Guilty Or Innocent The Gordon Bennett Case:

Guilty Or Innocent? Mark Clisby, 1992 Account of the escape of General Gordon Bennett from the fall of Singapore in February 1942 with an analysis of the ethical and leadership issues involved The author is a barrister and attempts to provide an impartial account of the case Includes an index and bibliography *Men Who Lost Singapore, 1938-1942* Ronald McCrum, 2018-04-27 The British military failure against the Japanese invasion of Singapore in 1942 is a well documented and closely examined episode While attention is frequently drawn to the role of the Colonial Governor and his staff during this period the participation of the civil authorities has not been subjected to the same rigorous scrutiny In this book Ronald McCrum undertakes a close examination of the role and the responsibilities of the colonial authorities both in the lead up to the war and during it He contends that the colonial government by pursuing different priorities needlessly created distraction and confusion Additionally the poor even hostile relations that developed between the local government and the British military hierarchy impeded a joint approach to the growing threat and affected the course of this campaign McCrum displays how the tawdry management of civil defence matters led to unnecessary loss of civilian life *The Battle Within* Christina Twomey, 2018-02-01 **British and Japanese Military Leadership in the Far Eastern War, 1941-45** Brian Bond, 2012-11-12 Some sixty years after the Far Eastern War ended this innovative new collection brings together five distinguished UK based scholars and five from Japan to reappraise their respective country's leadership in the Malaya and Burma campaigns This leadership is analyzed on various levels ranging from the grand strategic to operational The Japanese contributors examine the reasons for their forces brilliant advances in 1941-42 whereas the British writers have to account for the disastrous defeat characterized by the poor leadership of senior commanders such as Bennett and Percival Between 1943 and 1945 the tables were turned dramatically so the failure of Japanese command decisions then comes under critical scrutiny and the British have to explain how defeat was transformed into victory Above all this volume should stimulate interest in different methods and styles of military leadership in view of the contrasting approaches of the British and Japanese in the Second World War **Australia's War 1939-45** Joan Beaumont, 2020-09-10 The Second World War was a dominant experience in Australian history For the first time the country faced the threat of invasion The economy and society were mobilised to an unprecedented degree with 550 000 men and women or one in twelve of a population of over 7 million serving in the armed forces overseas Social patterns and family life were disrupted Politically the war gave a new legitimacy to the Australian Labor Party which had been confined to the wilderness of the Opposition at the Federal level for most of the inter war years The powers of the Federal government increased and a new momentum for social reform was generated at the popular and governmental level In the international sphere the war fundamentally shook Australian confidence in the power on which it had relied for generations Great Britain It generated a sense of independence in Australian foreign policy and initiated a new if halting and problematic realignment towards the United States In this accessible book Joan Beaumont

Kate Darian Smith David Lee David Lowe Marnie Haig Muir Roy Hay and David Walker consider the range of Australia's experience of this conflict In a single volume they draw together the many aspects of the war and distil the current state of historical scholarship Australia's War 1939-45 will be invaluable to tertiary students and of enormous interest to the reader concerned with the social political and military history of Australia A companion volume on the First World War is also available

The Defence and Fall of Singapore Brian Farrell, 2017-01-01 Shortly after midnight on 8 December 1941 two divisions of crack troops of the Imperial Japanese Army began a seaborne invasion of southern Thailand and northern Malaya Their assault developed into a full blown advance towards Singapore the main defensive position of the British Empire in the Far East The defending British Indian Australian and Malayan forces were outmanoeuvred on the ground overwhelmed in the air and scattered on the sea By the end of January 1942 British Empire forces were driven back onto the island of Singapore itself cut off from further outside help When the Japanese stormed the island with an all-out assault the defenders were quickly pushed back into a corner from which there was no escape Singapore's defenders finally capitulated on 15 February to prevent the wholesale pillage of the city itself Their rapid and total defeat was nothing less than military humiliation and political disaster Based on the most extensive use yet of primary documents in Britain Japan Australia and Singapore Brian Farrell provides the fullest picture of how and why Singapore fell and its real significance to the outcome of the Second World War

On the Run Graeme Kent, 2013-07-30 There have been many books written about valour in battle This is not one of them On the contrary On the Run deals entirely with those men and women who have departed from life in the armed forces For as long as there have been wars there have been those who have fled from the cannon's roar In this fascinating and unique history of deserters and desertion Graeme Kent scours the annals of warfare to find those who for a multitude of often complex reasons have gone absent without leave Among their number are poets and pugilists thieves and thugs lovers and lunatics princes and politicians comedians and conspirators film stars and fanatics and even a pope all brought together by the simple fact that at one time or another they went on the run Covering thousands of years and spanning the globe this compelling book presents an extraordinary anecdotal history of perhaps the most controversial and emotive subject in war

Sword and Baton Volume 1: 1900 to 1939 Justin Chadwick, 2017-02-05 Sword and Baton is a collection of 86 biographies representing every Australian Army officer to reach the rank of major general from Federation to the outbreak of World War II This is the first of two volumes and its scope is broad including chaplains general surgeons general and British Army officers who served with the AIF or the permanent forces Author Justin Chadwick's portrayal of these officers' careers provides a lens through which he examines trends such as the development of military skills which ensured that by the commencement of hostilities in 1914 Australia boasted a pool of well trained albeit inexperienced officers The effects of command under pressure of war and the enormous physical impact of combat are likewise portrayed in these

comprehensive biographies By the end of hostilities Australian officers had garnered immense experience and were among the best in the Allied forces Ironically this hard won skill base was to be all but lost in the interwar period *Sword and Baton* offers its readers more than a series of biographies Rather it describes a crucial period in Australian military history through the lives of the extraordinary men at its head **Last Stand In Singapore** Graham Clayton,2015-12-01 The story of 488 RNZAF Squadron during the fall of Singapore early in 1942 This gripping history has been written using the diaries letters photographs and personal reminiscences of members of 488 Squadron who were based just outside Singapore City and valiantly kept planes in the air against Japanese attacks until just before the city was overwhelmed The story of their day to day life at a time of crisis their hard work and their valour is eye opening The remaining ground crew were granted passage on one of the last ships to leave the island when the Japanese were just 1 kilometre from the city centre The ship had accommodation for 23 passengers yet there were approximately 3000 people crammed on board The overcrowding was the least of their worries **James Gordon Bennett and the New York Herald** Henry Ellis Birdsong,1925 **Malaya and Singapore During the Japanese Occupation** Paul H. Kratoska,1995 **The Witch of New York** Alex Hortis,2024-03-05 Before the sensational cases of Amanda Knox and Casey Anthony before even Lizzie Borden there was Polly Bodine the first American woman put on trial for capital murder in our nation s debut media circus On Christmas night December 25 1843 in a serene village on Staten Island shocked neighbors discovered the burnt remains of twenty four year old mother Emeline Houseman and her infant daughter Ann Eliza In a perverse nativity someone bludgeoned to death a mother and child in their home and then covered up the crime with hellfire When an ambitious district attorney charges Polly Bodine Emelin s sister in law with a double homicide the new penny press explodes Polly is a perfect media villain she s a separated wife who drinks gin commits adultery and has had multiple abortions Between June 1844 and April 1846 the nation was enthralled by her three trials in Staten Island Manhattan and Newburgh for the Christmas murders After Polly s legal dream team entered the fray the press and the public debated not only her guilt but her character and fate as a fallen woman in society Public opinion split into different camps over her case Edgar Allen Poe and Walt Whitman covered her case as young newsmen P T Barnum made a circus out of it James Fenimore Cooper s last novel was inspired by her trials The Witch of New York is the first narrative history about the dueling trial lawyers ruthless newsmen and shameless hucksters who turned the Polly Bodine case into America s formative tabloid trial An origin story of how America became addicted to sensationalized reporting of criminal trials The Witch of New York vividly reconstructs an epic mystery from Old New York and uses the Bodine case to challenge our system of tabloid justice of today *Scapegoat* Clifford Kinvig,1996 This biography evaluates General Percival in the context of his military service as well as his generalship during the critical Malayan campaign and the surrender of Singapore It also covers his years as a POW of the Japanese his post war activities *The Murder of Helen Jewett* Patricia Cline Cohen,1999-06-29 In 1836 the murder of a young prostitute made headlines in New York City and around the country

inaugurating a sex and death sensationalism in news reporting that haunts us today Patricia Cline Cohen goes behind these first lurid accounts to reconstruct the story of the mysterious victim Helen Jewett From her beginnings as a servant girl in Maine Helen Jewett refashioned herself using four successive aliases into a highly paid courtesan She invented life stories for herself that helped her build a sympathetic clientele among New York City's elite and she further captivated her customers through her seductive letters which mixed elements of traditional feminine demureness with sexual boldness But she was to meet her match and her nemesis in a youth called Richard Robinson He was one of an unprecedented number of young men who flooded into America's burgeoning cities in the 1830s to satisfy the new business society's seemingly infinite need for clerks The son of an established Connecticut family he was intense arrogant and given to posturing He became Helen Jewett's lover in a tempestuous affair and ten months later was arrested for her murder He stood trial in a five day courtroom drama that ended with his acquittal amid the cheers of hundreds of fellow clerks and other spectators With no conviction for murder nor closure of any sort the case continued to tantalize the public even though Richard Robinson disappeared from view Through the Erie Canal down the Ohio and the Mississippi and by way of New Orleans he reached the wilds of Texas and a new life under a new name Through her meticulous and ingenious research Patricia Cline Cohen traces his life there and the many twists and turns of the lingering mystery of the murder Her stunning portrayals of Helen Jewett Robinson and their raffish colorful nineteenth century world make vivid a frenetic city life and sexual morality whose complexities contradictions and concerns resonate with those of our own time

A Bibliography of the Malayan Campaign and the Japanese Period in West Malaysia, Singapore, and Borneo, 1941-1945 Justin J. Corfield, 2001 If there was an honour roll of bibliographies of the Malayan campaign and the Japanese occupation of Malaya Singapore and Borneo this work would come close to the top of the list With over 4 000 entries it is a formidable collection and there is no doubt that Justin Corfield's efforts will be valuable to scholars working on this important aspect of military as well as Malayan and Singapore history Corfield has compiled a virtual treasure trove of hitherto seemingly untouched material in the form of original diaries and other unpublished personal accounts including material not only in English and Dutch but also in Malay and Chinese Three indices greatly facilitate the looking up of entries
