Hc Andersens Billedkunst:

Hans Christian Andersen Jens Andersen, 2006-03-28 Andersen provides a fascinating backdrop for the life of the acclaimed fairy tale writer a budding genius placed in the context of his time Publishers Weekly Hans Christian Andersen was a storyteller for children of all ages but he was more than that He was a critical journalist with great enthusiasm for science an existential thinker an observant travel book writer a passionate novelist a deft paper cut out artist a neurotic hypochondriac and a man with intense but frustrated sexual desires This startling and immensely readable definitive biography by Danish scholar Jens Andersen is essential to a full understanding of the man whose writing has influenced the lives of readers young and old for centuries Jens Andersen sheds brilliant new light on Hans Christian Andersen s writings and on the writer whose own life had many aspects of the fairytale Like some of the memorable characters he created Andersen grew up in miserable and impoverished circumstances He later propagated myths about his life and family but this new biography uncovers much about this man that has never been revealed before An enthralling ground breaking new biography Jens Andersen has a novelist s insights which enhance his meticulous biographical skills making us appreciate among much else that ambiguity is as intrinsic to the life as to the art that came out of it The Independent *The Stories of Hans Christian Andersen* Hans Christian Andersen, 2009-01-01 A modern accessible and accurate translation of Andersen s beloved stories which effectively captures Andersen s conversational and ironic tone and lends itself to use in the classroom
