Writing Development in Children with Hearing Loss, Dyslexia, or Oral Language Problems Barbara Arfe PhD, Julie Dockrell EdD, Virginia Berninger PhD, 2014-07-10

Writing is challenging for the majority of learners. For students with language problems, difficulties with written expression are considered one of the most common learning challenges. There is much to learn about the ways in which oral language skills impact on the acquisition of written language in children. *Writing Development in Children with Hearing Loss, Dyslexia, or Oral Language Problems* focuses on the nature of the writing problems experienced by children with oral language problems. Three clinical groups are considered: children with hearing loss, oral language difficulties, and dyslexia. Each contribution comes from an expert or team of experts in these three areas and in the field of language and writing. The volume provides current understandings to help guide and support practitioners and researchers alike. It provides timely information across languages and countries, enhancing our understanding of the links between oral language and written language across languages.

Observing Writing Eva Lindgren, Kirk Sullivan, 2019-02-11 *Observing Writing: Insights from Keystroke Logging and Handwriting* is a timely volume appearing twelve years after the *Studies in Writing* volume. Computer Keystroke Logging and Writing. Sullivan, Lindgren, 2006. The 2006 volume provided the reader with a fundamental account of keystroke logging, a methodology in which a piece of software records every keystroke, cursor, and mouse movement a writer undertakes during a writing session. This new volume highlights current theoretical and applied research questions in keystroke logging and handwriting research that observes writing. In this volume, contributors from a range of disciplines, including linguistics, psychology, neuroscience, modern languages, and education, present their research that considers the cognitive and socio-cultural complexities of writing texts in academic and professional settings.
