**Lisa A. Eargle, Ashraf Esmail**

## **Gun Control Is It A Right Or A Danger To Bear Arms:**

*It Is Dangerous to Be Right When the Government Is Wrong* Andrew P. Napolitano, 2011-10-17 DOES THE GOVERNMENT EXIST TO SERVE US OR TO MASTER US If the government exists to serve us and if freedom is part of our humanity how can the government take freedom from us Is human freedom in America a myth or is it reality The United States of America was born out of a bloody revolt against tyranny Yet almost from its inception the government here has suppressed liberty Within the pages of *It Is Dangerous To Be Right When The Government Is Wrong* New York Times best selling author Judge Andrew P Napolitano lays out the case that the U S government whose first obligation is to protect and preserve individual freedoms actually does neither The judge offers eye opening sometimes frightening examples of how time and again the human liberties we are guaranteed in the Constitution are vanishing before our eyes He asks where does freedom come from How can government in America exercise power that the people have not given to it What forces have collaborated to destroy personal freedom This back to basics on freedom addresses hard questions What is a Constitution and do we still have one What are the limits to government power in a free society Why does the government attack rather than defend our rights If our rights are inalienable how can the government take them away Do we really own any private property America is at a fundamental crossroads There are stirrings in the land and a cry that enough is enough The stories within these pages are told to help reawaken the natural human thirst for freedom to point out government interference with natural order and the disastrous consequences that follow

*Gun Control and the Constitution* Robert J. Cottrol, 2023-06-14 First Published in 1993 This volume is a collection of legal and historical material of the second amendment that includes court cases and decisions law review articles and gives a balanced view of both sides of the debate

*Whose Right Is It? The Second Amendment and the Fight Over Guns* Hana Bajramovic, 2020-09-22 Discover the truth about the Second Amendment the NRA and the United States centuries long fight over guns in this first of its kind book for middle grade readers A compelling clear analysis of one of our country s oldest dilemmas how to balance gun rights with public safety It tells the full and true story of the Second Amendment and points to a way to bring sanity to our gun laws A remarkable primer for all ages Michael Waldman author of *The Second Amendment A Biography* For the majority of the United States history the right to own a gun belonged to a well regulated militia That changed in 2008 with the historic *District of Columbia v Heller* case which ruled that the Second Amendment protected an individual s right In the years since the debate over gun legislation has reached a crescendo And the issue grows ever relevant to children across America with an estimated three million exposed to shootings every year From metal detectors to see through backpacks to shooting drills kids face daily reminders of the threat of guns Hana Bajramovic s *Whose Right Is It The Second Amendment and the Fight Over Guns* reveals how a once obscure amendment became the focus of daily heated debate Filled with historical photos and informative graphics the book will show young readers how gun legislation has always been a part of American history and how money

power and systemic racism have long dictated our ability to own guns A Junior Library Guild Selection Hana Bajramovic provides readers with a compelling overview on the history of guns in the United States and the changing conflicting interpretations of the Second Amendment certain to stimulate conversation and thinking on the part of future generations Award winning author Doreen Rappaport Debating Gun Control David DeGrazia, Lester H. Hunt, 2016 Americans have an ambivalent relationship to guns The debate over the role of guns and gun regulations in American society tends to be acrimonious and misinformed DeGrazia and Hunt bring the advantages of philosophical analysis to this highly charged issue in the service of illuminating the strongest possible cases for and against relatively extensive gun regulations **The Politics of Gun Control** Robert J. Spitzer, 2017-10-19 The new edition of this classic text covers the latest developments in American gun policy including shooting incidents plaguing the American landscape especially the Orlando nightclub shootings the San Bernardino incident and the ongoing legacy of Sandy Hook placing them in context with similar recent events The incidents described in the book sparked a wave of gun control legislation at local state and national levels some of which was successful some doomed and all controversial Robert J Spitzer has long been a recognized authority on gun control and gun policy His even handed treatment of the issue as both a member of the NRA and the Brady Center continues to compel national and international interest including interviews by the likes of Terry Gross Tom Ashbrook and Diane Rehm The seventh edition of *The Politics of Gun Control* provides the reader with up to date data and coverage of gun ownership gun deaths school shootings border patrols and new topics including social media stand your ground laws magazine regulation and shooting related mental health initiatives New to the Seventh Edition Reports on the pivotal 2016 elections including the rise and victory of one time gun control supporter turned gun rights advocate Donald Trump The latest data on gun ownership and use revealing contradictory trends New developments in the push to allow civilian gun carrying on college campuses the controversy over so called gun free zones and a new examination of restrictions imposed on the Centers for Disease Control *Gun Control* Steven Otfinoski, 1993 *Handgun Crime Control, 1975-1976* United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate Juvenile Delinquency, 1976 John Massaro, 2008-05-01 Second Amendment commentary and case law are incorrect But unfortunately they are relied upon by today s scholars and jurists However this book written in plain English instead of the legalese that many people find unappealing about books pertaining to legal subjects takes the bold step of disproving these incorrect authorities on the most controversial and puzzling provision of the United States Constitution and it meets that challenge While other books on the Second Amendment rely largely on incorrect commentary and case law this book uses credible and irrefutable documentary evidence to uncover the substance of the Second Amendment By proving that Second Amendment commentary and case law are incorrect this book will become both the preeminent treatise on the Second Amendment and a landmark book in the field of Constitutional law And while gun control has been a highly controversial issue for a long time the debate on gun control

has been improperly bifurcated into what is good public policy and what is Constitutional This book eliminates the Constitutional component of that debate so that it can be focused solely on what is good public policy Other books written on the Second Amendment propose incorrect theories or attempt to reconcile its two supposed clauses However this book is the best book ever written on the Second Amendment because it does what no other book has ever done It uncovers by means of documentary evidence instead of mere argument the true meanings of the terms A well regulated Militia the people keep and bear Arms This book is current right up to the 2008 Supreme Court case of District of Columbia v Heller and the information contained in this book forms the foundation of what a correct determination of that case would be Gun Control Legislation United States. Congress. House. Judiciary Committee, 1972 **Gun Control Legislation** United States. Congress. House. Committee on the Judiciary, 1972 **Legislation to Modify the 1968 Gun Control Act** United States. Congress. House. Committee on the Judiciary, 1987 **Legislation to Modify the 1986 Gun Control Act** United States. Congress. House. Committee on the Judiciary, 1987 **Keeping the Republic** Christine Barbour, Gerald C. Wright, 2025-02-22 Keeping the Republic draws students into the study of American politics showing them how to think critically about who gets what and how while exploring the twin themes of power and citizenship Throughout the text and its features authors Christine Barbour and Gerald C Wright reveal how to effectively apply critical thinking skills to the political information encountered every day With students living through one of the most challenging periods in American life the Twelfth Edition is a much needed resource to help them make sense of politics in America today and become savvy consumers of political information **Crime File Study Guide**, *Violence and Crime* James F. Anderson, Kelley Reinsmith-Jones, Tazinski P. Lee, 2025-11-06 This book examines the critical connections between criminal justice and public health perspectives on violence and crime Violent crime involves not only criminal justice agencies but social agencies community groups and public and private healthcare organizations The authors provide a broad overview of prevalent forms of violence focusing on how criminal justice and public health perspectives converge in the examination of and response to these issues The book looks at the nexus of public health with problems as varied as assaultive violence child abuse rape and sexual abuse interpersonal violence elder abuse suicide police violence teenage bullying workplace violence firearm injuries and opioid addiction The authors lay out a structure for an epidemiological approach to studying violent crime and offer policy recommendations for using both criminal justice and public health approaches to prevent violence This volume spotlights the connections between violent crime and public health and urges a consideration of public health in efforts to prevent and control violent crime It is ideal for courses on violence in criminology criminal justice sociology and social work and an invaluable tool for practitioners policymakers researchers advocates and community volunteers in criminal justice public health and social service **Gun Control** ViewCaps, 2013-03-13 Gun Control That single phrase is enough to spark a passionate debate from either side It s hard to form a view one way or another when there is so much heated opinion for or

against it The ViewCaps Pros and Cons series takes a step back and looks at the issue objectively It lays out only the facts and let s you decide what opinion to take ViewCaps is an imprint of BookCaps Study Guides With each book a issue is objectively analyzed We publish a wide array of topics from baseball and music to science and philosophy so check our growing catalogue regularly to see our newest books      **Guns in American Society** Gregg Lee Carter,2012-05-04

Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of Guns in American Society An Encyclopedia of History Politics Culture and the Law was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of Guns in American Society is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters      **The Highest Law**

**in the Land** Jessica Pishko,2024-09-17 Shortlisted for Columbia Journalism School s J Anthony Lukas Prize A Publishers Lunch NonFiction Buzz Book Named Most Anticipated by Los Angeles Times A leading authority on sheriffs investigates the impunity with which they police their communities alongside the troubling role they play in American life law enforcement and increasingly national politics The figure of the American sheriff has loomed large in popular imagination though given the outsize jurisdiction sheriffs have over people s lives the office of sheriffs remains a gravely under examined institution Locally elected largely unaccountable and difficult to remove the country s over three thousand sheriffs mostly white men wield immense power making arrests running county jails enforcing evictions and immigration laws with a quarter of all U S law enforcement officers reporting to them In recent years there s been a revival of constitutional sheriffs who assert that their authority supersedes that of legislatures courts and even the president They ve protested federal mask and vaccine mandates and gun regulations railed against police reforms and ultimately declared themselves election police with many endorsing the Big Lie of a stolen presidential election They are embraced by far right militia groups white nationalists the Claremont Institute and former president Donald Trump who sees them as allies in mass deportation and border policing How did a group of law enforcement officers decide that they were above the law What are the stakes for local and national politics and for America as a multi racial democracy Blending investigative reporting historical research and political analysis author Jessica Pishko takes us to the roots of why sheriffs have become a flashpoint in the current politics of toxic masculinity

guns white supremacy and rural resentment and uncovers how sheriffs have effectively evaded accountability since the nation's founding A must read for fans of Michelle Alexander Gilbert King Elizabeth Hinton and Kathleen Belew Gun Violence in American Society Lisa A. Eargle, Ashraf Esmail, 2015-11-17 Gun Violence In American Society Crime Justice and Public Policy provides an in depth multidisciplinary investigation into one of society's major social public health and political concerns death injury and destruction from the use of firearms Contributors employ a variety of theoretical methodological and data analysis frameworks to address different gun violence issues They explore how gun violence is created and perpetuated in society as well as the various forms and social contexts in which it appears The impacts of gun violence on different social groups communities and social institutions are also delineated Moreover possible solutions to gun violence are presented **The Gun Control Debate** Lianna Tatman, 2019-07-15 The recent sharp rise in school shootings in the United States has kept the gun control debate going However for many people it is an emotional topic making much of the information that people hear in the media or from friends and family members biased in one way or another Understanding the history of gun laws in America and the realities of both sides of the issue is pivotal Up to date statistics annotated quotes from experts and real world examples contextualize the arguments surrounding this complex issue This knowledge allows young adults to become informed participants in the gun control debate
