Why Another Discipleship Book Let s face it There are a ton of discipleship books out there on the market Why in all of Christendom do we need another discipleship book Let me give you a few reasons why this discipleship book is important and how it is different from any other discipleship book you will get

1 Discipleship Is Important When a person reads the New Testament discipleship is written all over it Whether Jesus is leading his disciples Paul is making disciples or the church is being called to make disciples discipleship is there Discipleship in the New Testament is done in a small group or one on one with one believer leading another to know and follow God This book is designed to do that This is not another Bible study or life guide This is not a preaching series to work through This book is a guide for one believer to lead another in order to help them know and follow God through studying the text of the Bible

2 God s Word Is Important When you look at all the different materials labeled as discipleship you can be overrun with options Some formats are DVD driven some are book driven others are conversation driven But the real basis of teaching people to know and follow God is God s Word Therefore this resource is Text Driven Discipleship The guide is designed to help a disciple maker lead their disciple to discuss and understand God s Word and to help the disciple begin to study God s Word for themselves

3 God s People Are Important When Christians look at the church they should see a group of people committed to making disciples Making disciples is the Commission of every Christian and the marching orders of the Church Matt 28 18 20 Thus this resource was written in order to help Christians do what they were called to do This guide is to help God s people teach the Bible to others

Discipleship For Beginners A Study Guide Simon Kennard, 2016-11-08 Discipleship is nothing but true belief in God It is generally thought that disciples were those early followers of Jesus However that is not true and anyone can be a true disciple and all it needs is dedication In fact the true definition is s a dedicated and committed follower or student of a teacher leader or philosopher In my book is all about this and much more it will guide you through what is required from a true disciple and also will help you understand as to what Bible says about Discipleship

The Way of Transforming Discipleship Trevor Hudson, Stephen D. Bryant, 2006-02 Open yourself to transformation as you discover what it means to be an authentic Christ follower This 5 week resource is ideal for Lenten studies or preparation for mission trips

The Disciple's Guidebook A. Victoria Chance, 2012 After a decade of studying numerous cryptic passages in the holy book author A Victoria Chance has discovered a key to unlocking the mysteries of the Bible Incredibly this key which is a hidden language has been in plain sight for the past 2 000 years Without knowing exactly what we were reading Christ s secret language had been recorded in the gospels by his disciples and translated by Jesus within the actual text It was even documented similarly in various versions of the Bible throughout history THE DISCIPLE S GUIDEBOOK takes readers who

are suffering from a dearth of practical religion on a spiritual journey through the fundamental teachings of Christianity starting with the parables of Christ Victoria calls his parables the alphabet of the Kingdom of God without which one cannot fully understand the mysteries of the Bible She reveals very early how Jesus intended for the parables to be used as a guide to understanding his deep spiritual teachings Small parables are shown to have been translated word for word by Jesus in the Gospel of Matthew This key is then used to understand the larger more substantial parables and eventually the overall meaning of his message Once Christ s language is decoded THE DISCIPLE S GUIDEBOOK explains five main Christian precepts truth righteousness readiness faith and salvation Now the elusive key has been exposed and the mysteries of the Bible are revealed to everyone Believers and nonbelievers alike will appreciate this light modern day approach to understanding the Bible Kirkus Reviews **Personal Disciplemaking** Christopher B. Adsit, 1988 The Question how can I Disciple someone how can i motivate them to deepen and broaden relationship with God and to go on with him for the long haul
