assaulted Marine in Guantanamo Bay became the basis for the movie *A Few Good Men* When Bush chose him to become the U S Attorney for New Mexico it was a dream come true He was a core member of Karl Rove s idealized Republican Party of the future handsome Hispanic evangelical and a military veteran The dream came to an abrupt end when Senator Pete Domenici improperly called Iglesias wanting him to indict high level Democrats before the 2006 elections When Iglesias refused the line went dead Iglesias was fired just weeks later First he was devastated Then he was angry Now he is speaking out Iglesias recounts his interactions with Bush Rove Alberto Gonzales and other key players as he takes readers into his time at the Justice Department to reveal what top Republican officials said and did and how they subverted justice *The Western Gunslingers* Pasquale De Marco,2025-04-21 In the untamed frontier of the Wild West a breed of men emerged who lived and died by the gun the gunslingers These outlaws and lawmen captured the imagination of a nation and became the stuff of legends *The Western Gunslingers* delves into the lives exploits and legacies of some of the most notorious and fascinating figures from this era From the notorious James Gang and the elusive Billy the Kid to the legendary Wild Bill Hickok and the enigmatic Wyatt Earp we uncover the stories behind the men who shaped the Wild West Through a combination of historical research and captivating storytelling we bring to life the world of the gunslingers shedding light on their motivations their triumphs and their failures We explore the impact they had on their communities and the enduring legacy they left behind This comprehensive exploration examines the historical context that gave rise to the gunslinger phenomenon exploring the harsh realities of life on the frontier and the code of honor that governed these men We also explore the role of popular culture in shaping our perceptions of the gunslingers from dime novels and Wild West shows to modern films and television series *The Western Gunslingers* is a journey through the Wild West where the law of the gun ruled and where men lived and died by their own code Discover the stories of the gunslingers the men who made the West wild and the legends that continue to captivate us to this day If you like this book write a review on google books **Caliber of Justice** David C. result many of the producers of franchised Star Wars texts films television comics novels games and more over the past four decades have been fans turned creators Yet despite its dominant cultural and industrial positions Star Wars has rarely been the topic of sustained critical work Star Wars and the History of Transmedia Storytelling offers a corrective to this oversight by curating essays from a wide range of interdisciplinary scholars in order to bring Star Wars and its transmedia narratives more fully into the fold of media and cultural studies The collection places Star Wars at the center of those studies projects by examining video games novels and novelizations comics advertising practices television shows franchising models aesthetic and economic decisions fandom and cultural responses and other aspects of Star Wars and its world building in their multiple contexts of production distribution and reception In emphasizing that Star Wars is both a media franchise and a transmedia storyworld Star Wars and the History of Transmedia Storytelling demonstrates the ways in which transmedia storytelling and the industrial logic of media franchising have developed in concert over the past four decades as multinational corporations have become the central means for subsidizing profiting from and selling modes of immersive storyworlds to global audiences By taking this dual approach the book focuses on the interconnected nature of corporate production fan consumption and transmedia world building As such this collection grapples with the historical cultural aesthetic and political economic implications of the relationship between media franchising and transmedia storytelling as they are seen at work in the world s most profitable transmedia franchise
