools principles and wisdom so that their conclusions about everything people teachings decisions media and organizations will be consistent with God's Word Discernment Marlene Miles. 2025-07-27

Spiritual discernment is a spiritual gift It is the ability to distinguish between truth and falsehood in both the natural realm and also in spiritual situations To another the working of miracles to another prophecy to another discerning of spirits to another divers kinds of tongues to another the interpretation of tongues 1 Corinthians 12 10 The gift of discernment helps believers identify genuine spiritual messages and discern truth from error within the church and the wider world It involves the supernatural ability to identify whether a message teaching or action originates from God or from another source such as a deceptive spirit A key aspect of discernment is comparing spiritual claims with the teachings of the Bible God's Word Discernment is a gift because everyone doesn t have it just as everyone doesn t have all of the Gifts of the Spirit except Jesus Just as trust is earned respect is both given and earned discernment is given and it is learned Christians are encouraged to ask for discernment from the Lord so you don t walk in ignorance or darkness But discernment once received from God must be developed sharpened honed Discerning God's Will Together Danny E.
