Hazel Vaughn Leigh And The Fort Worth Boys Club

Harold Rich

Hazel Vaughn Leigh And The Fort Worth Boys Club:

Hazel Vaughn Leigh and the Fort Worth Boys' Club J'Nell L. Pate, 2000 This biography documents the story of an amazing woman who devoted her life to the foundation and growth of a boys club in north Fort Worth Beginning with her childhood in Fort Worth at the turn of the century J Nell Pate chronicles Hazel s troubled marriage to Grover Leigh her bitter rivalry with Panther Boys Club director Martha Justice the Great Depression World War II her college days at TCU and her intense commitment to boys club work Though she had no children of her own Hazel became a strict yet caring mother to thousands of young men through her involvement in the Panther Boys Club and Fort Worth Boys Club She worked with the Kiwanis Club and Dr Abe Greines chair of the Kiwanis committee on underprivileged children Throughout the years Hazel kept in touch with many former members of the club and she saw boys join the club whose fathers had been members when it first opened Hazel made an impact by encouraging boys to develop their talents and pursue their dreams whether that meant art instruction or accordion lessons Several such as football player Yale Lary and race car driver Johnny Rutherford went on to do great things Hazel proved to be a strong willed individual who ceaselessly fought to make the Fort Worth Boys Club a part of the Boys Clubs of America and to keep girls out of the club Though she wasn t always popular with everyone she was well respected because of her devotion to her cause Published for the Fort Worth Public Library

Fort Worth between the World Wars Harold Rich, 2020-09-25 From its early days as a nineteenth century army outpost through the boom years of cattle drives culminating with the arrival of Armour and Swift in the twentieth century to secure the community s economic base Fort Worth established itself as a major city that to many was where the West began Historian Harold Rich focuses on the successes and struggles that Fort Worth enjoyed and endured in the 1920s and 1930s as the city s fortunes began to be eclipsed by Dallas Houston and San Antonio Featuring a solid foundation of economic history Rich also explores the political and social challenges of a big city facing an uncertain future Tense race relations the chilling rise of the Ku Klux Klan and the dangerous thrills of a notorious vice district Hell s Half Acre show that this Texas city was a microcosm of the state and the nation when the roar of the 1920s came to an abrupt halt in the Great Depression Fort Worth between the World Wars is an important contribution not only to local history but also to the larger story of urban change during a tumultuous time

Legendary Locals of Fort Worth Emily White Youree, Joan Kurkowski-Gillen, 2025-01-22 Fort Worth is the City of Cowboys and Culture and where the West begins Its citizens highlight the Texas can do spirit and the determination and compassion to make a difference to be legendary When Buckley B B Paddock persuaded the railroad to lay track west of Dallas a city was born and so was opportunity Cowboys like T J Ryon rode into town with their cattle J Frank Norris preached against the vices in Hells Half Acre while Jennie Schueber tried to rally support for a free library Feisty entrepreneurs like Ninnie Baird and John B Laneri baked bread and sold pasta noodles Cowtown also boasts such notables as Edna Gladney who helped countless orphans find a home the Clark brothers who brought Texas Christian University home and Claude R Platte who bravely

served as a Tuskegee airman These fine folks are just a sampling of Fort Worth's fascinating and sometimes infamous characters

The Boy Problem Julia Grant, 2014-03-15 A historical perspective on the factors affecting boys' relationships with school and the criminal justice system Outstanding Academic Title Choice America's educational system has a problem with boys and it's nothing new The question of what to do with boys the boy problem has vexed educators and social commentators for more than a century Contemporary debates about poor academic performance of boys especially those of color point to a myriad of reasons inadequate and punitive schools broken families poverty and cultural conflicts Julia Grant offers a historical perspective on these debates and reveals that it is a perennial issue in American schooling that says much about gender and education today Since the birth of compulsory schooling educators have contended with what exactly to do with boys of immigrant poor minority backgrounds Initially public schools developed vocational education and organized athletics and technical schools as well as evening and summer continuation schools in response to the concern that the American culture of masculinity devalued academic success in school Urban educators sought ways to deal with the bad boys almost exclusively poor immigrant or migrant who skipped school exhibited behavioral problems when they attended and sometimes landed in special education classes and reformatory institutions The problems these boys posed led to accommodations in public education and juvenile justice system This historical study sheds light on contemporary concerns over the academic performance of boys of color who now flounder in school or languish in the juvenile justice system Grant's cogent analysis will interest education policy makers and educators as well as scholars of the history of education childhood gender studies American studies and urban history

America's Historic Stockyards J'Nell L. Pate, 2005 Livestock markets for the sale and distribution of meat developed as early as the days of colonial America In the mid nineteenth century as westward expansion increased and railroads developed stockyard companies formed in order to meet the demand of a growing nation Contrary to markets these companies were centrally organized and managed by a select few principal partners America's Historic Stockyards Livestock Hotels is an examination of such stockyards from their early beginnings to their eventual decline Stockyards helped to establish some of America's greatest cities Early on the scene were stockyards in cities such as Cincinnati otherwise known as Porkopolis and meat stockyards and packing powerhouse Chicago which was considered the number one livestock market in the nation Markets soon opened in the Midwest and eventually expanded further westward to California and Oregon Other smaller markets made large contributions to the industry The cow towns of Fort Worth and Wichita never reached the status of Chicago but did have large livestock receipts Fort Worth for instance became the largest horse and mule market in 1915 as World War I produced an increased demand for these animals Meatpacking moguls known as the Big Four Phillip Armour Gustavus Swift Nelson Morris and Edward Cudahy usually financed these growing markets controlled the meatpacking business and in turn the stockyards companies Although the members changed this oligopoly remained intact for much of the duration of the stockyards industry However as railways

gave way to highways the markets declined and so too did these moguls By the end of the twentieth century almost every major market closed bringing an end to the stockyard era J Nell Pate s examination of this era the people and the markets themselves recounts a significant part of the history of America s meat industry **Amphetamine King** Alexander Gonzales,2011-03-25 In his book Gonzales provides snapshots of true life accounts to eloquently describe the world in which he lived from the humble beginnings of his childhood to his life as a Drug Kingpin to his transformation in State Prison He goes into detail of how he perfected the manufacturing and distribution of amphetamines during the mid to late 1980s His escapades include run ins with infamous drug lords and mad men of various underground organizations And of course he discusses the key people involved in helping him rise from a Latino Texan minion to a convicted Drug Kingpin
