**He Still Speaks Today** John Sherrill,1996-08-01 It s easy to forget the reality of God s presence and His desire for your companionship His readiness to help you in every situation He Still Speaks Today illustrates practical principles that make the Bible what God always intended it to be for every believer in every era a catalyst to fellowship with Him and a compass to guide us on our journey *A Matter of Life & Death* Yomi Akinpelu,2005-08-18 A Little rudder controls a massive ocean liner a small spark sets ablaze a vast forest The gulf between the two worlds of life and death is a tiny bridge called the tongue Do words really matter that much You can find out in this book In a world where words are used idly this book brings a penetrating insight and vital reminder of the impact of our words The message contained in these pages may appear basic but it will change your life if you allow it In this book you will discover how you can utilise the power of words to establish God s purpose for your life You will also find out How to use God s words as building blocks for your life How to speak to your mountains How to use faith filled words for effective prayer How to use God s word as seed for a good harvest and much more Book reviews online PublishedBestsellers website *The Dynamic of Faith, Words, & the Miracle Power of God* Raymond Gable,2006-06 *The New Pentecostal Message?* Lewis Brogdon,2015-06-22 The prosperity movement has influenced millions of people in North America Asia Europe South America and Africa through Pentecostal Charismatic and nondenominational preachers in some of the largest churches in the world CNN ABC and Time magazine have examined the preachers and churches in this popular and controversial movement Scholars and church leaders have studied it for more than two decades producing dozens of books and articles on it Considering the widespread popularity of the prosperity movement and the attention it is given by its critics Brogdon asks Is prosperity preaching the new Pentecostal message In order to answer this question one has to examine the prosperity movement as a Pentecostal movement instead of a Word of Faith movement that is a revised form of New Thought metaphysics and Science of Mind Brogdon provides an introduction to the prosperity movement as a Pentecostal movement He asks important questions in the study of the prosperity movement such as who popularized prosperity teaching Oral Roberts or Ken Hagin Do all Pentecostals agree with the prosperity doctrine Is prosperity teaching good news to the poor Has prosperity replaced the emphasis on the Holy Spirit The answers may surprise you **The Forty-Day Word Fast** Tim Cameron,2015-09-01 At some point in your Christian walk you may have fasted from food television or other things in order to refocus and rekindle your relationship with Christ Fasting may even be a frequent part of your prayer life But have you ever fasted from words The truth is that even if you consider yourself to be a positive person you still use damaging words that plague your life and rob you of the spiritual growth you desire Change your words Change your life The Forty Day Word Fast focuses on several biblically sound mechanisms to help you change your words and your life Not only will your vocabulary change your heart also will be transformed in just forty days For out of the abundance of the heart the mouth speaks Matt 12 34 nkjv With this guaranteed effective form of fasting you
