Guided Imagery A Source Of Stress Reduction For Pastors:

Guided Imagery Danny Edward Crossley, Sr.,2006-01-01 Have you tried meditation reflection contemplation rumination counseling therapy zoning in or zoning out and you still are not able to enjoy peaceful harmony in your life Well this book is about a technique called Guided Imagery The practice of Guided Imagery can help one to reduce the onset of and to change the outcomes of life s stressors by imparting a means to learn new coping skills and enable the individual to regain power by taking a proactive rather than a wait and see approach to the issues of life Guided Imagery can be likened to taking off one s rose colored glasses and seeing clearly for the very first time As you read this book you will see how Guided Imagery can provide a way to refocus regroup and recommit pent up energies in one s life toward positive outcomes and changes The technique of Guided Imagery examines life s situations that have already occurred or will occur and uses them for what they really are or can be In other words taking the stumbling blocks that may make you fall into stepping stones of opportunity for healing and growth Guided Imagery is a way of seeing and reentering a time or place that has caused you harm and uncovering hidden or misunderstood feelings and emotions but in a positive and curative manner Guided Imagery offers its reader an invitation to come and to see and not only to see but to also enter into that vision or that experience as an active participant not as someone who has been hypnotized Guided Imagery can enable one to see to feel and to experience through personal feelings and emotions a newness and freshness and to learn from it to be healed by it and to overcome through its positive use and reflection Guided Imagery is an empowerment that speaks to the tripartite being of man spirit soul and body to come together for healing of the whole person There are within each of us written into our members all of our life s experience

Guided Imagery Danny Edward Crossley,1997 The research project was conducted for the purpose of teaching guided imagery as a source of stress reduction for pastors It was believed that coping skills could be taught and that such skills would enable pastors to deal more effectively with the stressors of ministry Abstract *God in Our Stress: The Christian's Guide to Stress Management* James Klotzle,2010-05-01 Are you feeling stressed Christian What exactly is stress Where does it come from and how does it really affect us More importantly what does God have to say about stress Isn t stress like the impartial rain falling on both the just and the unjust How would a Christian handle stress differently from anyone else There is good news God promises to give His children special help when it comes to dealing with stress Are we taking full advantage of the gifts He has given us Are we living out the peace joy and victory that is available to us Find out how in this full length Christian self help book with workbook style activity pages after every chapter Perfect for both personal use and small group study
