Guns Of Summer:

Summer Thunder Matt Spruill, 2010-11-16 Among the myriad books examining the Battle of Gettysburg July 1-3, 1863 Summer Thunder is one of a kind. A terrific resource for its visitors to the national military park, it explores the clashing armies, deployment of artillery throughout the battle from one position to another from one day to the next. Matt Spruill, a retired U.S. Army colonel and former licensed Gettysburg guide, carefully takes readers to every point on the battlefield where artillery was used, and combining his own commentary with excerpts from the Official Records and other primary sources, he reveals the tactical thinking of both Union and Confederate commanders. Spruill uses a sequential series of thirty-five stops, complete with driving instructions and recent photographs to guide readers around the park and orient them about where the opposing units were placed and what happened there. Detailed maps depict the battlefield as it was in 1863 and are marked with artillery positions, including the number of guns in action with each battery. Meanwhile, the passages from primary sources allow the reader to see key events as the actual participants saw them. The book also brims with information about the various artillery pieces used by both sides, from howitzers to Parrott rifles and Napoleon field guns, and the critical role they played over the course of the battle right up to its outcome. Summer Thunder devotes a chapter to each of the three days of the historic battle, devotes a chapter to each of the three days of the historic Summer Thunder engagement between the Army of the Potomac and the Army of Northern Virginia. One can follow the battle chronologically in its entirety from Stop 1 to Stop 35, or concentrate on a specific day or a specific area. In fact, the maps and orientation information are of such detail that the book can be used even without being on the battlefield, making it an invaluable reference work for expert and novice alike.

Random Summer Storms Denise Ann Stock, 2023-04-14 Life can sometimes be a collection of random storms that we must weather like ships at sea. Families maneuver these storms throughout their lives. Ian and Dee Conner share the storms their family members experience in this third book of a series. The Conners are a close-knit family of five who live in a beach community enjoying surfing, biking, and doing what most families do. Together they weather some tumultuous storms. The couple tried to run from a big storm they created in California, moving to the east coast of Florida to start over and raise their family. They shut away the skeletons of their past, never telling anyone their secrets. Other skeletons appear on both sides of Ian and Dee's family trees, but often these skeletons are what bring families together. Eventually, Ian and Dee realize that nothing can stop a raging storm. They must face the past to have a future. Their family and children must chart their own course in life. It may not always be what they hoped, but one day the storm will end and the waters will calm. That is until the next. **Random Summer Storms**

The Summer of '63 Gettysburg Chris Mackowski, Dan Welch, 2021-06-30 An outstanding read for anyone interested in the Civil War and Gettysburg, in particular. Innovative and thoughtful ideas on seemingly well-covered events. The NYMAS Review. The largest land battle on the North American continent has maintained an unshakable grip on the American imagination. Building on momentum from a string of victories that stretched back into the summer of

1862 Robert E Lee launched his Confederate Army of Northern Virginia on an invasion of the North meant to shake Union resolve and fundamentally shift the dynamic of the war His counterpart with the Federal Army of the Potomac George Meade elevated to command just days before the fighting found himself defending his home state in a high stakes battle that could have put Confederates at the very gates of the nation s capital The public historians writing for the popular Emerging Civil War blog speaking on its podcast or delivering talks at the annual Emerging Civil War Symposium at Stevenson Ridge in Virginia always present their work in ways that engage and animate audiences Their efforts entertain challenge and sometimes provoke readers with fresh perspectives and insights born from years of working on battlefields guiding tours presenting talks and writing for the wider Civil War community The Summer of 63 Gettysburg is a compilation of some of their favorites anthologized revised and updated together with several original pieces Each entry includes original and helpful illustrations Along with its companion volume The Summer of 63 Vicksburg and Tullahoma this important study contextualizes the major 1863 campaigns in what was arguably the Civil War s turning point summer

A Fantasy Of Far Japan Or, Summer Dream Dialogues Kencho Suematsu,2024-01-02 A Fantasy of Far Japan Or Summer Dream Dialogues by Kencho Suematsu is a fascinating collection of essays that provide readers a vibrant glimpse into the wealthy tapestry of Japanese lifestyle lifestyle and folklore Through a series of captivating dialogues set against the backdrop of a dreamlike summer time landscape Suematsu takes readers on a journey via the landscapes of Japan each actual and imagined The book transports readers to a realm where the limits between fact and myth blur allowing them to explore timeless issues along with love honor and the fleeting nature of lifestyles Each communicate is a miniature masterpiece weaving together elements of Japanese mythology records and philosophy to create a charming tapestry of imagination From the serene beauty of cherry blossoms in bloom to the haunting allure of ancient temples hidden in mist shrouded mountains Suematsu s prose captures the essence of Japan s cultural background with grace and beauty Through his evocative storytelling and lyrical prose Suematsu invitations readers to immerse themselves inside the magic of Far Japan where goals and truth intertwine in an enchanting dance of the imagination

Summer of '42 Levon Thomassian,2025-06-06 Despite the overwhelming contributions made by the Armenians to the Allied war effort it is widely unknown that at least 18 000 served under the Third Reich After the war these so called collaborators were chastised and indiscriminately labeled as traitors by those unable to grasp the complexity of their circumstances Largely based on archival research German Armenian Relations in the Second World War attempts to separate fact from fallacy by examining the complex motives treatment and history of these Armenians

Grasshoppers in Summer Paul Colt,2020-10-13 They came from the land of the Great Father as many as grasshoppers in summer Autumn Snow Tsitsistas Cheyenne On December 21 1866 Red Cloud and a band of Oglala Lakota and Cheyenne warriors defeated a U S Army force led by Captain William J Fetterman The Fetterman defeat ended Red Cloud s war for control of the Bozeman Trail with the signing of the Fort Laramie Treaty of 1868 President Ulysses S Grant came to office the following year on a reform platform that included Indian peace policy Grasshoppers in Summer tells the epic story of making and breaking the Fort Laramie Treaty as seen through the eyes of opposing political military and tribal leaders Relentless fraud corruption cultural and political pressures frustrated Grant s effort to reform Indian policy A conspiracy of military railroad and mining interests destroyed the Fort Laramie Treaty leading to the drumbeat of war The plains tribes last great victory at Greasy Grass would win the bitter spoils of total defeat

Mr. Booker's Summer Vacation Mark Lages,2017-09-25 Mr Booker is a good natured high school history teacher whos planning on taking a summer trip to England but on the morning of his planned departure hes abducted and taken aboard an alien spaceship that is secretly orbiting planet Earth The aliens have been observing human beings for years trying to decide what they should do with our species They have many probing questions for Mr Booker and he does his best to answer them intelligently But are his answers really satisfactory and what do the aliens think And even more importantly what do you think This is not your typical alien abduction story so hold onto your hat and try to keep an open mind

The Reaper's Harvesting Summer Angelos Mansolas,2021-03-13 I know every single one of these grenadiers The oldest is barely eighteen These boys have not yet learned how to live but by God they know how to die These were the words of the division s commanding officer SS Oberführer Kurt Meyer for his own men men admired even by their very opponents Established in 1943 the 12th SS Panzer Division was designed to become an elite unit consisting of 17 year old youths a generation of future soldiers tough as leather and hard as Krupp steel commanded by a nucleus of hardened SS officers and NCOs This is a detailed history of the division from its formation all through the Normandy campaign where it received its baptism of fire Although employed in the field for the first time those young Waffen SS soldiers fought with a tenacity and ferocity unexcelled by any other unit Allied or German deployed in the invasion front defending doggedly every single yard of ground from Caen to Falaise a distance of just 25 miles for which the Canadian and British forces fought hard to capture paying a high price in human lives

Nez Perce Summer 1877 Jerome A. Greene,2022-09-12 Nez Perce Summer 1877 tells the story of a people s epic struggle to survive spiritually culturally and physically in the face of unrelenting military force Written by one of the foremost experts in frontier military history Jerome A Greene and reviewed by members of the Nez Perce tribe this definitive treatment of the Nez Perce War is the first to incorporate research from all known accounts of Nez Perce and U S military participants Enhanced by sixteen detailed maps and forty nine historic photographs Greene s gripping narrative takes readers on a three and one half month 1 700 mile journey across the wilds of Idaho Wyoming and Montana territories All of the skirmishes and battles of the

war receive detailed treatment which benefits from Greene's astute analysis of the strategies and decision making on both sides Between 100 and 150 of the more than 800 Nez Perce men women and children who began the trek were killed during the war Almost as many died in the months following the surrender after they were exiled to malaria ridden northeastern Oklahoma Army deaths numbered 113 The casualties on both sides were an extraordinary price for a war that nobody wanted but whose history has since fascinated generations of Americans

[Summer Trip to Weymouth and Dorchester](#) James Silk Buckingham, 1842

If It Takes All Summer William D. Matter, 2017-03-01 The termination of the war and the fate of the Union hung in the balance in May of 1864 as Robert E Lee's Army of Northern Virginia and Ulysses S Grant's Army of the Potomac clashed in the Virginia countryside first in the battle of the Wilderness where the Federal army sustained greater losses than at Chancellorsville and then further south in the vicinity of

Spotsylvania Courthouse where Grant sought to cut Lee's troops off from the Confederate capital of Richmond. This is the first book-length examination of the pivotal Spotsylvania campaign of 7-21 May. Drawing on extensive research in manuscript collections across the country and an exhaustive reading of the available literature, William Matter sets the strategic stage for the campaign before turning to a detailed description of tactical movements. He offers abundant fresh material on the race from the Wilderness to Spotsylvania, the role of Federal and Confederate cavalry, Emory Upton's brilliantly conceived Union assault on 10 May, and the bitter clash on 19 May at the Harris farm. Throughout the book, Matter assesses each side's successes, failures, and lost opportunities and sketches portraits of the principal commanders. The centerpiece of the narrative is a meticulous and dramatic treatment of the horrific encounter in the salient that formed the Confederate center on 12 May. There, the campaign reached its crisis as soldiers waged perhaps the longest and most desperate fight of the entire war for possession of the Bloody Angle, a fight so savage that trees were literally shot to pieces by musket fire. Matter's sure command of a mass of often conflicting testimony enables him to present by far the clearest account to date of this immensely complex phase of the battle. Rigorously researched, effectively presented, and well supported by maps, this book is a model tactical study that accords long overdue attention to the Spotsylvania campaign. It will quickly take its place in the front rank of military studies of the Civil War.
