## **Gun Law At Broken Spoke:**

*Gun Law at Broken Spoke* Terrell L. Bowers,1997-12 To become a man of importance at Wells Fargo Company was Luke Mallory's dream so it's a sad day for Luke when he's unjustly fired for being honest and trusting. Returning to Broken Spoke and Timony Fairbourn the woman he loves is all the more frustrating because she is mad at him for leaving in the first place. As usual trouble has found its way to Broken Spoke and this time greedy rancher Preston Hytower is planning to divert the local creek to water his own special cattle. If Hytower won't obey the laws of common decency Luke may have to invoke the more dangerous law of the gun. **Destiny at Broken Spoke** Terrell L. Bowers,1998 For Tito Pacheco a few hands of poker seems a good way to pass the time until he is forced to kill one man to save another. Then he finds the body on the trail and has a second gunfight in a town called Ivory Flats. About the time things seem as if they can't get any worse Tito is hitched up to a team of kids and running for the sanctuary of Broken Spoke. Baxter Puggot loved his kid brother. He vowed to see his brother's killer dead by any means necessary and he had a half dozen men who could get the job done. Tito could run far and dig himself a deep hole but Baxter swore he would root him out and see him dead. Luke Mallory and the other men in Broken Spoke intend to stand by Tito but it could mean a war against up to a dozen hardened bounty hunters. War meant bullets flying and some being hurt or killed and none of the people in the valley wanted that. Regardless Luke knew they would stand by Tito. If Baxter Puggot's gang came looking for a fight he figured they would meet their Destiny at Broken Spoke.

**Rattlesnake Gulch** Marjorie M. McGinley,1999 Dan Turner sheriff of a small town in Northern California in 1869 is a busy man. Criminals tend to think they can rob the townspeople of River Grove and then hide out in the mountains behind town. But maybe they're wrong. Clay's Justice David Shifren,1999 Ever since Will Clay's wife and newborn son died in childbirth he's been riding away from his past. Then he takes up residence with a rancher and his family finally finding a sense of belonging. But when disaster strikes Clay takes to the trail again. Only this time he has a sense of purpose seeking justice. **The Eureka Trail** Tracy Dunham,1999 **The Writers Directory** ,2013 *The O'Malley Saga* Tom Austin,1998 **Peacemaker Bounty** Clifford Blair,1998 **Shadow of the Gallows** S. The Quigley's enemies become Dan's own and he must defend his new friends against a cattle baron who covets wealth and power and will take it any way he can. All the while Dan knows he will have to face Draper in a final showdown. The stakes are high Dan will have to risk everything to win the new life he so desperately wants. McLean,Anthony K. Fleming,2023-07-24 The American gun control debate is best understood as a battle in a war over the influence of individualism on American culture politics and policy This book demonstrates that the gun debate is fundamentally about values Specifically it is about what we value most private rights or the public good This helps explain why the technical empirical or legalistic arguments we hear aren t persuasive A review of scholarly literature on both the politics of gun control and American political culture finds an American bias toward an individualism that embraces personal rights We argue that this bias stacks the deck against gun control Interviews we conducted with activists show that support for or opposition to gun control is linked to concern for the public or private good Finally we trace the federal gun control debate in Washington from the 1960s to 2010s to show the ebbs and flows of individualism s influence      Proposed Amendments to Firearms Acts, Hearing United States. Congress. House. Committee on Ways and Means,1965      Proposed Amendments to Firearms Acts United States. Congress. House. Committee on Ways and Means,1965 Considers Administration s gun control proposals to prohibit mail order retail sales of guns to prohibit firearms sales to minors to restrict ownership of military firearms such as antitank guns bazookas and hand grenades to increase Federal license and registration fees and to promote state gun control efforts      **Congressional Record** United States.
