He Humbled Himself Rediscovering Christs Model Of Ministry:

Rediscovering Humility Christopher A. Hutchinson, 2018-06-04 Most of us value humility especially in other people But Jesus taught that humility is central to the Christian life Author Christopher Hutchinson invites the church to follow Christ both individually and corporately in this high calling *If They Be Prophets: Rediscovering the Ministry of the Prophet in the New Testament Church* Roderick L. Evans, 2019-06-27 Revised and updated edition From the beginning God has always used prophets to speak on His behalf to His people The ministry of the prophet did not cease with the New Testament Church The prophet s ministry is still vital to the furtherance of the Church In this book rediscover the ministry of the New Testament prophet and how it operates in today s Church **Rediscovering the Ministry of Blessing** Russ Parker, 2014-02-20 The Bible teaches us Russ Parker writes that blessing is a unique ministry resource gifted to believers to effect the purposes of God in peoples lives In this enthralling book the author tells of situations of family estrangement depression and chronic illness of times of hopelessness and helplessness where miraculous transformation has been wrought through calling on God to bless someone with the richest blessing they are able to receive As he has travelled the country teaching on the ministry of blessing Russ has seen an enthusiastic response and uptake especially amongst those involved in prayer ministry He believes it is time for all who want to be part of God s renewal both in church and through reaching out to the wider community **The Man Who Rediscovered God** Martin Luther, 2021-01-08 Martin Luther The Man Who Rediscovered God Complete Works by Martin Luther Theological Works Sermons Hymns The Ninety five Theses The Bondage of the Will A Treatise on Christian Liberty Prayers Hymns Letters and many more Martin Luther s theology is based on the Bible and not on dogmas Referring to Paul s Epistle to the Romans he claims that salvation is given through God s grace and not through deeds It was adopted by Lutheran Churches and also by the other Reformed Churches in principle Martin Luther was German theologian professor pastor and church reformer Luther began the Protestant Reformation with the publication of his Ninety Five Theses on October 31 1517 In this publication he attacked the Church s sale of indulgences He advocated a theology that rested on God s gracious activity in Jesus Christ rather than in human works Nearly all Protestants trace their history back to Luther in one way or another Luther s relationship to philosophy is complex and should not be judged only by his famous statement that reason is the devil s whore *Rediscovering Jesus* Dr. Tony Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of

biblical Christianity I wanted to give the reader enough information where it s not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world

Maglio, 2021-10-29 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience They enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry Throughout a chaplain s career he or she will attend many continuing education seminars civilian education graduate programs and conferences all provided by the military However chaplains are challenged with the rigorous multitasked environment of this ministry Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier This book encourages the importance of spiritual resiliency in the lives of leaders both military and civilian Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout Second the leader s practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve Third practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith

Rediscovering Holiness J. I. Packer, 2009-09-15 There was a time writes renowned theologian J I Packer in this classic book on biblical holiness when all Christians laid great emphasis on God s call to holiness But how different it is today To listen to our sermons and to read the books we write and then to watch the zany worldly quarrelsome way we behave you would never imagine that once the highway of holiness was clearly marked out for Bible believers In this revised and updated edition of Rediscovering Holiness the highway is once more clearly marked out for a new generation of readers pointing to true freedom and joy both now and in eternity There was a time writes renowned theologian J I Packer in this classic book on biblical holiness when all Christians laid great emphasis on God s call to holiness But how different it is today To listen to our sermons and to read the books we write and then to watch the zany worldly quarrelsome way we behave you would never imagine that once the highway of holiness was clearly marked out for Bible believers In this revised and updated edition of Rediscovering Holiness the highway is once more clearly marked out for a new generation of readers pointing to true freedom and joy both now and in eternity

Rediscovering Faithfulness Kenneth W. M. Wozniak, 2024-07-09 What does faithfulness mean for modern Christians who find themselves immersed in a social and moral context two millennia removed from that of Jesus As a notion endorsed by Christians universally irrespective of church tradition geographic location

economic and political milieu or spiritual experience faithfulness is essential to mature Christian living Yet many in the modern church have lost or perhaps forgotten the true nature of faithfulness and thus have wandered from that which God envisages for believers Rediscovering what faithfulness entails however is altogether possible Theological ethicist Kenneth W M Wozniak takes the reader on a journey of encounter looking to the earliest Christians and their understanding of fidelity to the way of Jesus as a model for believers today and as the means by which the essence of faithfulness rooted not in adherence to a performance standard but rather in personal cultivation of the divine character the Jesus way not only can be discovered but also embraced and enjoyed by the one who aspires to align with the very being of God *Rediscovering Christianity: Origins and a New Era* Patricia Budd Kepler, 2024-06-29 With humanity on the cusp of a dramatic new era Patricia Kepler invites us to reexamine the foundations of Christian faith that mainstream expressions of Christianity share Rediscovering Christianity explores basic beliefs about God Jesus Christ the Holy Spirit Scripture and the early church It goes on to explore the theological and ethical questions essential to moving toward the new creation of which Jesus speaks In that creation heart and mind come together in search of God's Realm on earth This book is for people who never learned much about their faith and those Christians who are asking questions in these changing times Kepler sees faith as evolving and has great hope for the future Given that humanity now has the power to destroy its world Kepler sees that we have as never before responsibility with God for saving it holding fast to the sanctity of life reclaiming the importance of community pursuing peace with justice and revering the earth It is time for Christianity to come of age What we believe about God and humanity matters Theology and Ethics matter The new era opens a door to new creativity and spiritual depth in the power of the Spirit Rediscovering John Lesław Daniel Chrupcała, 2014-05-29T00:00:00+02:00 The idea of dedicating a Festschrift to honor Professor Fr d ric Manns on the happy occasion of his 70th birthday came to mind in the autumn of 2011 and work on this project had been continuing ever since Felicitously achieving this goal the Faculty of Biblical Sciences and Archaeology Studium Biblicum Franciscanum and the Franciscan Custody of the Holy Land present this volume to Father Manns with gratitude for his profound scholarship and a lifetime service in the Holy Land Perusing through Father Manns writings it is easy to see a prominent and distinctive place devoted to the Gospel of John It seemed therefore suitable to focus on this subject in the Festschrift honoring him the title Rediscovering John relates to Manns significant contribution towards the better understanding of the Fourth Gospel The volume comprises 21 studies authored by renowned scholars from various parts of the world from different institutions and denominations While the first half of the studies examines general issues history of interpretation textual transmission intertextuality theological themes archaeology the second half treats literary narrative and exegetical approaches to particular texts of the Fourth Gospel We augur that this rich collection will help to stimulate further discussion and reflection on the Gospel of John as well as constitute an incentive to an already distinguished scholar to continue writing challenging and thought provoking essays and books from the Foreword by the Editor

Ruining Christmas--Rediscovering Jesus Carl N. Toney, 2021-08-31 Did you know that the Christmas story almost wasn't told But Matthew and Luke saved Christmas Have you wondered if Christmas is really a pagan holiday Did marketers invent Santa Claus And what does a Christmas tree have to do with anti slavery We'll learn which traditions come from the Bible and where other traditions derive Have you ever considered who Jesus was named after Or why Jesus's genealogy is traced to Joseph if he's not Jesus's biological father We'll answer questions like these surrounding Jesus's legacy Maybe you've asked what was the Bethlehem star Or have you heard that there wasn't an inn or innkeeper With these kinds of inquiries we'll look at the circumstances surrounding Jesus's birth Do we know if the magi were kings astrologers or magicians Or could you name the oldest person that met baby Jesus By interacting with these people who met Jesus on that first Christmas we'll join the cast of characters around the manger As we explore the stories and traditions of Christmas together we'll ruin some past misconceptions but in the process I promise that we'll rediscover Jesus

Another Christ Andrew D. Mayes, 2024-08-30 This is a riveting book with bite an exploration with edginess Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times Recent research into the first century setting of the gospel and the author's years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling while Francis of Assisi reveals how this can be creatively lived out We have a choice If we keep before our eyes images of Christ that are comforting soothing familiar traditional then our Christian life may turn out to be prosaic pedestrian and predictable a preservative to maintain the status quo But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic risky outrageous brave passionate radical then we open ourselves to new possibilities we embark on a liberating adventure an odyssey of the soul a pilgrimage a voyage into untested waters What will we choose Do we dare to take the unpredictable path And which route will respond most courageously to the needs of today's wounded world

The Politics of Jesus Obery M. Hendricks Jr, 2007-08-21 Who was Jesus And how was this first century political revolutionary whose teachings are meant to lead the way to freedom turned into a meek and mild servant of the status quo How is it possible to profess a belief in Jesus yet ignore the suffering of the poor and the needy Just how truly faithful to the vision of Jesus are the many politicians who claim to be Christian These are the kinds of questions Obery Hendricks a biblical scholar activist and minister asks in this provocative new book In this day and age of heated political debate Hendricks's *The Politics of Jesus* stands out as much for its brilliant re-creation of the life and mind of Jesus of Nazareth as for its scathing critique of modern politicians of faith

The Jesus You Really Didn't Know Andy Angel, 2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace Living in denial of Jesus teaching on judgment and holiness too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self worth before God Andy Angel tackles this dysfunctional spirituality head on opening up the journey of learning and love into which the living Lord Jesus invites us all Unpacking the Gospel of Matthew he encourages us to rediscover the teaching ministry of Jesus in our own lives and in doing so to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us

Reclaiming Adoption Dan Cruver, John Piper, Scotty Smith, 2011 Delight in God's delight in you One of the ambitious dreams that Reclaiming Adoption and its authors share with the Apostle Paul is that when Christians hear the word adoption they will think first about their adoption by God This book is premised on the belief that behind the Parable of the Prodigal Son's is Scripture's teaching on adoption The story of the Bible is that God the Father sent his only true and eternal Son on a mission and that mission was to bring many wayward and rebellious sons home to glory Hebrews 2:10 in order to adopt them into his family That is the Story behind the story of the Prodigal Sons If Christians learn to first think about their adoption by God and only then about the adoption of children they will enjoy deeper communion with the God who is love and experience greater missional engagement with the pain and suffering of this world Reclaiming Adoption can transform the way you view and live in this world for the glory of God and the good of our world's most needy

Respecting Congregations Clyde Ervine, 2025-05-22 Across North America congregations and their leaders are experiencing unprecedented anxiety Despite the many organizational and growth strategies offered to congregational leaders over the last five decades few congregations are growing and most are coping with numerical decline With fewer people attending worship and fewer students offering themselves for ordination at least in mainline denominations many Christians worry that the church across the continent is in the process of dying While Ervine's book may not offer swift solutions it does offer hope Fearful congregations and their leaders are invited to set the search for quick fix solutions aside and instead take the time to discover and then respect the identity purpose and ministry priorities that the New Testament provides to congregations This book is written in the conviction that clarity about their in Christ identity

their purpose in God's ongoing mission and what is essential to their ministry will give congregations new confidence to offer Christian witness rooted in biblical teaching while respecting twenty first century cultural realities Jesus and His Jewish Parables Brad Young, 1989 Jesus and his Jewish Parables presents a fresh approach to the gospel parables and their rabbinic counterparts The author Brad H Young demonstrates that the parables must be studied as a unique genre of teaching which is preserved only in rabbinic literature and in the gospels He sets out to show a very close association between the teachings of Jesus and early Jewish pedagogical methods In a radical new conclusion Young maintains that the kingdom of heaven theme so essential for a proper understanding of Jesus message is not an eschatological concept designed to forewarn of imminent catastrophe but rather a technical term Jesus employed to speak of God's reign as a present reality among those who have accepted the call to obey the divine will Page 4 of cover
