Gun Control And Gun Rights

Brian Doherty

Gun Control And Gun Rights:

Gun Control on Trial Brian Doherty, 2008-11-01 In June 2008 the Supreme Court had its first opportunity in seven decades to decide a question at the heart of one of America's most impassioned debates: Do Americans have a right to possess guns? *Gun Control on Trial* tells the full story of the Court's decision in *District of Columbia v. Heller* which ended the District's gun ban. With exclusive behind-the-scenes access throughout the process, author Brian Doherty is uniquely positioned to delve into the issues of this monumental case and provides compelling looks at the inside stories including the plaintiffs' fight for the right to protect their lives, the activist lawyers who worked to affirm that right, and the forces who fought to stop the case. *Critical Perspectives on Gun Control* Anne C. Cunningham, 2016-12-15 Every day forty-eight children and teens are shot, and seven will die from gun-related violence. Everyone agrees that these statistics are horrific, and yet people disagree about how to reduce gun-related violence. Will more federal control of gun sales help? Or, as others state, will this lead to an uptick in violence among those who obtain guns illegally? This text introduces different perspectives about this important and timely issue. Experts, politicians, judges, and everyday people weigh in on this contentious issue, allowing students to analyze gun control from all sides. *The Changing Politics of Gun Control* John M. Bruce, Clyde Wilcox, 1998-05-14 In recent years, political discourse about gun control and the Second Amendment has become increasingly volatile, and this collection of original essays by top scholars illuminates the various reasons why. Gun lobbies such as the National Rifle Association are more organized and aggressive, and their issue agenda has evolved as new and more powerful weapons and militia appear. On the other side of the debate, the critical wounding of James Brady gave gun control advocates a visible martyr with strong ties to Republican conservatives. In sum, gun control and the right to bear arms have become hotly disputed issues where political alignments are constantly shifting. The contributors chart these changes and explore how Congress, the courts, the President, and individual states are currently addressing the issue of gun control. This book, which includes profiles and examinations of relevant interest groups, the gun control coalition, recent Supreme Court decisions, and public opinion surveys, will be of great interest to classes in political science, American government, law, and sociology. **The Gun Control Debate** Lianna Tatman, 2019-07-15 The recent sharp rise in school shootings in the United States has kept the gun control debate going. However, for many people, it is an emotional topic, making much of the information that people hear in the media or from friends and family members biased in one way or another. Understanding the history of gun laws in America and the realities of both sides of the issue is pivotal. Up-to-date statistics, annotated quotes from experts, and real-world examples contextualize the arguments surrounding this complex issue. This knowledge allows young adults to become informed participants in the gun control debate. **The Gun Debate** Philip J. Cook, Kristin A. Goss, 2014-04-01 No topic is more polarizing than guns and gun control. From a gun culture that took root early in American history to the mass shootings that repeatedly bring the public discussion of gun control to a fever pitch, the topic has

preoccupied citizens public officials and special interest groups for decades The Gun Debate What Everyone Needs to Know delves into the issues that Americans debate when they talk about guns With a balanced and broad ranging approach noted economist Philip J Cook and political scientist Kristin A Goss thoroughly cover the latest research data and developments on gun ownership gun violence the firearms industry and the regulation of firearms The authors also tackle sensitive issues such as the effectiveness of gun control the connection between mental illness and violent crime the question of whether more guns make us safer and ways that video games and the media might contribute to gun violence No discussion of guns in the U S would be complete without consideration of the history culture and politics that drive the passion behind the debate Cook and Goss deftly explore the origins of the American gun culture and the makeup of both the gun rights and gun control movements Written in question and answer format the book will help readers make sense of the ideologically driven statistics and slogans that characterize our national conversation on firearms This book is a must read for anyone interested in getting a clear view of the issues surrounding guns and gun policy in America What Everyone Needs to Know is a registered trademark of Oxford University Press

The Second Amendment and Gun Control Laws as a Subject of Debate Lisa Schreinemacher, 2019-08-26 Seminar paper from the year 2019 in the subject American Studies Culture and Applied Geography grade 1.7 University of Bonn language English abstract This study is concerned with the historical development of the Second Amendment and how it is interpreted today In doing so John Vile's A Companion to the United States Constitution and its Amendments and Adam Winkler's Gun Fight have been consulted to provide background information on the history of the Second Amendment Due to the fact that this term paper also deals with current statistics on gun control laws it also relied on online research and online publications Firstly there will be a chapter that deals with the original intent of the founding fathers who framed the Second Amendment to the United States Constitution It will provide an historical overview of the creation of the Second Amendment and what led to its inclusion into the Bill of Rights It further tries to explain the founder's interpretation of the Second Amendment with regards to the militia The third chapter will focus on the question of how the National Rifle Association was able to rewrite the Second Amendment in order to gain more profit and get support for gun rights The chapter will present the approach taken by the NRA that resulted in a new interpretation of the Second Amendment and established the perception of an individual right to possess firearms within American society It will take into account the Supreme Court cases of United States v Miller of 1939 and District of Columbia v Heller of 2008 that ultimately guaranteed an individual's right to own firearms without any connection to a militia Another chapter will focus on gun control laws and provide a comparison between the United States and other developed countries Furthermore this chapter will give an insight into the perception of the Second Amendment within American society and discusses current gun control policies Finally the last paragraph of this term paper will be a conclusion which sums up the results achieved and gives an outlook for future research on the Second Amendment and gun control laws

The Gun Debate Philip J.

Cook, Kristin A. Goss, 2020 No topic is more polarizing than guns and gun control From a gun culture that took root early in American history to the mass shootings that repeatedly bring the public discussion of gun control to a fever pitch the topic has preoccupied citizens public officials and special interest groups for decades In this thoroughly revised second edition of *The Gun Debate What Everyone Needs to Know* noted economist Philip J Cook and political scientist Kristin A Goss delve into the issues that Americans debate when they talk about guns With a balanced and broad ranging approach the authors thoroughly cover the latest research data and developments on gun ownership gun violence the firearms industry and the regulation of firearms The authors also tackle sensitive issues such as the impact of gun violence on quality of life the influence of exposure to gun violence on mental health home production of guns arming teachers the effect of concealed weapons on crime rates and the ability of authorities to disarm people who aren't allowed to have a gun No discussion of guns in the U S would be complete without consideration of the history culture and politics that drive the passion behind the debate Cook and Goss deftly explore the origins of the American gun culture and the makeup of both the gun rights and gun control movements Written in question and answer format this updated edition brings the debate up to date for the current political climate under Trump and will help readers make sense of the ideologically driven statistics and slogans that characterize our national conversation on firearms This book is a must read for anyone interested in getting a clear view of the issues surrounding guns and gun policy in America

Gun Control Susan Dudley Gold, 2004 Discusses the history of guns and gun control in the United States relevant laws and legal cases and the arguments posed by both sides in the debate about how much government control there should be over firearms

Gun Control and Gun Rights Andrew J. McClurg, David B. Kopel, Brannon Denning, 2002-06 The benefits of gun ownership The costs of firearms Philosophical roots of the right to arms and of opposition to the right The right to arms in the Second Amendment and state constitutions cases and commentary Guns and identity race gender class and culture

Weapon of Choice Ian Ayres, Fredrick E. Vars, 2020-10-27 The push for federal gun reform is foundering Ian Ayres and Fredrick Vars look instead to libertarian ideas that can survive judicial review Individuals can renounce gun ownership rights which prevents suicide Citizens should be able to petition for confiscation from unlawful possessors While Congress and the courts argue lives can be saved

Gun Rights & Responsibilities Brian Kevin, 2012-01-01 This title examines the roots of the second amendment to the US Constitution from the history of gun rights in England to the Founders reasoning behind the second amendment and the responsibilities that accompany these rights Important regulating legislation such as the National Firearms Act Gun Control Act of 1968 and the Brady Handgun Violence Prevention Act are examined as well as important court decisions such as *District of Columbia v Heller* and *McDonald v City of Chicago* Carry laws and regulations are covered as are gun rights in other nations as well as laws in different American states The debate on gun control is covered as are the National Rifle Association and the Brady Center to Prevent Gun Violence Aligned to Common Core Standards and correlated to state standards Checkerboard Library

is an imprint of Abdo Publishing a division of ABDO

Everything You Need to Know About Gun Violence Adam Furgang, 2017-07-15 Gun violence can be a confusing and scary topic Anyone who keeps current with the news will know that gun violence occurs in our society nearly every day This book explores the history of guns as it applies to the Second Amendment and the effects of gun violence on society Gun control and legislation in the United States on federal state and local levels are thoughtfully addressed without taking sides on this controversial issue Sidebars highlight the NRA the ongoing debate about gun control legislation and what today's youth can do to help

Guns Across America Robert J. Spitzer, 2015 A fascinating tour through the history of one of America's most controversial issues gun control

Guns in America Donald J. Campbell, 2021-08-09 This work provides readers with an authoritative resource for understanding the true extent and nature of gun violence in America examining the veracity of claims and counterclaims about mass shootings gun laws and public attitudes about gun control This work is part of a series that uses evidence based documentation to examine the veracity of claims and beliefs about high profile issues in American culture and politics Each book in the Contemporary Debates series is intended to puncture rather than perpetuate myths that diminish our understanding of important policies and positions to provide needed context for misleading statements and claims and to confirm the factual accuracy of other assertions This particular volume examines beliefs claims and myths about gun violence gun laws and gun rights in the United States Issues covered in the book include trends in firearm violence mass shootings the impact of gun ownership on rates and types of crime regulations and Supreme Court decisions regarding gun control and the Second Amendment and the activities and influence of organizations ranging from the National Rifle Association to Everytown for Gun Safety All of these topics are examined in individualized entries with objective responses grounded in up to date evidence

Gun Control Ruth Bjorklund, 2014-01-01 Readers are presented with two sides of the debate related to gun control including policies and practices throughout American history gun laws and legislation gun safety crime and law enforcement In 1791 The Bill of Rights was added to the U S Constitution which included the second amendment or The Right to Bear Arms Two hundred years later the controversial issue of gun control is still being debated because the statistics surrounding gun violence and death remains staggering and continues to grow Encourage your readers to step inside the pages of this book to see where they stand on this topical issue

Gun Control in the United States Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence

gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of Gun Control in the United States A Reference Handbook enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court's ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

The Triumph of the Gun-Rights Argument Harry L. Wilson, 2015-01-16 Taking the bold position that the battle over gun control has already been won by the pro gun rights faction this book will be equally informative to those immersed in the debate and those new to it Gun control evokes passions equaled by few other subjects As this book shows the debate over firearms begins with cultural values and extends into questions of constitutional rights public health and safety and politics Examining its subject through the prism of the Sandy Hook shootings the book looks at the influence of elected officials the courts interest groups and average citizens in shaping gun control laws It shares poll results detailing what the public really thinks about guns and why and it explains the various components of gun policy and policymaking to show how they come together to form the current reality While small skirmishes about the right to bear arms will continue for some time the author a self described gun owning academic asserts that changing public opinion Supreme Court decisions dominance of gun rights interest groups the Democratic Party's virtual withdrawal from the discussion and a declining violent crime rate have formed a perfect storm resulting in the effective end of the gun control debate This assertion and the thoughtful examination that leads to it will be of equal interest to those engaged in the argument and those researching it for the first time

Gun Control ViewCaps, 2013-03-13 Gun Control That single phrase is enough to spark a passionate debate from either side It's hard to form a view one way or another when there is so much heated opinion for or against it The ViewCaps Pros and Cons series takes a step back and looks at the issue objectively It lays out only the facts and let's you decide what opinion to take ViewCaps is an imprint of BookCaps Study Guides With each book a issue is objectively analyzed We publish a wide array of topics from baseball and music to science and philosophy so check our growing catalogue regularly to see our newest books

The Second Amendment and Gun Control Kevin Yuill, Joe Street, 2017-09-14 The Second Amendment by far the most controversial amendment to the US Constitution will soon celebrate its 225th anniversary Yet despite the amount of ink spilled over this

controversy the debate continues on into the 21st century Initially written with a view towards protecting the nascent nation from more powerful enemies and preventing the tyranny experienced during the final years of British rule the Second Amendment has since become central to discussions about the balance between security and freedom It features in election contests and informs cultural discussions about race and gender This book seeks to broaden the discussion It situates discussion about gun controls within contemporary debates about citizenship culture philosophy and foreign policy as well as in the more familiar terrain of politics and history It features experts on the Constitution as well as chapters discussing the symbolic importance of Annie Oakley the role of firearms in race and filmic representations of armed Hispanic girl gangs It asks about the morality of gun controls and of not imposing them The collection presents a balanced view between those who favour more gun controls and those who would prefer fewer of them It is infused with the belief that through honest and open debate the often bitter cultural divide on the Second Amendment can be overcome and real progress made It contains a diverse range of perspectives including uniquely a European perspective on this most American of issues Gun Control and Gun Rights Andrew J. McClurg, David B. Kopel, Brannon Denning, 2002-06 The benefits of gun ownership The costs of firearms Philosophical roots of the right to arms and of opposition to the right The right to arms in the Second Amendment and state constitutions cases and commentary Guns and identity race gender class and culture

Gun Control And Gun Rights Introduction

Gun Control And Gun Rights Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Gun Control And Gun Rights Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Gun Control And Gun Rights : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Gun Control And Gun Rights : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Gun Control And Gun Rights Offers a diverse range of free eBooks across various genres. Gun Control And Gun Rights Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Gun Control And Gun Rights Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Gun Control And Gun Rights, especially related to Gun Control And Gun Rights, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Gun Control And Gun Rights, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Gun Control And Gun Rights books or magazines might include. Look for these in online stores or libraries. Remember that while Gun Control And Gun Rights, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Gun Control And Gun Rights eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Gun Control And Gun Rights full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gun Control And Gun Rights eBooks, including some popular titles.

FAQs About Gun Control And Gun Rights Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gun Control And Gun Rights is one of the best book in our library for free trial. We provide copy of Gun Control And Gun Rights in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gun Control And Gun Rights. Where to download Gun Control And Gun Rights online for free? Are you looking for Gun Control And Gun Rights PDF? This is definitely going to save you time and cash in something you should think about.
