Guinness Drinking Companion:

The Guinness Drinking Companion Leslie Dunkling, 1995 A book of delicious sips from the fascinating world of brews and spirits SEE QUOTE When Romeo Met Juliet Leslie Dunkling, 2005 Why do people fall passionately in love at first sight Shakespeare and more than 200 other writers and poets provide some surprising answers A History of the World in 6 Glasses Tom Standage, 2009-05-26 New York Times Bestseller From beer to Coca Cola the six drinks that have helped shape human history Throughout human history certain drinks have done much more than just quench thirst As Tom Standage relates with authority and charm six of them have had a surprisingly pervasive influence on the course of history becoming the defining drink during a pivotal historical period A History of the World in 6 Glasses tells the story of humanity from the Stone Age to the 21st century through the lens of beer wine spirits coffee tea and cola Beer was first made in the Fertile Crescent and by 3000 B C E was so important to Mesopotamia and Egypt that it was used to pay wages In ancient Greece wine became the main export of her vast seaborne trade helping spread Greek culture abroad Spirits such as brandy and rum fueled the Age of Exploration fortifying seamen on long voyages and oiling the pernicious slave trade Although coffee originated in the Arab world it stoked revolutionary thought in Europe during the Age of Reason when coffeehouses became centers of intellectual exchange And hundreds of years after the Chinese began drinking tea it became especially popular in Britain with far reaching effects on British foreign policy Finally though carbonated drinks were invented in 18th century Europe they became a 20th century phenomenon and Coca Cola in particular is the leading symbol of globalization For Tom Standage each drink is a kind of technology a catalyst for advancing culture by which he demonstrates the intricate interplay of different civilizations You may never look at your favorite drink the same way again **The Oxford Encyclopedia of Food and Drink in America** Andrew Smith, 2013-01-31 Home cooks and gourmets chefs and restaurateurs epicures and simple food lovers of all stripes will delight in this smorgasbord of the history and culture of food and drink Professor of Culinary History Andrew Smith and nearly 200 authors bring together in 770 entries the scholarship on wide ranging topics from airline and funeral food to fad diets and fast food drinks like lemonade Kool Aid and Tang foodstuffs like Jell O Twinkies and Spam and Dagwood hoagie and Sloppy Joe sandwiches **Fermenting Revolution** Christopher Mark O'Brien, 2006-11-01 Fermenting Revolution delivers an empowering message about how individuals can change the world through the simple act of having a beer It is also the first book to view all of the important trends in human history as fundamentally revolving around beer Globalization pitches the corporate worldview that is essentially selfish rewarding the few while demeaning the many and devastating nature against the sustainability movement that calls for cooperation the protection and celebration of nature and the nurturing of equitable communities Beer exemplifies the struggle This book Traces the path of brewing from a women led home based craft to corporate industry Describes how craft breweries and home brewing are forging stronger communities Explains how corporate mega breweries are saving the world by pioneering

industrial ecology and Profiles the most inspiring and radical breweries brewers and beer drinkers that are making the world a better place to live The return to beer as a way of life is communal convivial democratic healthful and natural The American beer renaissance champions ecologically sustainable production and is helping to create thriving community places After reading Fermenting Revolution mere beer drinkers will become beer activists ready to fight corporate rule by simply meeting their neighbors for a pint at the local brewpub saving the world one beer at a time WineSpeak Bernard Klem,2009-07-01

If you read wine reviews you re already either amused or confused by the soaring language wine writers often use to describe what they re smelling and tasting But do you always know what they mean Have you ever sipped a complex white and sensed what s so colorfully described as a peacock s tail Have you ever savored a full bodied red only to detect the ripe acrid smell of a horse stall If not you re in for a treat because these terms and thousands more are all here to amuse dismay enlighten inspire puzzle and utterly shock you Welcome to the rich linguistic universe of wine speak a world where words and wine intersect in an uncontrolled riot of language guaranteed to keep you entertained for hours The author a lifelong lover of both wine and words has compiled and organized this unique thesaurus of 36 975 wine tasting descriptors into 20 special collections extracted from 27 categories so you can locate exactly the right term or phrase to express yourself clearly or to understand others May your path across the galaxy of wine be paved only with labels from the very best bottles on earth Or much more cautiously with wines that could introduce you to angel pee citronella eastern European fruit soup Godzilla iodine ladies underwear mustard gas old running shoes rawhide hot tar roads bubblegum sweaty saddles crushed ants kitchen drains or even turpentine

A Celtic Temperament Robertson Davies,2015 Robertson Davies 1913 1995 had a remarkable literary career that extended through the entire second half of the 20th century Chronicling his time as editor of the Peterborough Examiner his role as the founding master of Massey College and most of all his life as a writer from the failure of a play in New York to the beginnings of an idea for a novel that would become Fifth Business 1970 A Celtic Temperament is entertaining and illuminating and a major addition to Davies body of work A History of the World in Six Glasses Tom Standage,2010-01-08 Whatever your favourite tippie when you pour yourself a drink you have the past in a glass You can likely find them all in your own kitchen beer wine spirits coffee tea cola Line them up on the counter and there you have it thousands of years of human history in six drinks Tom Standage opens a window onto the past in this tour of six beverages that remain essentials today En route he makes fascinating forays into the byways of western culture Why were ancient Egyptians buried with beer Why was wine considered a classier drink than beer by the Romans How did rum grog help the British navy defeat Napoleon What is the relationship between coffee and revolution And how did Coca Cola become the number one poster product for globalization decades before the term was even coined

Temples of Hope and Desire Jack Mac'Kie,2006-11 Templeton Richard Drake or T R as he is called by his friends is a young veteran of the Nibian War who returns to America and tries to come to grips with his disenchantment and emotional emptiness and the feeling that control

of his life is out of his hands He finds solace in hard drinking painting and casual sex He learns that the wealthy inventor of the blaster trapper the mechanical arm that transformed the flip ball industry has taken his life under suspicious circumstances and taken with him to the grave the knowledge of the resting place of the Holy Grail T R joins the search for the holy vessel and his dreams and visions reveal to him his destiny to lead a modern crusade of knights against the dark forces of the Islamic terrorist Assama ben Licken and retake the Holy Land for Christendom His search for the Holy Grail the Ark of the Covenant and the Spear of Destiny takes him from Mississippi to the Mediterranean the Highlands of Scotland the plains of Ethiopia and the dense jungles of Mexico where an ancient temple holds the key to the fate of mankind T R Drake s search for these sacred relics from the past takes him on a spiritual as well as a geographical journey and ultimately reveals to him the power of love
