feels But a furiously angry JZ won't let it end at that not when he discovers that Mr Martin has asked Sloane to speak at their Careers class Sloane has been blind since birth but she hasn't let her disability slow her down She's an inspiration to those around her Still the one mistake she believes she'd made was falling in love with the wrong person While Laura came out of that ill advised union and her daughter has been the best kind of blessing she doesn't believe in love at first sight certainly not the ungrounded type JZ is convinced he holds for her daughter Nevertheless when Sloane hears Chad's voice as he talks her down and helps her through their precarious situation she wonders if love at first sound is possible and whether they'll make it out alive to find out for sure Identity With his own adopted young son to guide him Falcon's Bend Police Department Investigator Pete Shasta has been working on a relationship with both of his parents after their traumatizing divorce during his childhood They're closer than ever before when his father is diagnosed with end stage cancer Pete and his brother Jordan know for sure that their younger sister Crystal whom they'd all lost touch with years ago should be here with them When Pete's own investigation into her whereabouts comes up empty they hire a private detective to find her Unfortunately by the time she's located it's too late Their father is gone leaving an immense inheritance for all of them to share But their sister is no longer the girl any of them remember proving the hard lessons Pete's been learning of late that a person's identity changes as they get older and priorities shift for better or worse But is his sister's homecoming too little too late in more ways than one Cupid's Romance Falcon's Bend Police Department Investigator Danny Vincent is always wary when his partner Pete leaves town for any reason In the past he's gotten some of the strangest cases when he's on his own and after Pete and Lisa take leave to receive the newborn baby they're adopting Danny and his temporary partner Patrol Officer Amber Carfi get a doozy Dispatch takes a call from a separated and on the verge of divorce newlywed complaining of a stalker and Danny's bad premonition gets worse Rye Iverson doesn't know the person following him watching his house sending him strange little notes signed Cupid that insist in no uncertain terms that the Iversons continue the happily ever after brought about by the winged messenger of love with its Golden Arrow Does Rye Iverson know much more than he's divulging Out of Mind Out of sight is not out of mind for Falcon's Bend Patrol Officer Amber Carfi who's long time partner and new husband has retired and she's not sure what to make of his replacement Fergie Giles She knows the chief was pressured into hiring a woman and she can't see any other reason why the defensive closed book Fergie would have been hired until they get a case of a woman who insists she's being pursued by her childhood kidnapper Hailing from Minnesota Molly Keane is found hiding on a farm in rural Falcon's Bend and is admitted to the hospital Though the woman insists she's running from the same kidnapper who tried to take her as a child and her journal gives a vague description of the person in question Amber and Fergie can't find hide nor hair of the perpetrator The woman's father tells them this event is fabricated in Molly's very confused head Since she was five years old and fell down a steep case of stairs hitting her head and causing a violent concussion she's suffered from anterograde amnesia and her brain can't form any new memories for longer than 24 hours

The only thing she seems to remember is a kidnapping that never took place Just as abruptly as she'd been discovered hiding Molly disappears again Amber and her new partner who suddenly has a lot to say begin to piece together the fifteen year old tragedy of a child who may never escape her trauma Lonely Hearts Lisa wife of FBPD investigator Pete Shasta is trying her hardest to avoid mystery in her very full busy life But when her sister in law confides her worries about her sister Shelley Wilson who's had nothing but bad luck with men and has all but abandoned her daughter Lisa also becomes worried and then downright concerned about Shelley's involvement in a lonely hearts support group where she falls in love with a man accused of fraud and murder Is Shelley again a victim or an accessory to organized crime Assassin FBPD investigators Pete Shasta and Danny Vincent have prayed mightily to have seen the last of FBI Special Agent in Charge Robert Lock But when he shows up in Falcon's Bend at Christmastime they find themselves involved whether they like it or not A pseudo Christian doomsday cult believes that the World Wide Web is evil They've set up multiple cells around the world focused on bringing down the internet beast According to Robert their ringleader is the most unlikely terrorist in the world a mouse of a man who actually runs his own successful internet business in Falcon's Bend Robert is determined to destroy the cult from the inside out to protect his wife Azure the daughter of the FBI's Associate Deputy Director who's not only involved in the cult but has been sent to prove her loyalty to them by killing him
