Hawthorne's Reading, 1828-1850 Marion L. Kesselring, 1975 An indispensable source for an understanding of what Hawthorne read during more than twenty years An introductory essay summarized the areas in which Hawthorne's interests were traced sheds light on his reading habits the workings of the Salem Athenaeum      **Our Sister Editors** Patricia Okker, 2008-06-01 Our Sister Editors is the first book length study of Sarah J Hale's editorial career From 1828 to 1836 Hale edited the Boston based Ladies Magazine and then from 1837 to 1877 Philadelphia's Godey's Lady's Book which on the eve of the Civil War was the most widely read magazine in the United States boasting more than 150 000 subscribers Hale reviewed thousands of books regularly contributed her own fiction and poetry to her magazines wrote monthly editorials and published the works of such writers as Nathaniel Hawthorne Edgar Allan Poe Harriet Beecher Stowe and Lydia Sigourney Okker successfully relates Hale's contributions both to debates about the status of women and to the development of American literature Unlike many of her contemporaries Hale insisted on the power of women within both the public and private spheres Throughout her long career Hale helped popularize new ideas about reading and genre and she made significant contributions to the development of professional authorship Our Sister Editors also provides the first overview of the large and diverse group of nineteenth century women editors In her examination of the role of women as editors owners and publishers of periodicals and her use of Hale's career to exemplify and discuss a series of major issues related to women's writing and reading in Victorian America Patricia Okker offers a provocative revisionist study      N.W. **The IMS ... Ayer Directory of Publications**, 1890      *CliffsNotes on Hawthorne's The Scarlet Letter* Susan Van Kirk, 2011-05-18 The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format In CliffsNotes on Hawthorne's The Scarlet Letter you explore life in 17th century Massachusetts as you follow the ordeal of Hester Prynne who has been found guilty of adultery and sentenced to wear a scarlet letter A on her dress as a sign of shame The Scarlet Letter is considered to be Hawthorne's finest work depicting a world where the real meets the unreal the actual meets the imaginary in a classic story that is difficult to forget This study guide carefully walks you through every step of Hester's journey by providing summaries and critical analyses of each chapter of the novel You'll also explore the life and background of the author Nathaniel Hawthorne and gain insight into how

he came to write *The Scarlet Letter* Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays on the novel's setting and structure symbolism and classification as a gothic romance A review section that tests your knowledge A Resource Center full of books articles films and Internet sites Classic literature or modern day treasure you'll understand it all with expert information and insight from CliffsNotes study guides

*Hawthorne's Redemption* Gary P. Cranford, 2012-10 This book serves to feed human nature with both a religious and literary mood It may bring the reader a little closer to an understanding of life's complexities or it may challenge the reader's own philosophical self as he or she discovers the unraveling of Hawthorne's The editor of the book which has been composed from his memory of an unknown student's work claims to have unearthed a rare discovery that may unveil a mystery that has puzzled the best of minds in the literary field for many years In the words of its author his purpose is clear I have thought to publish my interpretations of Hawthorne's novel so that those critics in the field of literature who will may have additional cause for which to expound their intelligence either in trying to better understand this mystery or to salvage the old cherished ambiguities by which the public brain is presently intoxicated If I am correct in only a few of my impressions hopefully the main ones we shall have to reappraise Hawthorne as a literary prophet who hoped for and predicted a future time when mankind would look more favorable upon the creation man Both the author and editor send the reader on a journey into the mind and heart of an American icon which have too long been misunderstood and underappreciated He asks the reader to drink deep from the depths of his or her own intuitive awakenings and encourages each to rediscover the man who created *The Scarlet Letter* In so doing one may see the vexations and conflicts in his own life as a dark necessity to be endured as in the character of his beloved Hester who speaks to the heart of every human and in behalf of our own human nature
