Schneider, 2020-01-02 The plural form Englishes conveys the diversity of English as a global language pinpointing the growth and existence of a large number of national regional and social forms The global spread of English and the new varieties that have emerged around the world has grown to be a vast area of study and research which intersects multiple disciplines This Handbook provides a comprehensive and authoritative survey of World Englishes from 1600 to the present day Covering topics such as variationist sociolinguistics pragmatics contact linguistics linguistic anthropology corpus and applied linguistics and language history it combines discussion of traditional topics with a variety of innovative approaches The chapters all written by internationally acclaimed authorities provide up to date discussions of the evolution of different Englishes around the globe a comprehensive coverage of different models and approaches and some original perspectives on current challenges

The Oxford Handbook of World Englishes Markku Filppula, Juhani Klemola, Devyani Sharma, 2017-02-14 As the most widely documented language in

human history English holds a unique key to unlocking some of the mysteries of the uniquely human endowment of language Yet the field of World Englishes has remained somewhat marginal in linguistic theory This collection heralds a more direct and mutually constructive engagement with current linguistic theories questions and methodologies It achieves this through areal overviews theoretical chapters and case studies The 36 articles are divided between four themes Foundations World Englishes and Linguistic Theory Areal Profiles and Case Studies Part I sets out the complex history of the global spread of English This is followed in Part II by chapters addressing the mutual relevance and importance of World Englishes and numerous theoretical subfields of Linguistics Part III offers detailed accounts of the structure and social histories of specific varieties of English spoken across the globe highlighting points of theoretical interest The collection closes with a set of case studies that exemplify the type of analysis encouraged by the volume As attention is focused on innovative work at the interface of dialect description and theoretical explanation the book is more succinct in its treatment of applied themes which are given complementary coverage in other works The Handbook of World Englishes Cecil L. Nelson,Zoya G.
