

The background of the book cover is a photograph of a rustic log cabin. The cabin is constructed from horizontal logs and has a steep, gabled roof. A large, leafy tree stands in the foreground to the left, its branches partially obscuring the cabin. The sky is a pale blue with some light clouds. The title and authors' names are printed in black text over the upper portion of the image.

Guidebook To Historic Western Pennsylvania:

A Guidebook to Historic Western Pennsylvania Helene Smith, George Swetnam, 1991 Since its first publication in 1976 this guide with nearly thirty thousand copies sold has become the standard book for exploring the twenty six counties of western Pennsylvania Yet in the past fourteen years many sites have been lost through fire demolition or neglect and many other sites of historical interest have been discovered and documented Now Helene Smith and George Swetnam have completely revised the text updating the capsule histories the site descriptions and location directions including all the new Pennsylvania road numbers and adding several hundred new entries

Guidebook to Historic Places in Western Pennsylvania Western Pennsylvania Historical Survey, 2013-10 This is a new release of the original 1938 edition

Guidebook to Historic Places in Western Pennsylvania Western Pennsylvania Historical Survey, 2009-07 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

A Traveler's Guide to Historic Western Pennsylvania Lois Mulkearn, Edwin V. Pugh, 2010-11-23 This book presents a county by county guide to historic landmarks in western Pennsylvania and how to reach them Twenty seven counties are included along with maps of each Along the way travelers will find historic forts residences of leading citizens old iron furnaces grist mills churches inns taverns tanneries and many other intriguing places Historians Lois Mulkearn and Edwin V Pugh personally visited each site and provide background vignettes on them offering interesting facts and highlights gathered from archival documents

Red Book Alice Eichholz, 2004 provides updated county and town listings within the same overall state by state organization information on records and holdings for every county in the United States as well as excellent maps from renowned mapmaker William Dollarhide The availability of census records such as federal state and territorial census reports is covered in detail Vital records are also discussed including when and where they were kept and how Publisher description

Handbook of the Linguistic Atlas of the Middle and South Atlantic States William A. Kretzschmar, William A. Kretzschmar Jr., 1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches **Birdville School; A Portrait of Small-Town**

America in the 20th Century Bob Barrage, 2019-01-03 Birdville School opened in 1922 on the corner of two dirt roads at the edge of a fallow farm Over the next 67 school years it witnessed and influenced the unfolding story of the town that grew up around it amid flood brushfire blizzard tornado and earthquake poverty and prosperity war peace and cold war and even the collapse of the earth beneath its foundations Its auditorium and cafeteria hosted PTA meetings plays movies concerts basketball tournaments holiday parties Girl Scout and Boy Scout meetings polio vaccination clinics and war time rationing registrations and scrap collection drives Local sand lot softball baseball and football teams competed in the same surrounding fields that swarmed with gleeful children at recess and that echoed with the roar of low flying aircrafts snagging mailbags on their tail hooks Among its staff were thespians musicians firemen outdoorsmen and athletes including a singer who performed in the Coolidge White House a candidate for the state legislature an army medic and a ball player who faced

off against the Homestead Grays and the Pittsburgh Pirates By the time classes concluded for the last time in 1989 thousands of children including the author had benefitted from the care instruction and example of the Birdville School family This book is a feeble tribute to those who made us who we are **Handbook of Learned Societies and Institutions** James David Thompson,1908 **Underground Railroad in Pennsylvania** William J.
