Reginald,2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin ***The Guns of Shilo A Story of the Great Western Campaign*** Joseph A. Altsheler,2018-11-14 *The Guns of Shiloh* a complete story in itself is the complement of *The Guns of Bull Run* In *The Guns of Bull Run* the Civil War and its beginnings are seen through the eyes of Harry Kenton who is on the Southern side In *The Guns of Shiloh* the mighty struggle takes its color from the view of Dick Mason who fights for the North and who is with Grant in his first great campaign *Brazos Guns* Jack Sheriff,2017-04-01 Cash hungry Nate Bannerman unable to persuade his brother to sell the Lazy B hires a look alike killer to murder a young girl Her half blind father is the witness whose reluctant testimony gets his old friend Bannerman a life sentence *The Guns of Shiloh: A Story of the Great Western Campaign* Joseph Altsheler,2019-04-10 ***Death Valley and the Amargosa*** Richard E. Lingenfelter,1986 This is the history of Death Valley where that bitter stream the Amargosa dies It embraces the whole basin of the Amargosa from the Panamints to the Spring Mountains from the Palmettos to the Avawatz And it spans a century from the earliest recollections and the oldest records to that day in 1933 when much of the valley was finally set aside as a National Monument This is the story of an illusory land of the people it attracted and of the dreams and delusions they pursued the story of the metals in its mountains and the salts in its sinks of its desiccating heat and its revitalizing springs and of all the riches of its scenery and lore the story of Indians and horse thieves lost argonauts and lost mine hunters prospectors and promoters miners and millionaires stockholders and stock sharps homesteaders and hermits writers and tourists But mostly this is the story of the illusions the illusions of a shortcut to the gold diggings that lured the forty niners of inescapable deadliness that hung in the name they left behind of lost bonanzas that grew out of the few nuggets they found of immeasurable riches spread by hopeful prospectors and calculating con men and of impenetrable mysteries concocted by the likes of Scotty These and many lesser illusions are the heart of its history *The Guns of Shiloh; A Story of the Great Western Campaign* Joseph A. Altsheler,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage ***The Valley's Legends & Legacies*** Catherine Morison Rehart,1996 A community without knowledge of its history is like a man without knowledge of his soul Catherine Morison Rehart s

captivating vignettes extend to all of us an invitation to learn something of California's Central Valley history. It is here in Rehart's near magical journey through time that we are privileged to view the sacrifices and successes, the toils and triumphs of those who preceded us, each contributing his or her measure to the legacy of this extraordinary place. In *Legends and Legacies*, a five volume series, Rehart sojourns at the wellspring of local history, chronicling with warmth and affection the intriguing, exciting, humorous and poignant stories of the vibrant, colorful Valley inhabitants who created the legends and bestowed the legacies on those of us who now roam the same cherished ground. **U-Boat Attack Logs** Bruce

Taylor, Daniel Morgan, 2011-11-09. An indispensable reference work for anyone studying either the U boat campaign or WW2 at sea. Copiously illustrated, fascinating and harrowing Navy News. During the Second World War, over 250 Allied warships from a dozen navies were sent to the bottom by German U boats. This ground breaking study provides a detailed analysis of every sinking for which source material survives from both the Allied and the German sides, resulting in detailed treatment of the fate of 110 vessels, with the remainder summarized in an extensive appendix. Uniquely, each entry is built around a specialist translation of the relevant segment of the war diary log of the U boat in question, taken directly from the surviving originals. Remarkably, this represents the first large scale publication of the U boat war diaries in any language. The book offers a wealth of new information, not only with respect to the circumstances of the sinkings from both the Allied and German perspectives, but also to the technical environment in which they lived, as well as the fate of the crews. The entries include background details on the vessels concerned and the men involved, with a selection of rare and carefully chosen photos from archives and collections around the world. Each entry is itself a compelling narrative, but is backed with a list of sources consulted, including documents, published works and websites. A decade in the making, this is probably the most important book on the U boat war to be published for many a year. Offers significant new information on many of the most famous incidents. *Maritime Advisor*. *The story of Stanley, the hero of Africa*, by E.A. Macdonald, Andrew Melrose, 1891.

Twentieth-century Western Writers, 1982. Lists writers of western fiction with a biography, a bibliography of the writer's works and a critical essay on each writer. Sometimes comments by the author himself are included. *Gunblaze Valley* Charles Alden Seltzer, 1990. *The British National Bibliography* Arthur James Wells, 1993. *The Rebellion Record: Oct.
