*My Bookhouse* ,2023-09-11 Full of delightful fairy tales charming poems and engaging stories the My Bookhouse series  
for children was published in the 1920s by Olive Beaupr Miller as a six volume set The books contained the best in children s  
literature and progressed through a natural carefully graded order from the simplest poems and stories to those that are  
more complex Miller set high standards for the books First To be well equipped for life to have ideas and the ability to  
express them the child needs a broad background of familiarity with the best in literature Second Stories and rhymes must  
be selected with care that the child may absorb no distorted view of life and its actual values but may grow up to be mentally  
clear about values and emotionally impelled to seek what is truly desirable and worthwhile in human living Third The stories  
and rhymes selected must be graded to the child s understanding at different periods of growth graded as to vocabulary as to  
subject matter and as to complexity of structure and plot The series would eventually include twelve volumes The original  
volumes included Volume 1 In the Nursery 1920 Volume 2 Up One Pair of Stairs 1920 Volume 3 Through Fairy Halls 1920  
Volume 4 The Treasure Chest 1920 Volume 5 From The Tower Window 1921 Volume 6 The Latch Key 1921 The series is an  
ideal teaching aid for parents who want to help their children read well think clearly and absorb the most important lessons  
that literature has to teach This volume a facsimile of the original 1921 edition of From the Tower Window features classic  
stories from around the world It also features the color illustrations included in the original edition of the book It is printed
