Guilty By Choice

Anna M. Young

Guilty By Choice:

Guilty by Choice Patricia D. Benke, 2013-09 There was suppressed deep inside Niki Crawford the knowledge that all of her compassion and caring all of her responsibility had for one moment come up against something else another part of her she d only guessed was there and that other part had prevailed Without clearly understanding it she knew she had been all that had stood between order and chaos sanity and madness But it had been raining And now her mind unable to absorb the magnitude of the consequences of her decision continued erasing from her memory everything she had seen Niki Crawford could have saved the life of 8 year old Kelly Solomon But it was raining and she drove quickly past the scene Now a little girl is missing and Niki s decision not to intervene when she saw the kidnapping unfold torments her so deeply that she returns to the place she saw the kidnapping and finds the girl s lifeless body Now she is so traumatized that she is unable to remember the events of that fateful night and the key evidence that would identify the murderer Deputy District Attorney Judith Thornton leads a stressful enough life carrying for an elderly mother and a young child It appears the arrest and prosecution of suspect Robert Engle will bring the case to a speedy conclusion But a series of police errors grinds her case to a halt And in a dramatic courtroom scene that leaves even Engle incredulous he offers to plead guilty but the law will not allow it unless his attorney agrees And Alan Larson his notorious defense attorney will not agree And so as the case races forward through trial and jury deliberations Judith desperately needs Niki to cooperate with the investigation and remember the events surrounding the murder before Larson discovers on his own what Niki really saw and helps set a murderer free **Guilty By Choice** is the first novel in the acclaimed Judith Thornton series The book probes the importance and effects of personal choices on lives and the criminal justice process It enjoyed a first printing of 100 000 copies Other titles in the Judith Thornton series include McGonigle Canyon Graffiti and An Honorable Man Sentence Discounts and the Criminal Process Ralph J Henham, 2017-09-20 This title was first published in 2001 This volume presents the results of an empirical investigation into the operation of sentence discounts for guilty pleas in the Crown Court It focuses primarily on the nature of judicial compliance with the S48 Criminal Justice and Public Order Act 1994 and those variables in sentence decision making which impact on this process It also examines the relative use made of sentence discounts and the nature and relevance of court of appeal guidance In doing so it raises important theoretical issues relating to sentencing research and addresses the implications for sentencing policy and practice With empirical research on the operation of the sentencing process being comparatively rare the book should make an important contribution to the existing literature **Teacher, Scholar, Mother** Anna M. Young, 2015-10-08 **Teacher Scholar Mother** advances a more productive conversation across disciplines on motherhood through its discussion on intersecting axes of power and privilege This multi and trans disciplinary book features mother scholars who bring their theoretical and disciplinary lenses to bear on questions of identity practice policy institutional memory progress and the gendered notion of parenting that still pervades the modern academy **Master the**

U.S. Border Patrol Exam: Two Practice Tests Peterson's,2011-03-01 Part IV Peterson's Master the U S Border Patrol Exam Two Practice Tests offers two full length U S Border Patrol Exams which contain questions modeled after U S Custom and Border Protection sample tests The practice test provides questions and answer explanations from the Logical Reasoning Test the Spanish Language Proficiency Test and the Artificial Language Test ALT Peterson's guide will provide you with everything you need to navigate the Border Patrol screening process and score high on the U S Border Patrol Exam For more information see Peterson's Master the U S Border Patrol Exam *MULTIPLE CHOICE CLUES* Mitchell J. Friedlander,2010-03-31 This book has been written to help test takers more efficiently go through the reasoning process when answering multiple choice questions It points out a series of clues to both the distracter choices and the correct answers These clues are inherent in the making of standardized exams as distracter choices often point to the correct answer Furthermore the book studies how academic tests are constructed and how and why certain strategies are consistently used by test makers in the writing of these distracter choices Test scores automatically improve when these strategies and clues are learned as the correct answers will stick out more than ever once you have acquired this knowledge While the focus is on helping students in academia this book is also of value to anyone who needs to take a test to get a professional license certification promotion or any type of evaluation *United States of America V. Nevarez* ,1978 *The Writings Against the Manichaeans and Against the Donatists: Part II - The Donatists* Aurelius Augustine,2017-08-31 In the second part of this series Augustine switches his focus to a group that were also threatening the church of his day in that they believed that the church must be perfect and faultless in all it does The Donatists started to refuse to be baptised or taught by anyone that they felt was a traitor to the faith since they were the only true church that was allowed to administer sacraments and teach the ways of God to the world Augustine quickly fought back against this group bringing all their arguments forward to be thought through and condemned by one of the greatest thinkers and theologians of the early church *The Problem of Evil* Marion Le Roy Burton,1909 This book is not intended for the popular reader It is a rather detailed and technical criticism of the philosophical basis of the Augustinian treatment of the problem of evil The author does not presume to have fathomed this eternal mystery nor to have reformulated the doctrine of sin If however he has set forth in a true light the historic theory which for centuries has dominated Christian thought and has shown the absolute necessity of a reconstruction of the doctrine of sin then in a measure he has realized his purpose Preface **Two Discourses [on Rom. v. 13, and Rom. v. 13] on the Nature of Sin: delivered before the Students of Yale College, etc** Eleazar T. FITCH,1826 *Two Discourses on the Nature of Sin* Eleazar Thompson Fitch,1826 **People of the State of Illinois V. Mulero** ,1996 *Reflections in Personal Construct Theory* Richard Butler,2009-03-18 Internationally renowned practitioners discuss the impact of reflexivity on their work giving those new to personal construct psychology valuable insights and guidance on managing the therapeutic relationship Reflexivity is a key methodological issue in psychological theory and practice and is an area of growing interest

International contributors include prominent constructivist psychologists such as Richard Bell and David Winter Will help constructivist therapists to gain a better understanding of the nature of personal constructs from the perspective of both client and therapist *The Oxford Handbook of the Philosophy of Punishment* Jesper Ryberg, 2024-11 **Princeton**
