He Masks Of Rome:

The Masks of Rome Caroline Llewellyn, 1988 Using an Italian setting this novel of murder and mystery involves a likable heroine torn between 2 men **Masks of Rome** Caroline Llewellyn, 1988-08-01 **The Masks of Menander** David Wiles, 2004-06-03 An examination of the conventions and techniques of the Greek theatre of Menander and subsequent Roman theatre The Masks of Anthony and Cleopatra Marvin Rosenberg, Mary Rosenberg, 2006 In his analysis Marvin Rosenberg sets out to steer a path between the extremes of Rome and Egypt and all they stand for and to explore the relentless to and back confrontation of their different sets of values which leads ultimately to destruction **Perspective in the Visual Culture of Classical Antiquity** Rocco Sinisgalli, 2012-09-17 This book investigates theories of linear perspective in classical antiquity Masks of the World Joseph Gregor, 2001-01-01 Informative pictorial survey of many authentic cover ups worn around the world over a wide range of historical periods Images of a Kwakiutl dance mask of wood and skin from British Columbia a terra cotta mask from ancient Athens an 18th century porcelain Harlequin mask a Javanese demon s mask of wood a cloth mask embroidered with pearls from Cameroon and many more Invaluable to anthropologists and theatrical groups of great interest to art lovers The Masks of Christ Lynn Picknett, Clive Prince, 2008-11-11 From the gnostic gospels to the Nativity religious mythology immortalized Jesus his personality his actions his words but what if they didn t tell the truth Although an entire religion is based on his teachings Jesus himself did not record any written accounts of his life or faith He taught his followers orally and our only sources about what Jesus actually said and believed the Gospels were written long after his lifetime But the Gospel authors had their own agendas to promote and most certainly altered even distorted their leader s message In *The Masks of Christ* bestselling authors Lynn Picknett and Clive Prince peel away layers of mythology canonical revisions Church propaganda and censorship in order to reveal who Christ really was and discover his true message to the followers of Christianity Stripping away centuries of misinformation Picknett and Prince dispel religious myths unearth historical truths and uncover the real stories behind some of the Bible s most famous tales including how Christ s long hidden relationships with John the Baptist and Mary Magdalene shaped his beliefs and religious mission Drawing on objective research Picknett and Prince present the living breathing Jesus and provide a context for Jesus teachings in the time and society in which he lived and most important guidance on what the life and lessons of Jesus Christ mean to everyone today **Rome's Mediterranean Empire** Livy, 2007-11-08 I will do as the Senate decrees These words from one of Rome s opponents encapsulate the authority Rome achieved by its subjugation of the Mediterranean The Third Macedonian War recounted in this volume ended the kingdom created by Philip II and Alexander the Great and was a crucial step in Rome s eventual dominance For Livy the story is also a fascinating moral study of the vices and virtues that hampered and promoted Rome s efforts in the conflict He presents the war not so much as a battle against Perseus Alexander s last and unworthy successor than as a struggle within the Roman national character Only traditional moral strength embodied in

Lucius Aemilius Paullus the general who ultimately defeats Perseus ensures the Roman victory This edition also includes the Periochae later summaries of Livy's entire original 142 book history of Rome from its founding to the age of Augustus of which only 35 books survive Rome's Tactics William Goode, 1898 Ancestor Masks and Aristocratic Power in Roman Culture Harriet I. Flower, 1996 Flower explains why the Roman elite commemorated politically prominent family members with wax masks worn by actors at the funerals of the deceased She looks at literary sources legal texts epigraphy archaeology numismatics and art tracing the functional evolution of ancestor masks from the third century BC to the sixth century AD By putting these masks into their legal social and political context Flower elucidates their central position in the media of the time and their special meaning as symbols of power and prestige *Greek and Roman Actors* P. E. Easterling, Edith Hall, 2002-09-26 This collection of twenty essays examines the art profession and idea of the actor in Greek and Roman antiquity and has been commissioned and arranged to cast as much interdisciplinary and transhistorical light as possible on these elusive but fascinating ancient professionals It covers a chronological span from the sixth century BC to Byzantium and even beyond to the way that ancient actors have influenced the arts from the Renaissance to the twentieth century and stresses the huge geographical spread of ancient actors Some essays focus on particular themes such as the evidence for women actors or the impact of acting on the presentation of suicide in literature others offer completely new evidence such as graffiti relating to actors in Asia Minor others ask new questions such as what subjective experience can be reconstructed for the ancient actor There are numerous illustrations and all Greek and Latin passages are translated
